TIGER II Discretionary Grant Application**

Attachment – Additional Congressional Districts Benefiting from Project

As noted on the SF-424, the proposed project is located in Plaistow, New Hampshire in New Hampshire's First Congressional District (NH001) represented by Congresswoman Carol Shea-Porter.

The project will also have substantial benefits to Haverhill, Massachusetts, in Massachusetts' Fifth Congressional District (MA005), represented by Congresswoman Niki Tsongas.

Both members of Congress support the project and are submitting letters of support to Secretary of Transportation Raymond LaHood.
