

**SAVE THE DATE!**

## Beede Waste Oil Superfund Site

Come find out what is happening at the Beede Waste Oil Superfund Site on Kelley Road in Plaistow. Get a project and schedule update and find out about the evaluation underway to assess possible access routes for the site cleanup.

Representatives from the U.S. Environmental Protection Agency and the NH Department of Environmental Services will answer questions and would like to hear what you think, please join the discussion.

**Monday June 28, 2010**

**7 p.m.**

**Plaistow Public Library**

**85 Main Street**

**Plaistow, NH**

The meeting space is fully accessible.
