Dear Parent(s):

As you know, weather in New England is not always the best. In the event that it does rain, we often take the children to the movies. Movie money is now included in the weekly fee so there is no extra charge for this trip. Movie choices will be done in the morning and you will be notified if we are going to the movies and what movies will be offered to the children to see. Please fill out the form below for your child.
