

# Save the Date

## Thursday June 18, 2009

**Come find out what is happening at  
the Beede Waste Oil Superfund Site  
on Kelley Road in Plaistow, NH.**

**Informational Meeting 7:00 pm**

Plaistow Public Library  
85 Main Street

**Find out who is doing the work, how the  
current sampling efforts will help inform  
the cleanup design, and when cleanup  
work will get underway.**

Representatives from the U.S. Environmental Protection Agency and the NH Department of Environmental Services will explain the current efforts and what neighbors can expect in the next year, as well as answer questions.

The meeting space is fully accessible. If you have special needs or questions about the meeting, please contact Stacy Greendlinger. Toll Free Phone 1-888-372-7341 ext. 81403
