

BRICKS AND BENCHES FUNDRAISER
to benefit the Friends of Plaistow Recreation

The Friends of Plaistow Recreation, a 501(c) 3 organization, is currently fundraising for the purchase and completion of a playscape and surrounding area to create a safe play area at the new fields known as "P.A.R.C." (Plaistow Athletic Recreation Complex) located off Old County Road for the younger children (ages 2-12). The approximate cost for the project is Eighty Thousand Dollars (\$80,000.00), for which there is about Fifteen Thousand Dollars (\$15,000.00) raised already from area businesses. Friends of Plaistow Recreation is hoping to raise the remaining funds needed so that kids can be on the playscape this coming spring.

To raise the funds needed, the Friends of Plaistow Recreation is selling bricks and benches. Both items can be engraved to contain a personal message* chosen by the purchaser. The bricks will be installed as a pathway that will lead to the playscape area. The benches will be placed around the entire P.A.R.C.. By participating in this fundraiser, you not only donate to a great cause, but your purchase further enhances the beauty of the facility. Also, your purchase may be tax deductible!

Should you wish to purchase a brick or a bench, please complete the order form below, mail it with your check payable to "Friends of Plaistow Recreation" and forward it to: Friends of Plaistow Recreation, c/o Lisa Gardella, Treasurer, 7 Davis Park, Plaistow, NH 03865.

If ordering multiple brick(s)/bench(es), please use one order form (copies of this form are acceptable) for each brick/bench to ensure accuracy of your order, though you may send one payment for your entire order.

If you have any questions, you may direct them via e-mail to friendsofplaistowrecreation@comcast.net
