"FUN FACTS" ABOUT OUR COMMUNITY

- Plaistow was officially established as a town in 1749 after a boundary dispute between the Massachusetts Bay Colony and the New Hampshire Grants.
- Plaistow is the only town outside the United Kingdom with the name Plaistow.
- As of the census of 2000, there were 7,747 people, 2,871 households, and 2,150 families residing in the town.

- Plaistow has a total area of 10.6 square miles.
- Plaistow is the only NH community without a named lake or pond.
- The highest point in Plaistow is an unnamed summit at 384 feet above sea level near the Town's northern end.

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

Plaistow, New Hampshire "Our Community"

Falling in love with Our Community is easy—as the Town of Plaistow is a very special place, with special people who have a deep appreciation for Our Community's history and tradition. Plaistow is a community where a diversity of ideas, people, and opportunities converge. It is a place where our citizens foster a powerful patriotism rooted in the heart of our own Congressional Medal of Honor winner Daniel George—a Plaistow native.

Our Community's vitality and civic pride also stem from Plaistow's long history, traditions, and unique characteristics. Our community's history is rich—Plaistow was officially established as a Town in 1749 after a boundary dispute between the Massachusetts Bay Colony and the New Hampshire Land Grants. It is the only Town outside the United Kingdom with the name Plaistow. Plaistow celebrates one of the best "Old Home Day" parades in New Hampshire with a carnival-type atmosphere on the Town Hall Green each year.

Our Community is diverse—people from all over the world have come to Plaistow to find a home and there are quite a few native Plaistownians. Because of our proximity to the busy life of the New England's cities, many Plaistow residents found the urge to leave the hustle and bustle of city life behind, and have settled in Plaistow. Residents of the Town are able to enjoy all the advantages of small town living: quiet lifestyle, safety for children, volunteer organizations, and activities for enhanced quality of life—without being too far from all that New England has to offer — the ocean, the lakes and the mountains.

The Town's transformation from a small, relatively rural, turn-of-the-century village to a thriving, regional center has occurred over the last 30 years, largely in concert with corresponding growth and change in the Southern New Hampshire region. In response to the demands of the rapidly growing population, Town government has undergone a thrust toward modern professionalism to meet the higher levels of service needed. Present day reminders of Plaistow's history are cherished by its citizens and admired by its visitors; quiet winding streets, wonderful neighborhoods and open space, along with the small shops along Main Street add to the charm, and "small-town" atmosphere.

Much of the character of Plaistow is due to its great natural beauty including our Town Forest, small streams, and tree-covered vistas. New residents and natives alike, unite to foster a community that prides itself with a tradition of "old-time" community values.

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

TRIBUTE TO RUTH JENNE

In December of 2010, to everyone's surprise and deep sadness, Ruth Jenne, Executive Secretary to the Board of Selectmen, passed away. Ruth was 87 years young at the time of her passing and spent 52 years of dedicated service to the citizens of Plaistow. As her colleagues in public service, we extend our deepest sympathies and condolences to Ruth's family.

There are many words and phrases that begin to describe our friend and beloved colleague Ruth Jenne: Kind; Caring; Loyal; Compassionate; Brilliant; Lived to Serve others; All-American; Care Giver; Loved Deeply; Person of Faith; and Foundation of Our Community.

Her parents, Maude and John Duston, were business people in Town, and both Ruthie and her sister, Chris, knew almost every resident of Plaistow. Ruth was a strong, independent and an attentive woman who loved her Town and her Country. She was so proud of her children, grandchildren, and great-grandchildren and often shared stories of their accomplishments. She enjoyed the day to day of Town government, always diligently assisting Selectmen, the Town Manager, her colleagues, and Plaistow citizens. She was passionate about the issues important to Plaistow.

Ruth Jenne--Ms. Plaistow

Ruthie was the first face you would see when you walked into Town Hall, and the last face you would see when you left. Having been born and raised in Plaistow, Ruthie was able to answer nearly any question regarding her hometown. Not a day goes by that we don't think about her and what she contributed to our Town. She was integral in the daily operations of Town Hall and to every Department within Town government. Ruthie was truly a special person who represented the best of the Town of Plaistow. She "never forgot where she came from". Ruthie never asked for recognition or credit, for medals or awards. She simply sought to fulfill her duty to serve our Town, and foster the efforts to build a brighter future for Plaistow's citizens with our shared values, and common ideals.

Ruth Jenne & Senator Jeanne Shaheen enjoying a good laugh

Her activities and participation in our community and church events were legendary and she was recognized by the Professional Business Women's Club when they named her "Woman of the Year". She would have us remember that as

citizens of Plaistow, we each have the power and the responsibility to make a positive difference while we are alive, knowing that what we set in motion today will make a difference long after we are gone. She would want us to remember to keep working at things every day if possible. We will miss her hand written notes, kind words, wonderful laughter, and powerful commitment to public service.

She has now joined her good friends and family that she enjoyed so much who are now buried in the good earth of Plaistow Cemetery. Her memory will be a continuing inspiration to us to enjoy the time we have together. Sadly, however, we are left to consider our lives without her, and ponder how we will measure up to her powerful legacy of public service, love, compassion, and spirit of generosity.

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

DEDICATION

The Plaistow Board of Selectmen are pleased to dedicate the 2010 Annual Report to Laurie Ellen (Mortenson) Houlihan. Laurie has provided extraordinary service as Our Community's Library Director for the past thirty (30) years and retired at the end of 2010. Over the course of her inspired career with the Plaistow Library, Laurie has become one of the most well-known citizens of Plaistow.

A native of Albert-Lea Minnesota, Laurie attended Albert Lea High School before heading on to Coe College, located in Cedar Rapids Iowa. Laurie would go on to earn a degree in English, spending a lifetime engaged in a fondness for literature and books. One fond memory of her college years was her legendary introduction to a star—injury prone athlete—Ted Houlihan. After attending “A Grave Affair” Halloween dance with Ted—much to Ted’s good fortune—and to everyone’s great surprise, Laurie would go on to marry Ted in August of 1969. Together they moved to Plaistow in 1973, where they raised two wonderful children, John and Molly, and have shared a lifetime of love, smiles and cherished memories on Sweet Hill Road.

Laurie Houlihan

In 1980, Laurie began her life’s work when she accepted a position at the Plaistow Library. Immediately, Laurie engaged herself into serving the citizens of Plaistow as a beacon of kindness and a powerful champion of the Plaistow Library. She was immediately recognized by her colleagues as a

powerful example of how to get things done with a smile—spending a career helping Plaistow’s citizens understand that a library is about more than just books. Laurie’s selfless devotion to Plaistow citizens and as an employee has been demonstrated time and time again throughout the years. Through her community leadership, planning, advocacy, and support, the efforts to raise funds for the construction of the new Plaistow Library—considered by many to be one of the finest public libraries in New Hampshire—passed on the first attempt at Town Meeting in 1999.

The Board of Selectmen Honor Retiring Library Director Laurie Houlihan

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

DEDICATION (Continued)

Over Laurie's decades of service, her kind, thoughtful, and determined principles have helped to make Plaistow's Library work for all our citizens. She is simply one of Plaistow's kindest and powerfully engaged citizens, consistently pouring her heart and soul into making the Town of Plaistow an extraordinary place to live and learn. Laurie willingly and humbly shared her time, talents, and administrative expertise ensuring that the many programs and initiatives of the Library touched and enriched the lives of all of Plaistow's citizens.

It is fitting that the Town of Plaistow should recognize Laurie for her lifelong commitment to service, her hard work, and her selfless dedication to the highest ideals of public service, charity and civic involvement. We urge others to join us in extending to Laurie and her family our sincere congratulations, gratitude and best wishes upon her retirement of dedicated service to Our Community, and for making a positive difference in the lives of Our Community.

***Best Wishes to You,
Laurie!***

BOSTON POST CANE

Dena DiPietro Carbone was born in Bisegna, Italy in 1913 and emigrated with her parents and siblings to Haverhill, MA in 1916 after a devastating earthquake destroyed her family home and their many businesses. Her father died when Dena was young and to help her family, she left school and went to work. She worked at Nelson's Department Store and then H.D.Green's where she rose to office manager at the age of 19. At the same time, she started her own dressmaking business evenings and weekends. To improve her skills, she attended Boston Girl's Trade School after being awarded a grant from the city of Haverhill. In 1932 she completed her studies and continued her dressmaking business until 1968. Her clients included many from Bradford College with names such as Bekin, Rockefeller, Dupont, and several of Princess Grace's bridesmaids. During that time she married Raymond Carbone and raised 2 sons, Gerry and Raymond.

After retiring from her dressmaking in the 1960's, she answered an ad for a volunteer to teach sewing skills to low-income women enrolled in a Community Action Program. What began as a volunteer effort turned into her next career as she started working for Community Action and became the Executive Director in 1974. Some of her accomplishments included a program for battered women, organizing a pre-school for Hispanic children, developing Tenants' Associations, expanded the Summer Youth Work Program, established a low income coalition for a food commodity program and reorganizing the area Council on Aging.

**Boston Cane Recipient
Dena DiPietro Carbone**

After retiring from Community Action, Dena decided to fill a lifelong dream and in 1979 at the age of 66 entered the Montserrat College of Art in Beverly, MA. In 1980, she became involved in the Greater Haverhill Arts Association and filled the role as activities director, including organizing trips to Museums for people to expand their knowledge of the arts. Her own works began to receive recognition and she was to win many titles and honors in local exhibitions. At Northern Essex Community College, Dena would present topics as part of the Life Long Learning Program. A few of the topics included a six week course on China - its history, people, art and human rights and a course on three artists; Georgia O'Keefe (who continued to paint into her 90's), Frieda Kahlo and Mary Cassatt. Dena also studied Spanish at Merrimac College and attended Bradford College's summer session in San Miguel Allende, Mexico.

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

BOSTON POST CANE (Continued)

Dena has always been involved as a community activist. Her skills have benefitted the Upward Bound Program at Bradford College in the late 1960's when she taught sewing to inner-city teens and helped them stage a fashion show of their own creation. She has been a member of the Soroptomists for 60 years, also the Women's City Club, the Haverhill Business and Professional Women and the Holy Angels Women's Guild.

Dena has been a resident of Plaistow for over 20 years. If you ask her for advice on life, she will tell you "Every day is golden, don't waste it". Dena may be 97 but she continues each and every day to be involved with her family, her Art, her gardens, her church and with whoever needs her help. We are most fortunate to have Dena DiPietro Carbone in our life here in Plaistow.

2010 ANNUAL REPORT

VETERAN'S SPECIAL REPORT

WORLD WAR II

December 7, 1941 – August 14, 1945

The year 2010 marked the 65th anniversary of the end of World War II. The town of Plaistow honored its veterans throughout the year. On Memorial Day, Monday, May 31, 2010, a special ceremony was held in the Town Hall. Fifty-three World War II veterans were found living in Plaistow. Official “Pride of Plaistow” citations to honor the men and women for their service to the citizens of Plaistow and the state of New Hampshire were presented to the veterans before a standing room crowd of over 300 family, friends, and residents. The citations were signed by Gov. John H. Lynch, State Representative Norman Major, Plaistow Town Selectmen and Town Manager Sean Fitzgerald. The annual Memorial Day parade was followed with a prayer and salute by the American Legion at the Elm Street Cemetery. A wreath was placed on the World War II Monument and plaque for Daniel George, a Civil War Congressional Medal of Honor Recipient was unveiled.

Plaistow Veterans Ride a Float at the 2010 Memorial Day Parade

Plaistow Old Home Day was celebrated June 26, 2010, sponsored by the Town and the Lions Club. The parade is one of the many events. People lined the parade route waving from the shade of yard trees and front porches. Bob Chooljian, a fifty year fireman, was the Grand Marshall. Governor John Lynch and local officials followed. Fire trucks rolled by, color guards marched and Miss New Hampshire and Miss Greater Plaistow smiled and waved to the crowd. Bands included the Clan McPherson Pipes and Drums of Andover. Ten pipers and drummers belted out traditional musical fare. World War II Veterans were given a place of honor in the parade. Two Boy Scouts carried a WW II Veteran Banner followed by an old army truck carrying six WW II Veterans who threw lollipops to the kids.

Dedication of the Garden Road Bridge

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

VETERAN'S SPECIAL REPORT (Continued)

On Veteran's Day November 11, 2010 the newly constructed Garden Road Bridge was dedicated to the men and women of Plaistow, New Hampshire, who nobly and honorably served their country between December 7, 1941 and August 14, 1945. Nearly 20 veterans of WW II walked across the new bridge now named in honor of their years of service. Town Manager Sean Fitzgerald introduced a number of speakers including Representative Norman Major and Selectmen John Sherman and Bob Gray who thanked the veterans for their service to provide us with the freedoms that we enjoy today.

Roy Jeffrey, a World War II Veteran cut the red ribbon officially opening the bridge.

World War II Veteran's Gather at the Dedication of the Garden Road Bridge

A three volley salute by Carl G. Davis Legion Post #34, Rick Bickerstaff, Gerry Parziale and Eddie Linscot was sounded as the Plaistow Police Guard, MPO Alec Porter, MPO Brett Morgan and Officer Jason Mazza presented the colors. Trumpet Player Andrew Psarris, Timberlane Regional High School played taps. Thanks and appreciation is also extended to Administrative Assistant Audrey DeProspero, Plaistow Highway Department employees Dan Garlington and Dana Rabito and Plaistow Maintenance Supervisor David Bowles.

A Special Ceremony was Held for the World War II Veteran's on Memorial Day

World War II, Korean and Iraq war veterans visited the Timberlane Regional High School in November to share their stories with the school's Historical Honor Society. The society has 40 members- half seniors and half juniors- who excel in history. In the school library three or four students sat at each table listening to veterans talk about their training, injuries, and triumphs of their war experiences. The students video-taped the interviews and plan to create a documentary of these stories.

The 65th Anniversary year ended with the placing of Christmas wreaths on each of the seven veteran monuments on the Pollard Green.

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

EMPLOYEE(S) SPOTLIGHT

PLAISTOW TEAMWORK

Firefighter Tammy Alvino

Lieutenant Scott Vezina

As a Community, a big part of Plaistow's success is built around teamwork. This year, we are recognizing two members of our Fire Department, Firefighter/EMT Tammy Alvino and Firefighter/EMT Lieutenant Scott Vezina for their extra ordinary dedication to their duties and for the ever helpful demonstration of teamwork they bring to the job—day-in—and day out.

Tammy joined the Fire Department in 2001 as a volunteer/call firefighter. It didn't take long for her to realize this was what she wanted to do as a career. She completed basic and advanced firefighter classes and then obtained her Basic Emergency Medical Technician certification and joined the Rescue Squad. Eventually, she completed certification as an Intermediate EMT providing additional valuable services to the town. Establishing the goal of gaining employment in the Fire Service, Tammy completed all the necessary tests and requirements to achieve that goal. In January of 2008, the opportunity to join the limited fulltime staff of the PFD was available and she was selected over several very well qualified candidates. In addition to the requirements of responding to emergencies, Tammy has taken on the added responsibilities of coordinating our Fire Prevention Education programs and coordinates the day-to-day activities of our emergency medical services and interfaces with the NH Bureau of Emergency Medical Services and our resource hospital.

Scott joined the Fire Department in 2005 and, like Tammy realized the enormous potential for meaningful and fulfilling work serving the public. Scott progressed through the various firefighter and EMT classes eventually leading to the EMT-Intermediate certification. He volunteered as part of the advisor group for our Explorer Post, guiding young adults towards a potential career in the fire and EMS field. In 2010, Scott applied for an opening in our fulltime staff and after a very competitive selection process was hired to complete the complement of our daytime staff. Scott's mechanical abilities complement Tammy's EMS expertise to provide the Department with a broad set of diverse skills, making a very effective team. Working together they demonstrate, with positive results, the value of teamwork and cooperation.

The Town is fortunate to have these employees demonstrating their extraordinary dedication to teamwork and to the highest ideals of public safety.

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF STATE REPRESENTATIVE NORMAN L. MAJOR **(A Message from Concord)**

I have been honored to have served the Town of Plaistow for the past 14 years as a State Representative. My legislative priorities include constituent services, maintaining a balanced budget for the state, education funding, environmental issues, and improving the climate for NH's small business community. I have been a staunch advocate of "truth in budgeting" as well as encouraging the Legislature to more fully consider the impact of proposed legislation on future generations.

There were 382 legislative bills passed in the 2010 New Hampshire legislative session out of approximately 1000 bills filed. The content of a few of the bills passed that will affect the lives of our citizens include:

- Prohibits a deliberative session meeting when the sole purpose of a special town meeting in an official ballot town is to consider a zoning change;
- Provide support to caregivers in their role as primary caregivers for aging family members.
- Adds riding bicycles to the permitted activities for which a landowner does not owe a duty of care to persons entering and using the property.
- Provides that no school building aid or alternative school building aid grants shall be made to school districts for projects approved on or after June 30, 2010 through June 30, 2011.
- Prohibits the mandating of fire sprinkler systems in certain dwellings and establishes a committee to study municipal residential fire sprinkler requirements.
- Prohibits a city, town, county, or village district from merging lots or parcels except upon application of the owner.
- Requires insurance for hearing evaluations, hearing aids, and the dispensing and fitting of hearing aids.

**Plaistow Representative
Norman Major**

The Legislature will continue to define and determine the cost of an *adequate education*, and a base cost for every student, with additional sums for special education students and English language learners and those who receive free or reduced lunches. At the post-secondary level, the Legislature oversaw the transition of the regional community technical colleges to a community college system.

An important issue that directly affects Our Community is the continuation of the Plaistow District Court. The state had planned to close the court this past year. An agreement was worked out with local officials, area police chiefs and local legislators to keep the court operating in Plaistow. The continued operation of this Court will be one of my high priorities. This should help revitalize this area and improve our economy. Legislation, at the request of the town, has been filed to exchange Haseltine Street for a section of NH 121A to improve traffic safety. I will continue supporting the town to resolve the issues concerning the BEEDE WASTE superfund site and expansion of the MBTA train service to Plaistow.

This legislative session I will be sponsoring or co-sponsoring a number of bills at the request of

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF STATE REPRESENTATIVE NORMAN L. MAJOR (Continued)

town officials, constituents or agency heads:

- Relative to nonresident registration of motor vehicles;
- Increasing the threshold amounts for taxation under the business enterprise tax;
- Relative to the carry forward periods for the business enterprise tax credit against the business profits tax;
- Relative to the standards and burden of proof with respect to the business profits tax deduction for reasonable compensation attributable to owners of partnerships, limited liability companies, and sole proprietorships;
- Requiring state agencies to submit an efficiency level expenditure estimate;
- Relative to exchanging Haseltine Street in Plaistow for a section of NH 121A;
- Relative to amendments to warrant articles;
- Relative to the business profits tax deduction for reasonable compensation;
- Relative to net operating loss carryovers under the business profits tax;
- Establishing a study committee to recommend a continuing revenue estimating process;
- Exempting certain rental income from the meals and rooms tax;
- Establishing a state infrastructure bank.

Senator Downing, Representative Major, Tim Moore and Commissioner Bald from the Department of Resources & Economic Development

I recently completed my tenth year on the House Ways and Means Committee, serving two years as Vice-Chairman, four years as Chairman and presently as Vice-Chairman. I am also serving as a legislative member on the following groups or committees:

- Chairman of the Rockingham County Delegation, 2007-present;
- National Council of State Legislatures Budget and Revenue Committee, 2002-present– Vice-Chairman, 2006 & 2007;
- American Legislative Exchange Council – Telecommunications & Information Technology Task Force, 2000-present;
- National Council of State Legislatures Streamlined Sales & Used Tax Committee, 2000-present;
- Pre-Engineering Technical Advisory Council, 2007-present;
- Great Bay Community College Advisory Committee, 2007-present.

Many challenges remain as our state faces increasing deficits due to declining revenues and rising costs in an increasingly competitive global economy. Your legislators in Concord will continue their efforts to meet these challenges, protect the NH Advantage that we have enjoyed within the region and build on past successes for the benefit of the citizens of NH.

New Hampshire has a unique advantage over other states in our region. Our state government is relatively frugal, our business climate is advantageous and our natural beauty and resources are second to no other state. I will continue working to maintain NH's position as one of the best places to live, work, and raise a family in the country.

Respectfully Submitted,

Norman L. Major, State Representative, (nlbem@comcast.net)

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE BOARD OF SELECTMEN

The Board of Selectmen is proud to work with our dedicated cadre of informed elected officials, a dedicated group of Town employees and involved citizens as we continually strive to improve our community. 2010 was a year of challenges, as Plaistow—like all cities and towns—has worked to respond to one of the worst recessions in our lifetime.

**Board of Selectmen and Town Manager
Present Citation to Raymond "The Mayor" Senechal**

These are challenging times for local governments to maintain quality services in light of revenue reductions caused by the downturn in the economy. However, we are committed to continue

to provide the type of community residents can take pride in and others seek to emulate. Just like Plaistow's families and citizens have been tested by today's economic times—in 2010 Plaistow's government has been tested. Not just financially—but on many fronts. I am proud today that 2010 was full of many important accomplishments and a great deal of hard work, and Plaistow is stronger, and more able to meet the challenges ahead.

Again this year, the Town and/or the Board were involved in numerous litigious situations; including significant meetings to protect the Town's interests with regard to the Beede Superfund site, many contract negotiations, and situations involving settlement discussions. All of these responsibilities take their toll on our bottom line, as these legal responsibilities all have an effect on our budgets. However, these efforts have also protected the rights and interests of Plaistow taxpayers.

Additionally, the Town is diligently pursuing all avenues of bringing in additional non-property tax revenues to Town and will never leave any avenue for recouping tax-payer funds unexplored.

New Garden Road Bridge Built with American Recovery and Reinvestment Act Related Funds

The Board continues to aggressively explore outside revenue sources, other than tax dollars and cell tower revenue will continue to increase due to an additional carrier that was added to the Tower this year.

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE BOARD OF SELECTMEN (Continued)

This brings the estimated revenue from the cell tower to approximately \$125,000 for 2011. Likewise, significant grants were obtained in 2010 to help Plaistow move forward on a number of important initiatives such as the repair of Town Hall's historic clock tower (\$10,000), the replacement of the Garden Road Bridge (\$600,000); major funding for the proposed Plaistow/MBTA project (\$8,400,000); federal funding for an additional Police Officer (\$230,000), and numerous other smaller grants that have helped Plaistow move forward with little impact to the taxpayers.

SUMMARY OF ACCOMPLISHMENTS

While 2010 was indeed challenging—it has also been a tremendous year filled with significant achievements and accomplishments for the Town that will also serve to be a strong foundation for continued success in 2011. The following is a brief summary of major accomplishments and efforts:

- The Town went out to bid for our Solid Waste Contract in 2010 and selected a new contractor at significant savings to the Town. It is estimated that the annual savings for the contract will save the Town over \$100,000 a year in cost associated with disposals.
- The Town has completed the construction of a new Cable Studio in the basement of Town Hall that will allow the Town to save over \$15,000 in annual costs that the Town had been paying to rent space for the studio.
- A new turning lane was installed at the intersection of Westville Road and Route 125 to improve traffic flow. The cost associated with this roadway improvement was borne by the developers of the new Right Aid Pharmacy being located at the intersection of Route 125 and Westville Road that is slated to open for business in the spring of 2011.
- The Town received a \$10,000 grant from the NH Division of Historical Resources to fund the repair of the Town Hall's historic clock tower. (These funds will be matched with a generous \$20,000 donation made by a private citizen, Donald Sargent).
- Town of Plaistow was one of a few communities in NH to apply for and receive an American Recovery Reinvestment Act (ARRA) related grant for the replacement of Garden Road Bridge—the grant saved Plaistow taxpayers over \$500,000 and allowed the Town to replace a very dangerous NHDOT red-listed bridge.
- The Town of Plaistow continued to advance strategies to support the newly established Economic Revitalization Zone (ERZ) along Route 125 to help bring higher paying jobs to Plaistow.

**Selectman John Sherman and
Town Manager Sean Fitzgerald**

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE BOARD OF SELECTMEN (Continued)

- Many high level meetings that were held in Plaistow in 2010 including:
 - Many Meetings with the Town’s legislative representatives.
 - Commissioner Bald from NH Department of Resources and Economic Development.
 - Commissioner Campbell from the NH Department of Transportation.
 - Congresswoman Carol Shea Porter.
- The Town’s Highway Department continued to assume greater landscaping duties and responsibilities for Plaistow Area Recreation Complex (PARC) saving the Town thousands of dollars.
- Town officials continued to explore the possibility of establishing an MBTA commuter rail station in Plaistow. To assist with these efforts, the Town received a \$30,000 technical assistance grant from the Rockingham Planning Commission to help coordinate a successful \$8,400,000 Congestion Mitigation Air Quality grant.
- The Town was successful in obtaining a \$232,000 Community Orientated Policing (COPS) Grant to hire an additional police officer with

Selectman Blinn and State Representative Major at the Garden Road Bridge Dedication Ceremony

Selectman Gray at the World War II Veteran's Ceremony on Memorial Day

little impact to Plaistow taxpayers.

- The Town celebrated its second annual Arbor Day, a nationally-celebrated observance that encourages tree planting—two trees were planted on the campus of the Plaistow Library.
- The Town was awarded first place for our *2009 Annual Report Award* from the NH Local Government Center that highlights excellence in the production of an annual report.
- The Board of Selectmen established the Plaistow First Committee in to help address a number of important concerns regarding land use in Plaistow. The Committee has been meeting regularly and has made some important recommendations to better define the potential of Plaistow's town owned lands.
- The Board of Selectmen reestablished a Plaistow Seniors Affairs Committee to help address the concerns of Plaistow’s senior citizens.
- Plaistow commemorated September 11th with another special remembrance ceremony held at Pollard Park. The program featured remarks from representatives of the Plaistow Fire Department, Representative Norm Major, and the Board of Selectmen. (**Please Note:** September 11, 2011 will mark the 10 year anniversary of the attack on our Nation and the Town is planning a special memorial commemoration.)

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE BOARD OF SELECTMEN (Continued)

RUTH JENNE

In November of 2011, to everyone's surprise, Ruth Jenne, venerable Secretary of the Board of Selectmen, passed away at the age of 86, after over 50 years of dedicated service to Plaistow's citizens. She was integral in the daily operations of Town Hall and to every department within Town government. She had the largest heart of anyone that we have ever known, as her care for the welfare of others took the number one priority in her life. In every way, Ruthie always put the people of the Town of Plaistow first and herself last. Ruthie represented the best that Plaistow has to offer. While we miss her terribly, the Board of Selectmen is planning on a formal memorial in 2011 that will appropriately pay tribute to Ruthie's extraordinary example of public service to the citizens of Plaistow.

Ruth Jenne worked for the Town of Plaistow for over 50 years.

CLOSING

In closing, the Board of Selectmen would like to thank the many people that help manage Our Community. Without the help and assistance of the many dedicated volunteers that serve on the various Town boards, committees and commissions, it would not be possible to complete the important work that keeps Our Community operational. The Board wishes to further acknowledge the hard work of our many dedicated employees that keep the home fires burning while the residents go about their busy lives.

I would encourage all the citizens in Plaistow who make Our Community a special and inviting place to live, raise families, work, and call home, to again carry the extraordinary spirit of 2010 forward to help achieve our highest potential in 2011.

Respectfully Submitted,
Daniel J. Poliquin, Chairman

Board of Selectmen, Town Manager and State Representative Norman Major present a Birthday Citation to WWII Veteran and former Selectman Tom Cullen.

Public Library (10 years)	@ 4.474	1,710,000	382,527	2,082,527

From the Report of Board of Selectmen: “... The town was prepared for Y2K problems but when Bill Scully, Emergency Director, called the state at 12:00 am and found everything was working, as it should, we all breathed a sigh of relief..”

“... In March the town voted to hire two full time firemen. This was a landmark decision. After applications were received and necessary tests finished, Fire Chief Donald Petzold presented the two candidates to Selectmen for approval. Jon Lovett, who had been chosen the “Paramedic of the year for Merrimack Valley” and EM2 Chad Putney were hired, effective September 5, 2000.”

“Water Tower Rental: Telecommunication Companies are now renting space on the water tower, which brings monthly fees to the town;”

“... Vanessa Underwood and Barbara Hobbs organized “Plaistow Pride Weekend” in May. The purpose was to clean the streets and they received cooperation from organizations and residents. It made a big difference in the town’s appearance and we hope it will become an annual event.”

“... The Board is pleased that John F. Scruton accepted our proposed agreement. He was unanimously hired as Town Manager, effective December 28, 2000.”

From the Report of the Conservation Commission: “... Over the past 4 to 5 years we have been working with a forester, Charles Marino, to develop a forest management plan for our Town owned properties. The plan was completed in the spring and presented to the Selectmen and Planning Board. Weather permitting the timber harvest from the first compartment, an area of approximately 78 acres out of a total of 250 acres, with get under way before the end of 2000.”

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

EXCERPTS FROM PREVIOUS TOWN REPORTS (Continued) **From Our Community in 2000**

“... At last year’s Town Meeting we sponsored a warrant article to set up a conservation/forestry fund that will allow forest revenues and change of use land tax penalties to be placed in the fund.”

From the Report of the Librarian: “ ... The Board of Trustees proudly presented the new library to the people of Plaistow at the official dedication on June 24, 2000. Family members of Mary and William Nelson, Elizabeth and Robert Bleiler and family attended the dedication and shared their memories of the Nelsons with those gathered to celebrate the library opening. Vivian Crockett, Librarian in Plaistow from 1957 to 1972, was able to attend the ceremonies, thus prompting the Selectmen to officially declare June 24, 2000 “Vivian Crockett Day”! Jeanne Shaheen, Governor of New Hampshire, also attended the dedication and had the honor of cutting the ribbon and inviting the public to tour the library and have refreshments. It was a wonderful day to celebrate the completion of the beautiful new building and to acknowledge those responsible for our success.”

From the Report of the Assessor: “ ... Adjusting property assessments annually moderates shifts in taxes normally associated with full revaluations. Proceeding in this manner also does away with the need for costly and contentious full revaluations such as we had in 1987 and 1999. While currently the market is increasing, causing us to look at increasing assessments, this annual assessment program requires us to decrease assessments if the market begins to fall. The idea behind these annual updates, beyond moderating sudden shifts in property taxes, and doing away with the need for full revaluations, is that these updates ensure that each taxpayer is paying their fair share of property taxes each year, not just when a full revaluation occurs...”

From the Report of the Building & Code Enforcement Officer: “... As the year 2000 nears an end the Inspections Office continues to witness an abundance of construction. New residential construction remains steady at 15 and is expected to remain steady in the upcoming year. Pools, decks, sheds and remodels remain the majority of permits issued by this office.”

From the Report of the Health Department: “... Several times this year, the NH Department of Health and Human Services in conjunction with the CDC sponsored workshops on bioterrorism. There is a growing concern among health professionals as to the effects of the potential use of bioterrorist activities and the impact it would have on public health.”

From the Report of the Highway Department: “... We cut brush along the sides of the roads for about 250 hours. This is mostly done for sight distance at intersections & visibility of signage. Due to wet to sunny weather conditions this year, the brush has grown out of control. What did not get cut in 2000 we hope to do in 2001.”

Respectfully Submitted,
Citizens of Plaistow, 2000

<u>LONG TERM NOTES</u>	<u>Terms</u>	<u>Remaining Principal</u>	<u>Remaining Interest</u>
Fitzgerald Public Safety Complex	15 years @ 8.07	750,000.00	345,482.34
Landfill Closure Construction	10 years @ 7.029	600,000.00	171,825.00
TOTAL DEBT		1,867,307.34	

From the Report of Board of Selectmen: “... As we enter the decade of the nineties, we are certain that it will be remembered as one of challenge, creativity, as well as one of cooperation. Public officials faced challenges during 1990 that have been unsurpassed for many, many years. The decline of the real estate market, increasing fuel and utility prices, reduced state and local revenues, the demise of numerous businesses within the community and massive loss of jobs in the New England region have all contributed to the snowball effect on the economy of each community.”

From the Report of the Town Manager: “... The signs of the difficulties are all around us; from the frightening volume of foreclosures listed on a weekly basis in our newspapers, to the alarming vacancy rate in our commercial areas, to the increasing percentage of property taxes that are going unpaid...”

“... The negotiation of our new contract for the collection, transportation and disposal of our solid waste concluded in early 1990 and became effective in mid-February. This contract contains a “tipping fee” of \$37.50 for each ton of refuse collected; a figure which is the envy of communities not only in our immediate area, but also regionally. In an effort to further reduce expenditures for this service, and at the same time help preserve our natural resources and protect our environment, a recycling program was designed and in mid-May, implemented. As discussed elsewhere in this document, in this way we have removed approximately 31 tons of material from the waste stream (in addition to approximately 100 tons of “scrap metal” and “white goods” which also were recycled) during the last seven months of the year. As time has passed, the rate of recycling participation has increased. I encourage all citizens to join in this effort to reduce our expenditures and help the environment.”

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

EXCERPTS FROM PREVIOUS TOWN REPORTS (Continued) **From Our Community in 1990**

From the Report of the Highway Department: "... Brush Cutting: The trees, limbs and underbrush were cut along side of 10 miles of roadway this year. This is done to allow the hot top crews to do their work, so that the trees don't damage the windows of vehicles and so that snow may be pushed further off of the roads."

From the Report of Welfare Administration: "... I would like to thank two ladies who are instrumental in supporting the Clothes Closet (I refer to it as Filene's Basement North) in the basement of the town hall. First, there is Tammy McSheehy who gave birth to the idea, and Margo Collins who delivered the materials and installed the clothing racks. And, adding to the success of the program, we thank the Girl Scouts and Boy Scouts who carried bags of clothing to the cellar, and sorted them; and the youthful participants of the Family Mediation Program who keep the area neat and tidy, folding and refolding the many donated items."

From the Report of the Librarian: "... The number of people who came into the library for services in 1990 was up by over 2,500 from the previous year and the focus on their needs had changed with the times. The library became a daily stopping point for many in search of want ads or a quiet place to write a resume, and the increased number of requests for job related materials was noticeable."

From the Report of the Highway Safety Committee: "... the proposed construction of a Shaw's market is on hold, due to litigation; however the Highway Safety Committee hopes that this is cleared up soon so that the proposed improvements to Route 125 in the Cedarbrook Plaza area can go forward – improvements that will greatly increase safety and reduce the accident frequency."

From the Report of the Plaistow Area Transit Advisory Committee: "... Our first job was to find out if there were enough people out there who would ride a commuter train from the area. With the help from the New Hampshire Department of Transportation and the Rockingham Planning Commission, this ridership survey was quickly formed and completed in August. The survey showed that there is widespread support for commuter service and our work went forward."

"... Although we would like to report that commuter rail service between Plaistow and Boston is a reality, we feel that service could be in place within a couple of years, if not sooner."

From the Report of the Water Department: "... At the end of 1990, a major water line project was started. The start of the Westville bridge project was also the beginning of the water line extension. The waterline portion of the project should be completed this year. It is encouraging to see continuous progress on a system that will, at some point provide both fire suppression and potable water to a major portion of."

EXCERPTS FROM PREVIOUS TOWN REPORTS (Continued)
From Our Community in 1980

On the Cover: A sketch of the Town Hall and elm tree.

Article 6. “ ... To see if the Town will vote to raise and appropriate a sum of money for the purpose of remodeling the LaGasse Building to house the Town’s Police and Fire Departments. The money is to be raised by general obligation bonds in an amount not to exceed Five Hundred Fifty Thousand Dollars (\$550,000.00) under authority of RSA 33. (By Petition.)

Article 13. “ ... To see if the Town will vote to authorize the Board of Selectmen to create a Plaistow Housing Authority under the provisions of Chapter 203 of the Revised Statutes Annotated entitled the Housing Authorities Law.”

Article 15. “ ... Shall we adopt the provisions of RSA 72:70 for a property tax exemption on real property equipped with a wood heating energy system which exemption shall be in the amount of \$100.00.” (By Petition.)

Article 18. “ ... To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000.00) for initiating a Conservation Commission Land Acquisition Fund as provided under RSA 36:4 and RSA 36:5. No monies accumulating in this fund will be expended without a vote of the Town at either an annual Town Meeting or a special Town Meeting.” (Recommended by the Budget Committee).

<u>Total Gross Valuation Before Exemptions</u>	\$53,752,497.00
War Service Tax Credits	none listed

Statement of Bonded Debt:

<u>LONG TERM NOTES</u>	<u>Terms</u>	<u>Remaining Principal</u>
Highway	5 years @ 5.15%	10,000.00
Water Extension	10 years @ 5.8%	30,000.00
Library	5 years @ 4.5%	<u>15,000.00</u>
	TOTAL	55,000.00

From the Report of Board of Selectmen: “... Much of our work in the past year has been devoted to rationalizing procedures in town government. The board has developed, adopted and instituted a formal personnel plan for town employees. The plan includes a personnel manual. Job descriptions and position classifications, a salary and wage matrix on which all employees are placed, and an evaluation plan. Using the evaluation plan, employee performance was fairly reviewed and those rated high were awarded merit increases in salary.”

“... The selectmen have accepted the EDA funded waterline. This project extends fire protection services available to homes, businesses and public buildings in the center of town.”

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

EXCERPTS FROM PREVIOUS TOWN REPORTS (Continued) **From Our Community in 1980**

“The board and town officials met with officials from Haverhill, Massachusetts to discuss traffic problems on Route 125.”

“... In recognition of his many contributions to the town, Earl Smith was honored by the dedication of the recreational field in his name.”

“... One of the Board’s goals for 1981 has already been accomplished at this writing. The town has purchased property atop Sweet Hill Road from Mrs. Sophie Gritzko. The property may eventually be used for water storage and pressure purposes. We are now studying water quality and acquisition of land for water storage and conservation purposes.”

“... We are especially pleased that a private developer has begun construction of housing for senior citizens. More facilities of this type and other subsidized housing will be goals for the Board in 1981.”

From the Report of the Police Department: “... I have been chief for eight years and during this time the town has grown not only in population but in number of residences and businesses. The traffic flow from Route 125 is at times almost bumper to bumper from the state line to the Kingston line. A great deal of department time is spent in this area handling accidents and incidents at businesses.”

From the Report of the Fire Department: “... We were most fortunate in that only 18 chimney fires occurred in spite of the greatly increased use of wood stoves. The cooperation of wood stove users and the diligent work of our inspection division headed by firefighters Don Sargent, has been a major factor in keeping this type of fire to a minimum. Proper installation and inspection of wood stoves and the periodic cleaning of chimneys is essential in the prevention of fire from this source. Don is to be congratulated for his work in this area.”

From the Report of the Highway Department: “... During 1980 the Highway Department will be undertaking several ambitious projects. These include oiling approximately 10 miles of road, extensive drainage projects, and another portion of Greenough Road will be reconstructed. ... “

From the Report of Civil Defense: “... The state has given much emphasis to the evacuation of towns within a ten mile radius of Seabrook, in the event of a melt-down of the nuclear plant there. Plaistow is outside this ten mile radius and therefore not included in these plans. Plaistow, however, would become a “host” town in the event of an evacuation from Seabrook, or from the Metropolitan Boston area.”

From the Report of the Librarian: “... Laurie Houlihan was appointed Assistant Librarian in January.”

On the Cover: A picture of the Plaistow Elm and Town Hall.

Article 11. "... To see if the Town will vote to raise and appropriate the sum of Eight Thousand Dollars (\$8,000.00) for the construction of a four (4) foot wide hot top sidewalk with a curbing on Greenough Road from the Danville Road to the Timberlane High School. (Not recommended by the Budget Committee) ... "

Total Gross Valuation Before Exemptions	\$14,508,354.00
War Service Credits	Not listed

From the Report of Board of Selectmen: "... There were 412 veterans exemptions, 4 totally disabled exemptions and one blind exemption for a total of \$22,872.46."

"... We regret to inform you that the proposed Plastic Plant planned by Raymer Plastics in the vicinity of Kingston Road, for which the town voted a \$40,000.00 bond issue, has been forced to be delayed due to the present economic climate."

From the Report of the Fire Department: "... The hydrant system has been inspected, and has been found to be in good working order. We had the N.H. Fire Underwriters look at the hydrant system, to approve it for a reduction in fire insurance for buildings within 600 feet of a hydrant. A letter has been received stating final approval will be forthcoming."

From the Report of the Highway Agent: "... In 1957 there were fifty-four streets in Plaistow. At the end of 1970 there were a total of ninety-eight. Eleven of these new streets totalling approximately seven miles were accepted during 1970."

From the Report of the Tree Warden: "... The "Town Elm" apparently contracted the Dutch Elm disease this past Summer. An effort was made to halt the disease from spreading throughout the tree by removing the infected branches however it is realized that such attempts are usually in vain. Some removal of dead branches was accomplished this Summer although if the tree should survive the Dutch Elm Disease, there is considerable more work to be done on the tree if it is to remain for many more years. At best, its life is very limited. "

From the Report of the Planning Board: "... Three subdivisions have been approved. The following streets have been accepted by the board: Culver, Linwood, Auburn, Dalton, Dundee Drive, Shady Lane, Brentwood, Upper Road, Little Nook, Greystone, Sequoia, Starn Avenue and Autumn Circle."

"... Our close proximity to route 495, and the distinct possibility of a connector the route 495, portends an increasing rate of growth for Plaistow. The Board recognizes the need for the planning of town water and sewer to meet this growth. Protection of watershed areas must be provided while they still are available."

Cover: Drawing of a gate with the caption “Town of Plaistow- Gateway to Scenic New Hampshire”. (SCENIC used to be on New Hampshire License Plates- before Live Free or Die.)

Article 11. “... To see if the Town will vote to authorize appointment of a Recreation Commission, to serve without compensation, to consist of five Plaistow citizens, and to be responsible for control and direction of maintenance of the War Memorial Recreation Area and for the scheduling and supervision of its uses...”

Article 12. “... To see if the Town will vote to adopt the provisions of the Municipal Budget Law.” (BY PETITION)

Article 13. “ ... To see if the Town will elect a Budget Committee after the first year.” (BY PETITION)

Article 20. “ ... To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for improvement of water holes.”

Total Gross Valuation Before Exemptions	\$5,053,386.00
Soldiers’ Exemptions	283,325.00
Number of Veterans Who Received Property Exemptions	285

From the Report of the Board of Selectmen: “ ... Because of the outbreak of thefts and breaks into business establishments, the Selectmen ordered a nightly patrol by the Police of the Town.”

“... An ordinance which was recommended by the Chief of Police to register bicycles was adopted.”

“... We installed a new system for bookkeeping to keep record of valuations. This system took considerable time to set up this year but in years to come it will save countless hours. Numerous towns have made inquiry and have contacted us and Cybernetics, Inc., the firm that did the machine work for the Town.

An example of the work it will save us is in the fact that the old hand method of doing the “Blotter Book” which took two to three weeks to do is done in about one and one half hours. The Tax Collector’s Warrant which was actually a copy of the “Blotter Book” which was done by hand is done at the same time. The Tax Bills which took the Collector some two or three weeks to type are done by this machine in about an hour. This machine will free the selectmen of the hand, time consuming work and give them more time to treat other problems.”

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE TOWN MANAGER

It is both a pleasure and honor to submit my 2010 town report. As I enter my third year as Plaistow's Town Manager, I continue to be inspired by the challenges and opportunities facing Our Community. Many of Plaistow's elected officials and municipal employees have been busy working on projects and initiatives in 2010 that have been helping Plaistow meet its civic potential.

As the "Gateway to Southern New Hampshire", Plaistow is an extraordinary community of citizens who invest in their community by offering their time and resources. An example is the wonderful turn out the Town had on Memorial Day in 2010. Hundreds of Plaistow Citizens—young and old—turned out to honor our WWII veterans as part of our yearlong celebration of the 65th ending of WWII. Throughout the year, the Town made special efforts to show these men and women who served Our Community our deepest gratitude.

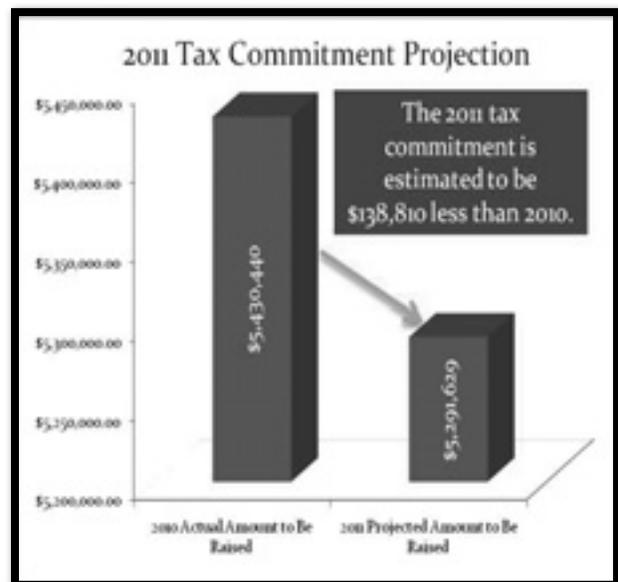

Town Manager Sean Fitzgerald at the World War II Veteran's Ceremony

2010 BUDGETARY CHALLENGES

2010 has been another "stormy" year, weather-wise as well as budget-wise. The Town continues to deal with significant losses in State aid and budgetary challenges. All Town Departments have worked hard to make reductions to cost items in their budgets and have sought ways to save dollars wherever possible. In today's challenging economic times, Plaistow's fiduciary stewardship has kept us focused on leveraging every dollar. While we have tightened our belts like many to stretch your tax dollars, we have also avoided financial peril through conservative revenue forecasting and responsible budgeting. To this end, Town staff has been aggressively pursuing state and federal grant opportunities that will allow the Town to move forward on important initiatives, while minimizing the impact to Plaistow taxpayers.

The 2011 budget, which has undergone rigorous analysis by the Board of Selectmen and Budget Committee, calls for a slight increase. A number of increases are related to contractual or legal obligations. Additionally, the Town received a 2010 Community Policing Grant (COPS) grant and while the 2010 Police budget increases slightly, the Town will offset this increase with grant funding—not through property taxes. It is also important to note that the 2011 tax projection is estimated to be

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE TOWN MANAGER (Continued)

\$138,810 less than 2010. It is important to recognize that while these are difficult times, the Board of Selectmen, Budget Committee, Capital Improvement Committee and Town staff, are taking responsible steps toward maintaining excellent financial condition without significant impacts to the quality of our services and the fees and taxes we rely on to support those services Plaistow residents count on.

REPLACEMENT OF THE GARDEN ROAD BRIDGE (WWII MEMORIAL BRIDGE)

Even in light of the economic recession, Plaistow’s government continues to maintain municipal services and programs and preserve Our Community’s quality of life. To this end, in 2010, the Town successfully applied for and received over \$500, in federal economic stimulus dollars to fund repairs to the Garden Road Bridge. I am pleased to report that the bridge was constructed on time and on budget—with no delay claims or significant deficiencies in workmanship. The general contractor for the project was Merrill Construction. Town staff managed the project through pre-construction meetings until completion of the project. The project began on May 13, 2010 and continued from May through November of 2011.

Town Manager, Sean Fitzgerald looks on as Selectmen John Sherman speaks about the Garden Road Bridge Dedication

In November, the Board of Selectmen dedicated the new bridge in honor of the men and women of Plaistow who nobly and bravely served in World War II. The Town held a well attended dedication ceremony on the new WWII Memorial Bridge where Town and State officials, and many WWII veterans, participated. Pollard Elementary School and Timberlane Regional High School students assisted with a small musical program (Taps/God Bless America). The Plaistow American Legion Color Guard and Firing Squad concluded the dedication with a 21 Gun Salute in honor of all of WWII heroes.

MAIN STREET TRAFFIC CALMING STUDY

In 2010, the Town finalized a report prepared by Rockingham Planning Commission to study how to calm traffic on Plaistow’s Main Street. This study examined the existing conditions and proposed specific enhancements and recommendations to address identified public safety concerns. In addition to the overall goal of enhancing Main Street as a destination within the Town of Plaistow, there are some more specific transportation related objectives of the study and areas where recommendations have been offered that will help with:

- Reducing vehicle speeds on Main Street
- Improving the environment for pedestrians
- Redirect heavy vehicles to Route 125 where possible

One proposed improvement alternative included in the Main Street Traffic Calming Study

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE TOWN MANAGER (Continued)

With the completion of this report, the Town can now proceed with evaluating the strategies to help secure funding and perhaps even implementation of a number of recommendations to help create a safer, more vibrant "Village Center" in Plaistow.

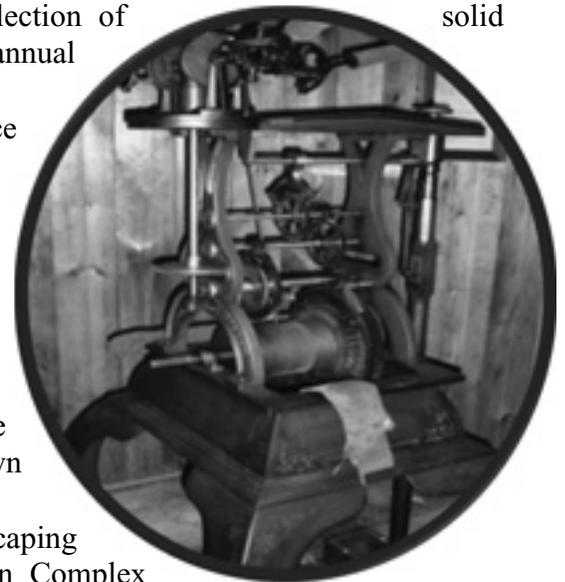

STATE HIGHWAY PROJECT (ROUTE 125 WIDENING)

Programmed improvements to the next segment of Route 125, estimated at over \$10,000,000, are scheduled to occur over the next two years, has required continuous coordination and planning between the Town and NH Department of Transportation. The Town has maintained an active dialogue with NHDOT concerning local priorities with frequent meetings conducted to discuss local needs and priorities. This major investment in Plaistow will help bring increased attention to the extraordinary opportunities to help ensure Route 125 can support responsible economic development in Town.

SUMMARY OF ACCOMPLISHMENTS

While 2010 was indeed challenging—it has also been a tremendous year filled with significant achievements and accomplishments for the Town that will also serve to be a strong foundation for continued success in 2011. Positive things continue to happen Plaistow—the following are a few additional accomplishments:

- The Town went out to bid for our solid waste contract in 2009 and selected JRM Recycling as the new solid waste/recycling contractor. The cost for collection of solid waste went from \$82 per ton down to \$68 per ton—an annual projected savings of over \$100,000 to the Town.
- During 2010, the Town of Plaistow continued to advance strategies to support the newly established Economic Revitalization Zone (ERZ) along Route 125 to help bring higher paying jobs to Plaistow.
- The Town received a \$10,000 grant from the NH Division of Historical Resources to repair the Town Hall clock tower.
- The Town has completed the construction of a new cable studio in the basement of Town Hall that will allow the Town to save over \$15,000 in annual costs that the Town had previously been paying to rent space for the studio.
- The Town's Highway Department assumed the landscaping duties and responsibilities for Plaistow Area Recreation Complex (PARC) saving thousands of dollars—in 2009. These operational efficiencies continued in 2010 as the highway staff assumed additional landscaping/facility responsibilities for Town properties.
- The Town avoided having to take a tax anticipation note in 2010 as a result of strategically managing cash flow; saving the Town over \$26,000 in interest and finance charges.

**The mechanism that runs
Town Hall's Historic Clock**

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE TOWN MANAGER (Continued)

- The Town celebrated its second annual Arbor Day, a nationally-celebrated observance that encourages tree planting—two trees were planted on the campus of the Plaistow Library.
- The Town continued to negotiate with Cellular companies looking to locate on the former water tower in 2010 and secured a very favorable contract that will bring in significantly more annual revenue as well as a onetime capital commitment for the Cell Tower's capital maintenance
- Plaistow commemorated September 11th with another special remembrance program held at Pollard Park.

LOOKING FORWARD

As Plaistow looks to 2011, there are many exciting initiatives that will keep Town staff busy. As a community and as Town employees, we will look to build on the successes of the past, while keeping mindful of all the hopes and expectations that have been outlined in Plaistow's Master Plan. Many of these goals and expectations center on a strategic plan to better coordinate proper land use, community preservation, recreation, housing, capital needs, transportation, civic, and community planning goals to ensure that we will be building a stronger, more responsive, more sustainable Plaistow for both current and future generations.

As always, if you have any questions or concerns I hope you will contact me at Town Hall at 603-382-5200 or email me at: sfitzgerald@plaistow.com. I would encourage all the citizens in Plaistow who make Our Community a special and inviting place to live, raise our families, work, and call home, to again carry the extraordinary spirit of 2010 forward to help achieve the highest potential in 2011.

Ruth Jenne, Sean Fitzgerald and Audrey Deprospero

I would also like to take this opportunity to recognize and thank Audrey Deprospero, Administrative Assistant to the Board of Selectmen and Town Manager for all the extraordinary things she does—day in and day out—to help her colleagues and serve the citizens of Plaistow. Without her help and coordination of our very busy office, many of the important responsibilities and successes over the last year would be simply impossible.

In closing, while our hearts are still broken at the loss of our dear friend and colleague Ruth Jenne, I know that Audrey and I will always cherish the honor and privilege of working side by side with such a kind and wonderful public servant over the last few years.

Respectfully Submitted,

Sean Fitzgerald
Town Manager

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

MEETING RESULTS OF THE JANUARY 30, 2010 DELIBERATIVE SESSION

The meeting took place on a cold clear Saturday with about 25-30 town residents in attendance along with 24 board members. Barry Sargent, Town Moderator, opened the meeting at 9:03am with the Pledge of Allegiance to the Flag.

Barry announced to the assembly that it would be last Deliberative Session as he decided to retire from this position did not sign up to run again for Moderator. He shared with the audience that he has served for the past 23 years and it was time to move on. He also stated that he would probably retire from his regular job next year. The first time he first ran for Moderator was in 1986 against Cliff Cook, who had served as Moderator about 30 years. Barry lost in a landslide. The reason he ran was because Cliff's health was failing and within a year Cliff had to resign and Barry was appointed.

Barry received a standing ovation from the body in appreciation of his many great years of service.

Next, Barry mentioned the there were a number of hand-outs that everyone should have. He discussed that he would be using Roberts Rules of Order as a guide. Then he asked non-voters to sit on the left side of the room and read the names of the non-voters who wished to speak. A motion was made by John Sherman to allow them to speak and seconded by Bob Gray. A vote was taken and all were allowed to speak.

Barry then began the business part of the meeting by reading the Invitation to the Inhabitants to join the Deliberative Session and again to complete the meeting by voting on March 9, 2010.

P-10-A: Motion: Martha Sumner, second: John Sherman, presented: by Kristin Lewis-Savage.

Kristin mentioned to the public that they would notice that actual expenses for 2009 are lower than the budgeted amount for 2009. The amount of the 2010 Budget is back to the budgeted amount and not lowered. With careful spending in 2009 many items were put off and in 2010 the Town will move forward with those items. She reminded the public that we can't keep putting things off as doing so would impact our streets and other public safety issues.

It was also mentioned that salaries are down in all departments due to the fact that in 2009 we had a 53rd pay week. The total 2010 Budget is down 1.1% from the 2009 Budget.

Bob Gray put forth an amendment to add \$30,000 to be used for additional snow and ice removal. Due to the stormy January a large amount of the 2010 Snow Removal Budget was already spent. The amendment was seconded by Kristin Lewis-Savage. Bob Gray stated that we spend about \$50,000 per month for snow removal which breaks down to about \$1500/hour.

Jason Hoch stated that the Town can't add money to a specific line, only to the bottom line of the budget which would make the Total Budget \$7,328,045.

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

MEETING RESULTS OF THE JANUARY 30, 2010 DELIBERATIVE SESSION (Continued)

Mr. Bell asked what happens to the funds if they aren't needed for snow removal? John Sherman stated that they would roll into the General Fund.

A vote was taken to accept the amendment and passed.

P-10-A will appear with the amended bottom line budget total of \$7,328,045.

P-10-B: Motion: Kristin Lewis-Savage, second: Michelle Curran, presented: by Chief Steve Savage.

Deliberative Session 2010

Public Safety Building was built in 1985; space and security issues are a big concern. Different locations for a new Police Department have been discussed, as well as looking at a standalone building at the same location.

A vote was taken and P-10-B will appear as written.

P-10-C: Motion: John Sherman, second: Dan Poliquin, presented: by John Sherman.

In the past the Town has deposited \$62,000 into this fund, in 2009 there was no deposit, therefore this year the amount has increased to \$66,000. The next anticipated purchase will be a dump truck in 2011.

A vote was taken and the amendment passed.

P-10-C will appear as amended.

P-10-D: Motion: Bob Gray, second: Michelle Curran, presented: by Bob Gray.

P-10-E: Motion: Michelle Curran, second: Dan Poliquin, presented: by Michelle Curran.

P-10-F: Motion: Joyce Ingerson, second: John Sherman, presented: by John Sherman.

P-10-I: Motion: John Sherman, second: Kristin Lewis-Savage, presented: by John Sherman.

P-10-J: Motion: Michelle Curran, second: Dan Poliquin, presented: by Michelle Curran.

P-10-K: Motion: Michelle Curran, second: Jill Senter, presented: by Michelle Curran.

P-10-L: Motion: Michelle Curran, second: Dan Poliquin, presented: by Ralph Bolduc.

P-10-M: Article was not read nor discussed.

The meeting adjourned at 1:15pm.

Respectfully Submitted,
Maryellen Pelletier, Town Clerk

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

MEETING RESULTS OF THE MARCH 9, 2010 TOWN MEETING

Election Day turned out cloudy, breezy but into the 40's all day. We had a big turnout in campaign workers as the ballot had several races for the first time in a couple of years. There was also a very active write in campaign for the position of Moderator.

This election was the last official service of our current Moderator, Barry Sargent, who retired after 23 years. He took a few moments at the poll opening to thank all of his loyal workers for their help in the past. The polls where then opened with a Pledge of Allegiance to the Flag and the swearing in of the ballot clerks.

Voter turnout was average for Plaistow with 1034 votes cast, a total of 16% of the registered voters.

2010 ANNUAL REPORT

IMPACT FEES DEFINITION AND 2010 FEE SCHEDULE

An "impact fee" means a fee or assessment imposed upon development, including subdivision, building construction, or other land use change, in order to help meet the needs occasioned by that development for the construction or improvement of capital facilities owned or operated by the municipality, including and limited to water treatment and distribution facilities; wastewater treatment and disposal facilities; sanitary sewers; storm water, drainage and flood control facilities; public road systems and rights-of-way; municipal office facilities; public school facilities; the municipality's proportional share of capital facilities of a cooperative or regional school district of which the municipality is a member; public safety facilities; solid waste collection, transfer, recycling, processing and disposal facilities; public library facilities; and public recreational facilities not including public open space. Impact Fees must be used within six years of imposition, or must be returned to the developer.

1. School District Impact Fees

<u>Units in Structure/Building Type</u>	<u>Fee Assessment Per Unit</u>
Single-family detached (single-family house)	\$2,916.00
Single-family attached (condo or townhouse)	\$1,899.00
Duplex (2-unit)	\$2,269.00
3-4 Units (condo or apartment)	\$1,812.00
5+ Units (condo or apartment)	\$1,057.00
Manufactured Housing	\$1,795.00

2. Recreation Impact Fees

<u>Units in Building Type</u>	<u>Fee Assessment Per Unit/Bedroom</u>
Single-family detached (single-family house)	\$469.54
Single-family attached (duplex, condo or townhouse)	\$469.54
3+ Units (condo or apartment)	\$469.54

3. Public Safety Impact Fees

<u>Type of Land Use</u>	<u>Cost</u>	<u>Unit</u>
Residential	\$1,478.00	Per Residential Unit
Industrial or Commercial	\$1.01	Per Square Foot

4. New Road Impact Fees

\$5.00 Per Linear Foot of Additional Public Road

5. Water Line/Fire Suppression Impact Fees

\$2.00 Per Square Foot of Commercial, Industrial, Multifamily, PRD Residential Development Projects

6. Route 125 Impact Fee

This was repealed at the 2006 March Town Meeting

Respectfully Submitted,
Leigh Komornick, Town Planner

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

CURRENT USE DESCRIPTION AND INVENTORY

Started in 1973, the current use program is an extremely important mechanism for keeping open land open. It does not, however, provide any long term protection from the future development of this land.

New Hampshire’s Current Use Law (NH RSA 79-A) allows qualifying land to be taxed according to its current, rather than its potential use. Without the Current Use program, all open land regardless of the owner’s intent for future use would be assessed and taxed at full market value. In many cases this would have the effect of forcing landowners to sell their property to escape high property taxes. Inevitably this would mean losing much of this land to development, most likely in the form of residential subdivisions. Current Use assessment typically reduces property taxes assessed on undeveloped land by more than two-thirds and is vital to the preservation of open space in the region.

The March 2000 Town Meeting voted to put the “Land Use Change Tax” into the Conservation Fund. The “Conservation Fund 36-A” may be used for land or easement acquisition, or for any other purpose for which the Conservation Commission Fund was established under NH RSA 36-A allows, such as resource inventories, management of Town lands, etc. The 36-A Fund requires approval of both the Conservation Commission’s and the Board of Selectmen’s approval for withdrawal of these funds. This fund has approximately \$54,706.66 as of December 31, 2010.

Category	2009	2010	Difference	% Change

INDEPENDENT AUDITORS' REPORT

To the Board of Selectmen
Town of Plaistow, New Hampshire

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Plaistow, New Hampshire, as of and for the year ended December 31, 2009, which collectively comprise the Town's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Town of Plaistow's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

Management of the Town of Plaistow has not adopted GASB No. 45, *Accounting and Financial Reporting by Employers for Postemployment Benefits Other Than Pensions* (OPEB), and accordingly has not reported the related liability and expense on the government-wide financial statements nor has the required supplementary information, *Schedule of Funding Progress* been included in these financial statements. Accounting principles generally accepted in the United States of America require that the OPEB liability be reported which would increase liabilities and expenses and decrease net assets and change the expenses in the government-wide financial statements. The amount by which this departure would affect the liabilities and expenses, and net assets and revenues of the government-wide financial statements is not reasonably determinable.

In our opinion, because of the effects of the matter discussed in the preceding paragraph, the financial statement referred to previously do not present fairly, in conformity with accounting principles generally accepted in the United States of

Additional Offices:

INDEPENDENT AUDITORS' REPORT (Continued)

America, the financial position of the governmental activities of the Town of Plaistow, New Hampshire, as of December 31, 2009, or the changes in financial position therefore for the year then ended.

In addition, in our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of each major fund, and the aggregate remaining fund information of the Town of Plaistow, as of December 31, 2009, and the respective changes in financial position and thereof and the respective budgetary comparison for the General Fund for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The management's discussion and analysis appearing on the following pages is not a required part of the basic financial statements but is supplementary information required by accounting principles generally accepted by the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE ASSESSOR'S AGENT

The responsibilities of the Assessor's Office include keeping information about all properties current. Ownership changes, property sales, property data, tax maps and other property information is constantly being updated so that anyone needing this information may acquire it and be confident that it is accurate.

Historically, in New Hampshire, the Board of Selectmen had been directly responsible for maintaining equitable assessments. In the old days it was not uncommon to see the Board of Selectmen riding about town once a year in a buckboard, determining what assessments should be for farms, farm animals, horses and buggies. Along about the 1950's this job was contracted out to revaluation companies every ten years or so. Assessments would remain the same between these 10-year total revaluations excepting new construction and demolitions.

With the advent of computers and laws requiring equitable assessments every year, performed by certified individuals, the process changed again (in 1999 for Plaistow), where the Selectmen would retain real estate appraisers to perform the assessment function on their behalf and under their supervision.

Accordingly, the Assessor's Office is responsible, under the direction of the Board of Selectmen, for keeping assessments current with market value. State law requires assessments to be proportionate, each year, and that at least once in every five years, bring assessments to full market value.

Legislation resulting from the 'Sirrell' v. Portsmouth decision has placed the Department of Revenue Administration (DRA) in an oversight role to ensure compliance to State assessing standards, where they produce a report to the Assessing Standards Board reflecting the DRA's findings during their 5-year 'assessment review' process. This report addresses all facets of the assessing office from assessment equity to the way in which we address requests for abatements, veteran's credits and many other assessment functions. The DRA will measure our performance against standards developed by the Assessing Standards Board (ASB) and the Equalization Standards Board (ESB). Plaistow is scheduled for their next assessment review in 2011.

2010 Assessment Update:

Assessment updates are performed to bring all assessments to market value in accordance with State Standards (RSA 76:8). Plaistow performs these updates in order to prevent the drastic shifts in value and taxes experienced during a typical 'full revaluation' by incremental changes over the 5-year period. All Towns are now required to bring assessments to current market value at least once in every five years. Plaistow's policy is to perform these more often in order to soften the impact to individual taxpayers. While the recent market has stabilized somewhat, some assessments were required to be adjusted for 2010. (see Selectmen's Policy on Assessing Updates at the conclusion of this discussion)

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE ASSESSOR'S AGENT (Continued)

2010 Real Estate Market:

Through the last half of 2007 and into 2008, the collapse of the mortgage loan industry caused a slowdown in the real estate market in general. While New England has not experienced some of the wild declines reported in other areas of the country, we have experienced an increase in foreclosures and a dramatic slowing of the number of sales occurring. The number of sales has continued to decline although sales prices in general have stabilized in 2010

Notices of foreclosures by town are no longer published publically (formerly published by NH Housing Finance Authority) however, the number of actual 'takings' by banks and lending institutions (as noticed by Registry of Deeds) declined in 2010 to 2007 levels. This could be an indication that the foreclosure climate is leveling off.

The number of open-market residential sales declined in 2010 over 2009 for both single-family houses and condominiums, however the average price increased for both as can be seen in the following graphs depicting the recent history of the average sales prices and number of sales occurring in the Town for residential housing:

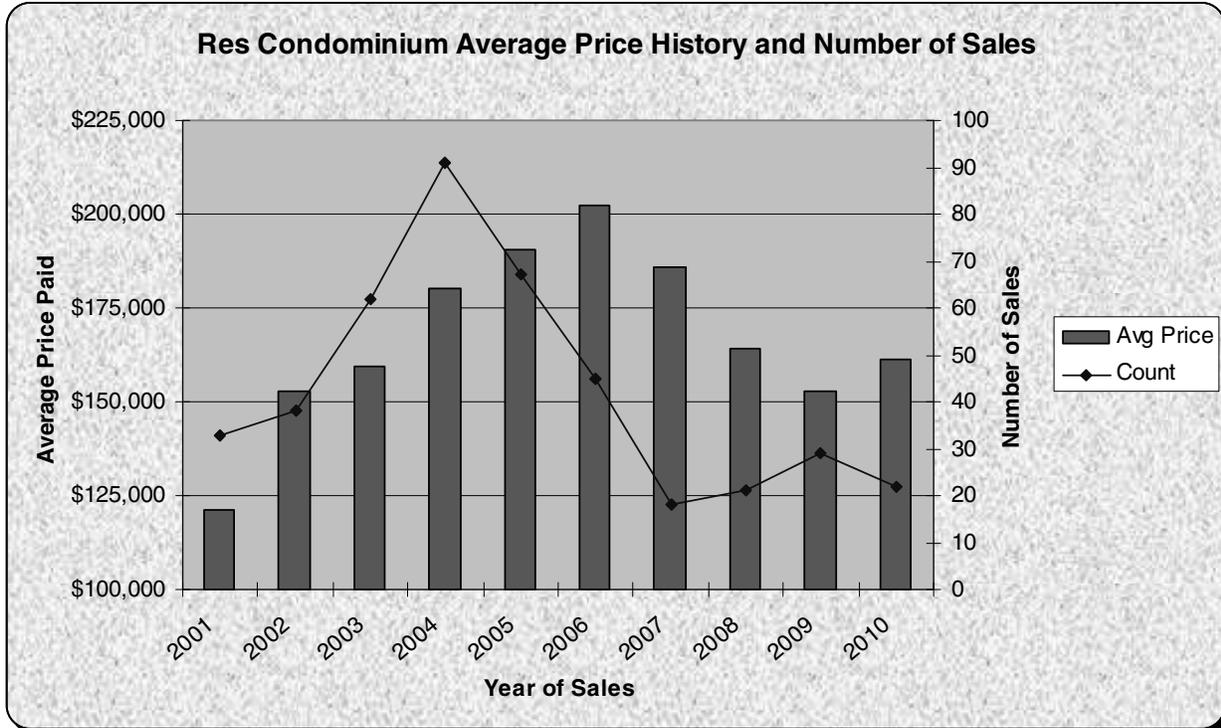

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE ASSESSOR'S AGENT (Continued)

Based upon a more detailed analysis of these current sales (September 2009 through August 2010), minor changes were applied to specific condominium complexes and industrial condos exhibiting declining sales prices. Gas stations with convenient stores were increased for 2010 based upon sales prices occurring around the State.

Assessment Statistics:

Equity in assessments is measured in statistical terms. Specifically, the *assessment ratio* is the primary measure as to how our assessments relate to market value. For example, if a property sells for \$100,000 but is assessed for \$90,000, the assessment ratio is 90% for this property (\$90,000 divided by \$100,000). Each sale (open market sales only) is analyzed in this way, both by the Town and the Department of Revenue Administration. All non-forced sales occurring within the ratio period (October 1, 2009 through September 30, 2010 for this current year) are arrayed in this way, and the median point of all the ratios becomes the assessment ratio for the Town for that year.

While few changes to assessments occurred for 2010, our ratio remained the same as 2009 (93%). The following chart illustrates the assessment ratios as a result of the 2010 update, and what the ratios would have been had no assessment update been authorized. ‘Ratio w/o Update’ indicates what the median ratios would have been had no update been performed for 2010. The ‘2010 ratio’ column indicates what the ratio is for the year as a result of the assessment update (2010 are estimates, the DRA has yet to certify the 2010 ratio):

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE ASSESSOR'S AGENT (Continued)

Category	Ratio w/o Update	2010 Ratio
Overall	93%	93%
Single-Family	88%	90%
Condo	103%	95%
Commercial	Insufficient data	

2010 Valuation Report:

Because the assessment update included reducing some residential and industrial values, our overall value for the Town decreased from the previous year. Following are the changes in the assessed value of taxable properties from 2009 to 2010 as taken from the report sent to the State for tax rate setting purposes (MS1 report):

Category	2009	2010	Difference	% Change
Current Use Lands	\$77,834	\$77,834	\$0	0%
Conservation Lands	\$2,322	\$2,322	\$0	0%
Residential Lands	\$233,845,470	\$231,829,490	(\$2,015,980)	-0.9%
Commercial Lands	\$104,924,860	\$104,718,310	(\$206,550)	-0.2%
Total Lands	\$338,850,486	\$336,627,956	(\$2,222,530)	-0.7%
Residential Buildings	\$331,021,350	\$329,980,150	(\$1,041,200)	-0.3%
Manufactured Housing	\$315,100	\$319,000	\$3,900	1.2%
Commercial Buildings	\$154,901,160	\$151,774,440	(\$3,126,720)	-2.0%
Total Buildings	\$485,922,510	\$482,073,590	(\$3,848,920)	-0.8%
Public Utilities	\$23,267,730	\$23,267,730	\$0	0
Total Taxable Property	\$848,361,958	\$841,975,408	(\$6,386,550)	-0.8%
Less All Exemptions	(\$13,704,112)	(\$13,533,662)	\$170,450	-1.2%
Net Valuation	\$848,361,958	\$805,174,016	(\$43,187,942)	-5.1%

Notes:

The values shown above include all public utilities, however, the State of New Hampshire deducts a large portion of the utility values for use in their State School Tax rate calculations.

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE ASSESSOR'S AGENT (Continued)

The Net Valuation shown is after elderly and veteran deductions, less inclusions of revenue from sources other than property taxes (such as registrations, licenses, etc.). The Net Valuation (plus revenue from other sources) is what is applied against expenses approved at the public deliberative sessions to determine the tax rate for the year.

Tax Rate Changes:

The tax rate is made up of four categories representing the expenditures required of each entity. Collectively for 2010, from all categories, the Town tax rate increased by \$.72 per thousand over the 2009 tax rate, or, 3%. The breakdown is as follows:

Tax Rates:	2009	2010	\$Change	% Change
Town	\$ 6.42	\$ 6.55	\$ 0.13	2.02%
County	\$ 1.08	\$ 1.16	\$ 0.08	7.41%
Local School	\$ 13.78	\$ 14.40	\$ 0.62	4.50%
State School	\$ 2.72	\$ 2.61	\$ (0.11)	-4.01%
Totals	\$ 24.00	\$ 24.72	\$ 0.72	3.00%

Because the total valuation of the Town decreased by 5%, the tax rate had to increase by 5% in order to raise an equal amount of revenue as last year. This was offset for 2010 by the reduction of the State School rate.

It is important that taxpayers understand that decreasing assessments do not lead to loss in revenues to the Town. This is because the Town must raise the revenues approved by the taxpayers, neither more nor less. If the overall assessments are higher than the previous year, the tax rate will be less, and if the overall assessments are lower than the previous year, the tax rate will be higher. In each case the same amount of overall revenue will be raised to cover essential municipal services approved by the taxpayers during Town Meetings or Deliberative Sessions (one for the Town, and another for the School District).

The following illustration shows how the tax changes according to market value and required Town, County and State revenue authorizations:

For discussion purposes, assume that the net valuation of the Town is one billion dollars in assessed value. Also, assume that the Town budget is \$10,000,000. The tax rate is determined by dividing the amount of taxes to raise by the net assessed value. The answer, times 1000, indicates a tax rate of \$10.00 per thousand of assessed value.

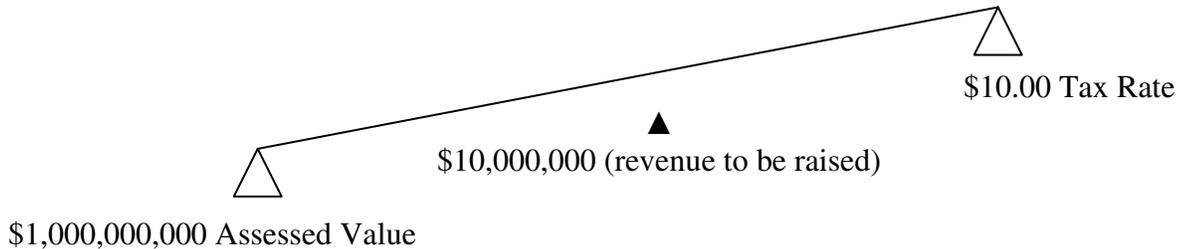

Town of Plaistow, New Hampshire

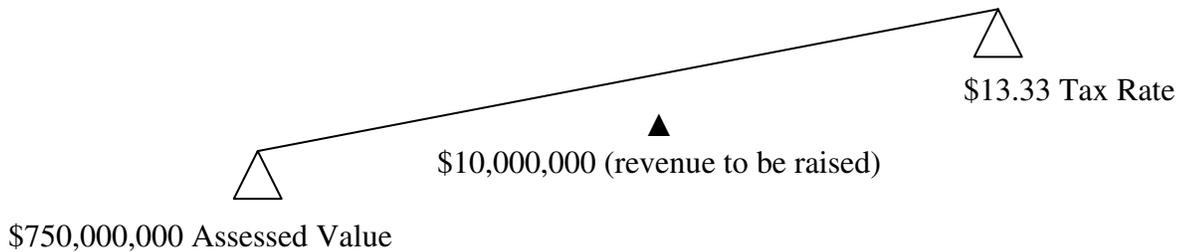

2010 ANNUAL REPORT

REPORT OF THE ASSESSOR'S AGENT (Continued)

If the assessed value were to fall to \$750,000,000, the Town still needs to raise the authorized \$10,000,000. So, dividing the same \$10,000,000 by \$750,000,000 in net assessed value causes the tax rate to increase to \$13.33.

So, the function of the tax rate is to raise authorized expenditures. The assessed values change with the market, and the tax rate fluctuates according to the amount of taxes to be raised.

If property values changed equally, and the budget remained the same as the previous year, there would be no change in tax bills. However, as referenced earlier, not all market values change equally over the same timeframe.

Property Data Collections/Accuracy

Personnel from the Assessor's Office are continually collecting data on properties in the Town. Each property is inspected, by law, at least once in every five years. This is an important part of the assessment process for incorrect data can lead to incorrect assessments.

We encourage all taxpayers to review the data on file for their property when you have the opportunity. If any questions or discrepancies are noted, please bring them to the attention of the assessment office personnel. We remain open to any and all observations as to how we may better serve you.

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE ASSESSOR'S AGENT (Continued)

Elderly Exemptions

New Hampshire provides for an exemption of property taxes to qualified elderly taxpayers. The process is 'needs' based, and is applied according to the following criteria:

To qualify, applicant must:

- be 65 years of age or older on or before April 1st in the year they're applying.
- be a New Hampshire resident for at least 5 years prior to April 1st.
- be living in the house, which must be their primary residence.
- have total household income not exceeding \$35,000 if single, or \$50,000 if married
 - (all sources of income are included)
- have total assets not exceeding \$80,000. Assets do not include the value of the house or up to 2 acres of land that the house is situated on.

If qualified, the exemption is as follows:

- ages 65 to 74 - \$110,000 is subtracted from the assessment and taxes are paid on the remainder.
- ages 75 to 79 - \$150,000 is subtracted from the assessment and taxes are paid on the remainder.
- ages 80 and over - \$190,000 is subtracted from the assessment and taxes are paid on the remainder.

Totally and Permanently Disabled

To qualify, applicant must:

- be a New Hampshire resident for at least 5 years prior to April 1st.
- be living in the house, which must be their primary residence.
- be totally and permanently disabled and collecting Social Security.
- Have a total household income not exceeding \$35,000 if single, or \$50,000 if married
 - all sources of income are included.
- total assets cannot exceed \$80,000. Assets do not include the value of the house or up to 2 acres of land that the house sits on.

If qualified, the exemption is as follows:

- \$150,000 is subtracted from the assessment and taxes are paid on the remainder.

Blind Exemption

To qualify, applicant must:

- be a New Hampshire resident for at least 1 year prior to April 1st in the year the exemption is claimed.
- be legally blind as determined by the administrator of blind services and provide a letter stating such.

If qualified, the exemption is as follows:

- \$15,000 is subtracted from the assessment and taxes will be paid on the remainder.

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE ASSESSOR'S AGENT (Continued)

Veteran's Tax Credit:

To qualify, applicant must:

- be a New Hampshire resident for at least 1 year prior to April 1st in the year the credit is claimed.
- have honorably served at least 90 consecutive days of active duty during a qualifying period
- supply a copy of paperwork (DD-214, for example) showing date of entry, date of discharge, and character of service.

If applying for service connected total disability tax credit, disability must be 100% total and permanent, must be service-connected and a letter from the veteran's administration must be supplied at time of application.

If qualified, the exemption is as follows:

- \$200 will be deducted from the taxes for a standard veteran credit and \$2,000 for a veteran with a service connected total and permanent disability.

Veteran Spouse or Widow:

To qualify, applicant must:

- Demonstrate that the spouse or deceased veteran met all requirements for Veterans Tax Credit (referenced above), and,
- Has not remarried.
- The surviving spouse of any veteran killed or died while on active duty, as listed in RSA 72:28, providing that the spouse or widow has not remarried.

The State of New Hampshire has a program to rebate a portion of the state-wide property tax for qualifying elderly residents. Information is available at Town Hall in the Assessor's Office.

The assessing personnel would like to take this opportunity to thank all the taxpayers in the Town for their patience and assistance throughout the year. The tax assessment process is a necessary process, however not necessarily an enjoyable one for anyone involved, however we do appreciate your unfailing courtesies extended over the past many years.

Respectfully Submitted,

Wil Corcoran & Marybeth Walker, Assessor's Agents

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

ASSESSMENT UPDATE PROCEDURE ADOPTED BY THE BOARD OF SELECTMEN

1. The Board will determine a budget necessary to do the work needed for the *certification year* and make that a request as part of the budget process in the fall of the year.
2. The Assessing Firm will do the sales analysis and measurement each year as part of its regular duties. All work will be done in compliance with state laws and enforceable Administrative rules that are based upon the latest changes to the state laws.
3. The Board of Selectmen will proceed with an update based upon measurements that fall outside of recommendations for good assessing practices in the median values, stratification, and/or Coefficient of Dispersion.
4. The Board of Selectmen will make the public aware of the planned process and hold a public hearing to explain the rationale for undertaking such a process. When there is a mass update, the database for taxes will not be changed for those updates until the Board agrees upon the proposed numbers.
5. The Board of Selectmen will make available speakers for groups who wish to hear about the subject, e.g. PACE, Lions, etc. Announcements will go on channel 17, the web, and via a press release to the papers.
6. All mass mailings, sent by the assessing department, will be reviewed by the Board of Selectmen before they are sent, including any attachments.
7. Those with elderly and disabled exemptions will receive a separate letter indicating the potential impact on them of the changes.
8. The Assessing Firm should make a recommendation of values (subject to revision in the hearing process) to the Board of Selectmen by July 17th.
9. The Board of Selectmen will hold an informational hearing to explain the process before formally voting on accepting the assessing firm's recommendation, but the absence of this vote will not hinder proceeding with hearings for taxpayers.
10. When the new proposed values are ready, letters will be sent to invite each property owner with a new value to come and review their values. Available times will include evening hours as well as days. The letters will emphasize that an increase or decrease in values does not translate directly into an increase or decrease in a person's tax bill.
11. The letters will be sent to everyone whose property value changes by more than 5% and allow the owners at least 10 days notice before the hearing period ends. The hearing period will last at least 5 days. Evening appointments will be available at least 4 of those days. If more than one quarter of the parcels changes more than 5%, there will be at least 8 days for appointments with 7 evenings.
12. Lists will be available of current and proposed values at the Town Hall, Library, and on the Town's web site. If possible a program will be developed for repeated broadcast on channel 17 of the process and especially focus on the impact of the update.

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF BEEDE SUPERFUND SITE ACTIVITIES

This has been a very challenging year for the Town as the United States Environmental Protection Agency (EPA) gears up with their final design proposal for cleanup of the Beede Waste Oil Superfund Site. In 2003, the EPA gave the town a grant for \$100,000 to study what the future use(s) of the contaminated site might be. After a long term study undertaken by the town, a determination was made that the future use(s) of the site would include recreation fields, a community center and/or elderly housing. Access to the recreation fields would be across a bridge on Old County Road to the property and would be consistent with the new Plaistow Area Recreation Complex (PARC) facility on the same road. This bridge would also be used by the parties charged with clean up, for transportation of contaminated soil from the site.

In 2010, site ownership changed hands via a quick sale from Mark Henry to an LLC set up by ExxonMobil Corporation. This quick sale did not resolve the current back tax issues associated with that site. As of the end of the year, ExxonMobil Corporation owes the Town over \$1.2 million dollars in back taxes for both parcels associated with the site. During several meetings between the non-settling defendants of the clean up and the town, it was made clear by the defendants that they will not pay the Town for back taxes. They are also currently trying to abate their current taxes as they claim the property has no value. The Town will continue to fight these claims in the future.

As the EPA designs its final clean up remedy for the site, they issued an access report in 2010 which identified 4 points to the site where contaminated soil would be removed and clean soil brought back to the site. Those 4 points were located on Kelly Road (Route A), Old County Road (Route B), Route 125 (Route C), and Main Street located directly across from Danville Road (Route D). Route D would have to include a property easement and another property purchase to develop and might have to include a temporary or permanent traffic light at that intersection. After numerous public meetings and hearings with Town officials, Town safety officials and the public, the EPA decided on Access Route D. In part due to the EPA law stating that Access Route D would have the least environmentally damaging practicable alternative among the four options. This finding was confirmed by the New Hampshire Department of Environmental Services (NHDES).

The Town felt that the safety and health concerns, raised by our public safety officials, were largely ignored by state and federal officials. Plaistow's land use boards and committees felt as though Route B would be a more practicable alternative given the safety concerns sited by our public safety officials. While it's admitted that there would be a minor wetland disturbance over Kelly brook, these issues could be mitigated to allow a bridge to be built.

Late in 2010, the Town hired Bob Varney, the former Director of EPA Region 1 (New England) to help us with our concerns over site access and other issues. We were successful in bringing together our

REPORT OF BEEDE SUPERFUND SITE ACTIVITIES (Continued)

elected officials for a meeting regarding this issue. We were also successful in having a meeting with Michael Walls, Assistant Commissioner of the NHDES, in Concord regarding our concerns with their decision to support Access Route D. At the end of 2010, it's with much gratitude that we report that the NHDES reversed their decision on Access Route D. In a letter to the town, Assistant Commissioner Walls wrote, "After further review, DES has concluded that its statement about the permissibility of Access Route B was premature and may not be accurate." He goes on to state, "Based upon the traffic volumes and safety concerns expressed in your letter, and in light of its nominal environmental impacts, a reasonable person could conclude that Access Route B is the Least Environmentally Damaging Practicable Alternative among the options presented. It would, accordingly, be permissible under state wetlands law."

Respectfully Submitted,
Robert J. Gray, Chairman, Beede Reuse Committee

2010 ANNUAL REPORT

REPORT OF THE BUDGET COMMITTEE

The First Session of Town Meeting saw the passing of the gavel from our former Town Moderator, Barry Sargent, to our newest Town Moderator, Steven Ranlett. And with the final strike of that gavel, the 2010 -2011 municipal budget season came to a close.

For the second season in a row, the Municipal Budget Committee operated with a full twelve member board. It is a trend that we are hoping will continue well into the future. Unfortunately, this year we will be losing a two-term (and valuable) member of the Committee, as Dan Hooper will not be seeking re-election. The Committee and I would like to thank Dan for his dedication and wish him the best wherever his future may take him. Additionally, I would like to thank all members, volunteers, residents and town employees associated with the budget process this year for their time and cooperation throughout the budget season.

This year the Committee faced many of the challenges that also existed last year; most prominent, a struggling economy. When preparing the 2010 budget, the Committee was able to put forth a budget that actually had a slight decrease. However, that was not a possibility this year. Items that were put off last year, in hopes of stronger wealth this year, had to be addressed. Further, some budget matters are contractual or mandated, thereby being beyond the scope of what the Committee can undertake. The Committee worked toward developing a budget with all these factors in mind that would be fiscally responsible for the residents and allow for proper operation of the Town of Plaistow, thereby protecting the best interests of Our Community.

When the Committee first presented the budget at the Public Hearing on January 13, 2011, the proposed 2011 budget was \$7,464,448. This equaled a \$136,403 (or 1.86%) increase over last year's budget. Once again, forces beyond our control, namely Mother Nature, chose to weigh in on the budget by dropping copious amounts of snow on and around Plaistow between the Public Hearing and Deliberative Session. As a result, it was motioned and approved at the First Session of Town Meeting to add an additional \$80,000 to the 2011 proposed budget in order to aid and cover costs associated with snow removal. This resulted in the budget increasing to \$7,544,448; or a \$216,404 (2.95%) increase from last year's budget. The Committee still believes this budget, even with the increase, is practical for the Town.

If comparing the trends of the last two years of the budget: the 2009 budget was \$7,382,500; a decrease was realized in 2010; and, the 2010 proposal is now at \$7,544,448. Thus in a 2 year span, the Town budget has increased \$161,948 (or 2.2%). Of this amount, almost half is directly attributable to the astronomical year of snow we have had; the majority of the other half can be linked to the Federal COPS Hiring Program grant that was accepted at the Deliberative Session allowing the Town to hire a new police officer. The costs for this new officer appear in the current proposed budget, and the Town will be reimbursed the greater part of these costs as a result of the COPS grant. If snow had not been a factor, and the COPS grant not accepted this year, the difference between the 2009 and 2011 proposed budgets would have been inconsequential.

As with every year, taxpayers are concerned about their tax bill rising and the current economy creates greater concern about revenue sources at both individual and town levels. The Committee, for which every member is a Plaistow taxpayer, had this in mind when determining the proposed budget

and whether to recommend the Warrant Articles as put forth. The proposed budget and all warrant articles can be found at the back of this Town Report on the New Hampshire State mandated MS-7 form and Town Warrant. The Committee hopes that you will review this information and inquire among Town Officials should you have any outstanding questions or concerns so that you may be fully and properly informed when voting at the Second Session of Town Meeting at Pollard School on Tuesday, March 8, 2011.

2010 ANNUAL REPORT

REPORT OF THE BUILDING MAINTENANCE DEPARTMENT

The Building Maintenance Department staff plays a very important role in the day to day operations of the buildings and facilities of Our Community. We must ensure that the buildings are clean and neat and that everything is operating safely. Our department is responsible for the regular maintenance of the Town Hall, Court House, Public Safety Complex, Library and Historical Society buildings.

We take pride in the appearance of all of the buildings and facilities and devote a great deal of attention to ensuring this. In addition to daily custodial tasks, this department performs more specific work on electrical, plumbing, roofing repairs and snow removal.

During 2010, there were numerous repairs made to the various buildings including:

- ❖ Reconditioned the Historical Elonzo stained glass window at the Town Hall.
- ❖ Painted all of the light poles in Pollard Park.
- ❖ Replaced flat roof and front gutter at Town Hall.
- ❖ Installed a 85 kilowatt backup generator for the Town Hall.
- ❖ Removed a very large, old pine tree that stood on the south side of the Town Hall due to a severe wind storm in March 2010.
- ❖ Complete construction of a new Cable Studio in the basement of the Town Hall which was moved from its prior location on Route 125.
- ❖ Following construction of the Plaistow Area Recreation Complex (PARC) concession stand/storage building, the Building Maintenance Department has assumed the maintenance and upkeep of this facility.
- ❖ The relocation and reconstruction of a shed that was behind the Town Hall to the Library for storage of equipment.
- ❖ Construction of a sandbox at the new PARC field on Old County Road.

**Dave Bowles "At the Helm"
of the Snow Blower!**

John Arahovites came back out of retirement to fill a vacancy at the Public Safety Complex. Also, a new staff member, Gerard Marchand, began in March 2010 and is responsible for maintaining the Library. Gerard is a great addition to our Building Maintenance Staff! I have been Supervisor of Building Maintenance for 16 years and continue to work hard to keep everything running safely and smoothly in Our Community.

Respectfully Submitted,
David Bowles, Building Maintenance Supervisor

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE BUILDING SAFETY DEPARTMENT

Economic times continue to be tough for our nation and our neighborhoods. But I believe that Our Community remains a strong and vital place to live and do business.

Commercial development has been slow, but is beginning to show some signs of renewal. While we are not seeing a substantial increase in new business certificates of occupancy we are seeing a decrease in businesses that are closing their doors. The new Rite Aid, which started construction in 2010, is evidence of that. The new 14,000+ sq. ft. building displaced three thriving businesses, Casey’s Diner, Leith’s Flower Shop and PC Warehouse. Those businesses choose to relocate in Our Community instead of somewhere else or closing their doors all together. The new Rite Aid will not only mean an increase in tax revenue but will enhance the “curb appeal” of the Route 125 Corridor with their brand new building and their well groomed site. So, not only is there a brand new retail location to look forward to, there are three less vacant storefronts in town.

Other businesses, such as Petco, relocated to larger retail spaces in Plaistow. We have been contacted by other businesses looking to locate in Plaistow in the coming year. These businesses range from new retail to medical/office services. Some businesses are seeking locations to build brand new storefronts and others are seeking to occupy existing now-vacant storefronts. This is testament that business continues to see the as a viable and desirable business address. We all hope it’s a sign of the economy turning the corner.

While the chart below shows a decrease in revenues in the noted categories, that increase is less than it was the previous year.

Type of Fee Collected	2008	2009	2010
Building Permit	\$29,547.50	\$26,477.50	\$26,026.08
Electric Permit	\$5,755.00	\$5,270.00	\$4,885.00
Electrical Insp.	\$6,605.00	\$7,195.00	\$6,035.00
Plumbing Permit	\$1,915.00	\$1,905.00	\$1,830.00
Plumbing Insp.	\$2,430.00	\$2,640.00	\$2,370.00
Occupancy Permit	\$4,840.00	\$7,310.00	\$5,600.00
Mechanical Permit	\$3,895.00	\$4,490.00	\$4,010.00
Mechanical Insp.	\$3,725.00	\$4,260.00	\$3,430.00
Septic	\$3,920.00	\$2,690.00	\$2,955.00
Sign Permit	\$13,350.00	\$9,300.00	\$10,400.00
Auto Dealer Permit	\$3,100.00	\$1,300.00	\$500.00
Well Permit	\$210.00	\$60.00	\$190.00
Copies	\$77.00	\$17.25	\$0.00
Fire Dept Revenue	\$390.00	\$940.00	\$915.00
Salvage Yard Licenses	\$300.00	\$300.00	\$340.00
Administrative/Misc. Fees	\$530.00	\$300.00	\$160.00
TOTAL	\$80,589.50	\$74,454.75	\$69,646.08

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE BUILDING SAFETY DEPARTMENT (Continued)

While overall permitting is down for the second year, we see steady activity in the residential area as property owners renew their commitment to Our Community by updating and upgrading their properties.

We have held off on increasing permit fees to raise revenues because we feel that doing so would place an unnecessary burden on residents and discourage much-needed new commercial development in the Our Community. However, we have done a review of some of these fees. Some constructions, such as roofing, now require specific inspections under the building code. We are looking into establishing a permit fee for these types of permits and reviewing fees charged for some other services to bring them into a more consistent format.

This office strives to offer services that are in line with our mission to **Building Inspector, Mike Dorman** protect the health, safety and welfare of Our Community. We feel that permitting is essential to that end. Permitting allows for a plan review to ensure that what is intended to be built or remodeled meets a minimum standard. Inspections, an essential part of the permitting process, are important to ensure that all completed work is done safely and within the code. All residents should make sure that they are receiving all the inspection services they are paying for as part of the permitting process. If you're ever unsure if the project you're planning will require a permit or should be inspected, we're just a phone call away. Knowing is inexpensive piece of mind for the protection of your most expensive investment.

The codes change so quickly it can be a challenge to keep up with them. My staff, Dee Voss, Office Manager; Ken Ray, Electrical Inspector; and Jim Flathers, Plumbing/Mechanical Inspector, and I continue to attend training, not only to provide a superior level of service, but to be able to educate the Our Community. We all have our areas of expertise and together make a great team.

Our team approach extends to our involvement in assisting other departments, boards and committees, such as the Fire and Police Departments, Planning Board and Conservation Commission, as we all work together to continue to support and bring responsible growth to Our Community. This year I've been working closely with the Plaistow First Committee, whose members are charged with reviewing and evaluating all town-owned properties. Look for their recommendations in 2011.

The Department of Building Safety is here to assist property owners with all their building questions and needs. Our office hours are Monday through Friday, 8:00 a.m. to 4:30 p.m. Stop by or call us at 382-1191 X3 anytime!

Respectfully Submitted,
P. Michael Dorman, Chief Building Official/Code Enforcement Officer

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE CABLE ADVISORY COMMITTEE

The Cable Department and Cable Advisory Committee has had a lot of exciting activity over the past year with the moving of the cable studio to Town Hall and the hiring of an Interim Cable Coordinator.

In order to find efficiencies within the town budget, the Town Manager, put together a plan to build a new cable studio in the basement of the Town Hall. Prior to this the Town of Plaistow was renting space at a building on Route 125. The cost associated with the old studio for rent and utilities was an estimated \$16,800 per year. When the studio was moved there was an immediate savings within the cable budget.

One of the features of the new studio is the ability to be integrated with the network at the Town Hall. We are now able to work with a state of the art editing workstation. The studio also has the capability to handle phone calls during live call-in shows. The studio has already been used to produce two episodes of "Story Time in Plaistow with Susan Sherman". This is going to be a monthly show with a new theme every month. Other shows in the works for Our Community are for a recycling show and a live call-in show.

Near the end of 2010 the town hired Dean Zanello as the Interim Cable Coordinator. Dean comes with vast knowledge of the day to day operations of a cable studio and the technologies that can be utilized. He is also very enthusiastic about new programming and working with local residents to produce television shows highlighting the wonderful stories found in Our Community.

With the advent of Facebook and You-Tube many web sites have become available to post video. As part of Plaistow keeping up with technology, Plaistow is utilizing a site called VIMEO (video-on-demand). This site will have recorded committee meetings available to watch over the internet. Also recorded town events, such as Old Home Day and Memorial Day, and shows produced by local residents will also be available. This is convenient for viewers who do not subscribe to Comcast cable or may have missed a meeting or show they are interested in watching on PAC Channel 17. PAC Channel 17 will still be the main media for viewing committee meetings and local origination. Many events from the past decade have already been posted to this site for viewing. The site for viewing Plaistow events, committee meetings and local origination is <http://vimeo.com/channels/plaistow> is now accessible for viewing. This site will also be accessible through <http://www.plaistow.com> in the early part of 2011.

The Plaistow Public Library is in the process of being configured to broadcast live. The equipment that makes this possible will be arriving in early 2011.

The Cable Advisory Committee has a new member, Susan Sherman, who is very energetic about the new studio and programming. The Committee is looking for enthusiastic people who would like to be members of the committee or people who are interested in volunteering to help record local events and help produce shows inside and outside of the studio.

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE CABLE ADVISORY COMMITTEE (Continued)

Going forward in 2011 the Cable Department and Cable Advisory Committee will be looking to reach out to Our Community to help any Plaistow residents interested in producing their own shows to be broadcast on PAC Channel 17. The Cable Advisory Committee is working with Dean Zanello to purchase point-and-shoot cameras to make producing shows outside of the studio more feasible for interested Plaistow residents.

The Cable Department and Cable Advisory Committee (CAC) hope to have more activity in 2011. One of our goals is to have more local programming written and produced by Plaistow residents. As part of getting more people interested in using the studio, training will be provided. Dean Zanello and the CAC members are in process of developing a training program for local residents. The Cable Department and Cable Advisory Committee are very excited about the upcoming year and looking forward to working with Our Community to utilize the beautiful new cable studio. Please contact Town Hall if you are interested.

Thank you, and have a wonderful 2011!

Respectfully Submitted,
Jay DeRoche, Chairman

Sue Sherman with Santa

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE CAPITAL IMPROVEMENT PROGRAM COMMITTEE

The Capital Improvement Program (CIP) is an adjunct to the Master Plan; like the Master Plan it is strictly a planning document. The CIP committee is charged by the Planning Board to prepare an annual CIP to present to the Planning Board for approval and then to the Board of Selectmen and Budget Committee to aid them in preparing the annual budget. The CIP committee is made up of members from the Planning Board, Board of Selectmen, and the Budget Committee. The Planning Board chairman also serves as the CIP committee chairman. The Town Planner and Town Manager support the CIP committee in preparation of the plan.

The CIP has estimates of capital expenditures over a 6 year period; the plan prepared in calendar year 2010 has estimates for 2011 through 2016 and is used to help prepare the 2011 budget (calendar year 2011) that is voted on at the March, 2010 Town Meeting. The CIP committee also reviews the capital reserve accounts set up for the purchase of large expense items such as fire apparatus, highway department vehicles, and long term building maintenance. The purpose of the review is to make sure the balances in the accounts are sufficient to cover the planned expenses in the next 6-year planning period. The reviews for the highway and fire departments extend over longer periods of time that match the longest useful life of a piece of equipment.

The table below compares the proposed CIP totals with the budget totals (including warrant articles) and then calculates the percent of the total budget allocated for capital expenditures. The amounts shown reflect amounts proposed at Town Meeting and not those voted at Town Meeting. Also note that the amounts have been rounded to the nearest thousand dollars.

Year/Item	2006	2007	2008	2009	2010	2011
CIP Total	\$1,105	\$1,350	\$957	\$1,277	\$1,233	\$1,356
Budget Total	\$7,521	\$7,644	\$7,479	\$8,192	\$7,298	\$7,912
Percent of CIP Total to Budget Total	14.69%	17.66%	12.8%	15.6%	16.9%	17%

When a CIP is in place and maintained, it allows towns to impose impact fees on developers. The purpose of the impact fee is to charge an upfront fee from developers, at building permit time, a sum of money to help offset the additional capital expenditures required because of the new residential, commercial, or industrial growth. The Town of Plaistow has impacts fees in place for schools, recreation, public safety complex, fire suppression water line, and new subdivision roads.

The CIP also has two other important functions: maintain capital equipment and help to level the total budget. It is important to maintain our buildings so that small repairs can be made in a timely fashion and avoid large expenditures after problem that could have been fixed with a small repair, has deteriorated to the point where only a costly repair can fix the problem. This in turn avoids large increases in our tax bills. It is also important that our entire fleet of vehicles – rescue trucks, police cruisers, highway department trucks, etc. in good condition so that all employees can have confidence they will be able to perform their duties in a safe manner.

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE CAPITAL IMPROVEMENT PROGRAM COMMITTEE (Continued)

Each year the CIP committee tries to make improvements to either the CIP document or the process that collects and analyzes the data that is input into the CIP. This year we made 2 process changes that resulted in a more efficient presentation of the CIP information to the various boards and committees. The first change was the preparation of a memo from the CIP committee to the various boards that included a brief description of each line item in the CIP along with a project history for that item including the discussions or changes that were made in previous years as well as the current year. Since it is impossible for any presenter to know all the details about each line item, there were often follow-up presentations that were needed. This year those follow-up sessions were eliminated and the presentation time substantially reduced while some one went to look up an answer to a question. Although somewhat beyond the scope of the CIP committee, this year we also prepared a second document that contained proposed language for each of the warrant articles that were being proposed as part of the CIP. This saved the Board of Selectmen and Budget Committee substantial time during their budget discussions.

Respectfully Submitted,

2010 ANNUAL REPORT

REPORT OF THE CEMETERY SEXTON

Two major projects were in the works over the summer in 2010. One was the repairs and restorations to a number of damaged headstones. For this work we coordinated the repairs with the Plaistow Highway Department and were able to fix a number of broken stones. We look forward to being able to continue this work in 2011. The other major project was the removal of an overgrown bush covering a number of Civil War memorial headstones.

Cemetery maintenance costs, like almost everything, do not go down, as the Sexton, I often have to choose between good appearance and increased costs. Weather is a big factor in how we maintain the cemetery and we are holding the line on expenses, while doing our best to address the maintenance. The more it rains, the more the grass needs mowing, raking, and trimming. In addition our plot sales are limited in spite of subtle sales attempts. We bring to your attention both full and cremation burial plots are available in the Plaistow Cemetery. As a reminder to family and friends, all cemetery decorations must be removed prior to November first each year. We also are looking for volunteers who might enjoy helping with the maintenance and support of the Plaistow Cemetery.

**An Old Map Showing the Layout
of the Plaistow Cemetery**

Thanks to Jim Thornton of Acme Vault for being always willing to help us out with the “heavy lifting.” Thanks to Highway Supervisor Dan Garlington and the Highway Department who kept the cemeteries neatly trimmed and kept me informed about potential problems. They have assumed the landscape duties for the Cemetery and have done a wonderful job.

Thanks to the Selectmen for listening to any concerns. And finally, as always, we are most grateful to the staff at the Town Hall for all their assistance. I will always miss the wonderful help and friendship of Ruth Jenne.

Respectfully Submitted,
Herbert “Topper” Reed, Cemetery Sexton

2010 ANNUAL REPORT

REPORT OF THE CONFLICT OF INTEREST COMMITTEE

In order for the citizens of Plaistow to have confidence in the integrity of its government, the Conflict of Interest Committee is dedicated to serving Plaistow's citizenry by ensuring that:

- 1) Our public officials act independently, impartially and with responsibility to the people of Plaistow for the public's best interests;
- 2) Our government's decisions and policies be made through the proper channels of governmental structure;
- 3) Any and all public offices are not used for personal gain; and
- 4) Our public officials perform their duties without conflicts between their private interests and those of the citizens they serve.

Since March 2010, the COIC received three petitions. All were reviewed and discharged, as the alleged complaints did not fall under the jurisdiction of the Conflict of Interest Committee, as outlined in the COIC bylaws. Any citizen who believes that a conflict of interest exists regarding a Plaistow public officer and wishes to submit a formal complaint is encouraged to review the Town of Plaistow's Conflict of Interest Ordinance, Section V, "Prohibited Conduct."

To obtain copies of the Conflict of Interest Ordinance, Bylaws and the Petition of Alleged Violations form, you may:

- 1) Mail a request to the Conflict of Interest Committee, PO Box 903, Plaistow, NH 03865;
- 2) Print from online: www.plaistow.com/Pages/PlaistowNH_BComm/conflict;
- 3) E-mail townofplaistowcoic@yahoo.com, and enter "COIC Business" in the subject line;
- 4) Attend a COIC meeting; or
- 5) Inquire at the Town Hall or Plaistow Public Library.

All correspondence to the PO Box and e-mail address go directly to the Conflict of Interest Committee, and remain confidential in accordance with our bylaws and ordinances. All *Petitions of Alleged Violation* forms must be mailed to the Conflict of Interest Committee at the above PO Box only; hand-delivered petitions will not be accepted.

The Committee is still interested in forming a NH Conflict of Interest Group of area towns who have a Conflict of Interest Ordinance or who would like to adopt an ordinance of their own. Committees would share ideas and information on Conflict of Interest Ordinances and possible areas of improvement.

The Committee is available to interpret and/or discuss the COI Ordinance and Bylaws with citizens and town officials at all regular meetings. Suggestions to improve the ordinance will be taken under consideration at the COIC's discretion.

The Conflict of Interest Committee meets the third Tuesday of the month at 7:00 PM at the Plaistow Public Library (except July, August, November and December). All regular meetings are open to the public and all are welcome to attend.

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE CONSERVATION COMMISSION

The members of the Conservation Commission take a lot of pride in serving on the commission and its role in protecting and preserving the natural resources in Our Community. There is a real sense of community in most of the activities that we participate in, both in serving the community and in working together with students, scouts, and residents to make a better community.

Education is always an important part of preservation and this year the Conservation Commission along with participation from the Pollard School 5th grade sponsored a tree-planting at a combined Arbor Day/Earth Day event at the Plaistow Library. The Conservation Commission purchased a October Glory Maple and a Korean Mountain Ash that were planted as part of the Arbor Day event. Every year the Arbor Day Foundation sponsors a poster contest and in New Hampshire the contest is administered by the University of New Hampshire Cooperative Extension. In Plaistow the Conservation Commission acts as a liaison between the Pollard School 5th Graders (eligible contest participants) and the Cooperative Extension. Each year there is a different theme; the 2010 theme was "Trees are terrific...and Energy Wise!". The Board of Selectmen chose a winning poster that was in turn submitted to UNH Cooperative Extension to select a state-wide winner. We were very proud and pleased to announce that Pollard School 5th grader, Jessica Costa, not only won the Plaistow contest, but was also selected as the State of NH winner.

Congratulations to Jessica and all the poster participants who not only participated in the Arbor Day activities but learned that it is important to maintain and protect trees.

Arbor Day in New Hampshire is observed every year on the last Friday in April. It is a unique holiday- planting a tree looks to the future and not at some past happening, as is the case of most holidays. New Hampshire extends the celebration with Forest Conservation Week, which begins the day after Arbor Day.

This special day envisioned by J. Sterling Morton of Nebraska City, Nebraska and was first adopted by the State of Nebraska in 1872. The idea swiftly spread across the country. New Hampshire's first official Arbor Day was proclaimed on April 29, 1886 by Governor Moody Currier who advocated reforestation of waste and cutover lands, and planting of shade and ornamental trees and shrubs around homes, along highways, and other public places. Today every state has an official date for Arbor Day.

Earth Day is also celebrated in April and was envisioned by Senator Gaylord Nelson of Wisconsin to make all citizens aware of the valuable and life-sustaining resource of the planet earth. The first Earth Day was celebrated on April 1, 1970 and is now celebrated on Wednesday with dates ranging from April 19th to April 25th.

2010 ANNUAL REPORT

REPORT OF THE CONSERVATION COMMISSION (Continued)

The Conservation Commission participated in the annual Old Home Day celebration. At our booth participants could sign up for a raffle with each of 3 winners receiving a reusable shopping bag filled with energy efficient products such as CFLs, programmable thermostats, and low-flow shower heads as well biodegradable cleaning products. Participants could also view our display of water and how to help protect both the quality and quantity of drinking water. It also described steps the Town is taking to properly manage storm water as part of the Environmental Protection Agency’s (EPA) storm water requirements. This part of the display was an important piece to help the Town meet the storm water requirements.

This year as with other prior years we have worked closely with the Boy Scouts to help maintain the trail system in the Town Forest. Please see the special report on the Town Forest elsewhere in this year’s Town Report.

Tim Moore and Selectman Robert Gray at the Conservation Commission's Booth at Old Home Day

We continued our annual sampling of the streams, brooks, and rivers in Plaistow at 17 different points. Below are the results of the testing for nitrates and nitrites over the past 25+ years:

Stream Testing Results

Sample Point	Test Type (mg/l)	1983 (mg/l)	1993 (mg/l)	2003 (mg/l)	2007 (mg/l)	2008 (mg/l)	2009 (mg/l)	2010 (mg/l)
Little River at the intersection of Old County Rd and Kingston Rd	Nitrates	< 0.10	0.5	0.56	< 0.20	< 0.20	< 0.20	< 0.20
	Nitrites	< 0.10	< 0.05	< 0.05	< 0.05	< 0.05	< 0.05	< 0.05
Little River at the Atkinson/ Plaistow Town Line	Nitrates	0.14	0.5	1.34	0.59	0.38	0.27	0.27
	Nitrites	< 0.10	< 0.05	< 0.05	< 0.05	< 0.05	< 0.05	< 0.05

Note the “<” symbol means “less than” and gets reported when the available measurement techniques measure some quantity of a substance but it is so small that it cannot be measured accurately. These points are often referred to as Minimum Detectable Limit (MDL) points. The unit of measure for both nitrates and nitrites is milligrams per liter (mg/l). Drinking water standards require less than 10 mg/l for nitrates.

Although the water quality in our streams does not meet drinking water standards for some measures such as pH and coliform, neither does it pose a severe health risk.

Respectfully Submitted,
Timothy Moore, Secretary

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE CONSERVATION COMMISSION – TOWN FOREST

The Town Forest is an excellent example of Our Community coming together and preserving land for the good of the community. As far back as the late 1970s and early 1980s the Plaistow began purchasing land in the area of what is generally known as Frog Pond Woods. The Town purchased several parcels of land in the area and several more were donated to the Town and were to be used for conservation purposes. One of the initial uses proposed in a 1970s water study proposed that Kelley Brook be dammed and the resulting pond be used as a reservoir for a municipal water system. While the reservoir never made it beyond the proposal stage, the Town none-the-less kept the acquired land away from development pressures and continues to this day to acquire through easement or purchase parcels adjacent to those already protected.

**Selectman Charles "Buzzy" Blinn and Tim Moore
Review the Town Forest Map**

Between Plaistow, Atkinson, and Hampstead the combined acreage of the land from the 3 towns is close to 400 acres. Both Atkinson and Hampstead own land in Plaistow and Plaistow owns land in Atkinson. All three Boards of Selectmen have agreed to waive taxes for the conservation land owned by another community.

The Conservation Commission members in the 1980s started to define a Town Forest. This initial concept was advanced substantially in 1999 when the Conversation Commission hired Charles Marino, a registered forester, to prepare a Forest Management Plan for the parcels own by the Town in the Frog Pond Woods area and a 20-acre parcel adjacent to Old County near the top of the hill as you head towards Hampstead. This management plan was well received by both the Conservation Commission and the Board of Selectmen. The plan recommended doing a selective cut of approximately 75 acres and with the help of the forester, a logger was contracted to do this cut in the 1999/2000 time frame. The logging netted the Town about \$37,000 that was placed in a Forestry Fund that can be used to maintain the forest and conservation lands, promote and teach good forestry practices, and to acquire new lands through purchase or easement that would be added to the Town Forest. Approximately \$30,000 of that fund balance remains as of December, 2010. Plans are under way to do another selective cut in a different area of the Town Forest, however, no particular area has been selected and no dates have been set for the cut. Selective cutting greatly enhances the health and diversity of the forest and is usually recommended to selective cut an area every 15 to 20 years.

In the 1999/2000 time frame, the Boy Scouts from Troop 18 (sponsored by the Plaistow Fish and Game) approached the Conservation Commission about the potential for doing trail work in the Town Forest. It was the beginning of a cooperative effort that continues today. The scouts have done a dozen or more Eagle Scout projects in the Town Forest including building and maintaining trails,

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE CONSERVATION COMMISSION – TOWN FOREST (Continued)

building and creating bridges so that trail crossings of Kelley Brook can be easily accomplished, building and maintaining a wildlife observation platform, designing and installing a Town Forest sign at its entrance on Main Street, creating a trail map and markers and then building a kiosk to house the trail map, and putting the finishing touches on the parking lot and picnic areas.

The Conservation Commission created a set of regulations for the use of the Town Forest and they are soon to be approved by the Board of Selectmen which will then make the regulations official. A set of temporary regulations has been in place for a while, waiting for the final set of regulations to be prepared and approved.

Throughout the 10-year period of working with the Boy Scouts, the Conservation Commission has been working toward an official opening of the Town Forest. This finally happened in May, 2010. Nearly 40 years of careful stewardship and pride in the natural resources of Plaistow by dozens of volunteers and residents were celebrated at this event. Thanks again to the Boy Scouts who were they to provide guided tours of the trails and wildlife viewing areas and who passed out trail maps with a small packet of mosquito wipes attached to each map. Chuck Fowler, the Scoutmaster of Troop 18, made a special effort to contact all of the Eagle Scouts who had supervised a project in the Town Forest. Of the 13 scouts who had done projects, 11 were in attendance. It was a pleasure to see them all again and to see the pride they had that their work became a part of a much larger event that will continue to be an excellent resource for Our Community.

Thanks to Dan Garlington and his work crew for keeping the parking lot plowed during the winter months. Please be patient, however as it may take a couple days to get the roads plowed, sanded, and salted before resources can be directed to the Town Forest parking lot.

Respectfully Submitted,
Timothy Moore, Secretary

2010 ANNUAL REPORT

REPORT OF THE EMERGENCY MANAGEMENT OFFICE

I am again writing this at the request of the Director of Emergency Management, Bill Scully, while he is on a leave of absence. We all miss him and wish him well.

The Office of Emergency Management continues, as always, to work and coordinate with State and Federal agencies as well as Regional and our own Town Departments and Agencies to prepare Our Community for any possible natural or man-made disaster, including public health emergencies.

To that end, this office is currently working with the Rockingham Planning Commission (RPC), along with other Town departments, to update our Hazard Mitigation Plan. Not only does this important plan detail the Town's response to emergencies and disasters of all kinds, it is imperative to maintaining eligibility for State and Federal grants as they become available. Grants allow us to do more in the way of preparing for disasters and emergencies, while defraying the costs to Our Community.

The Hazard Mitigation plan also makes us eligible for other funding programs. The Federal Emergency Management Agency (FEMA) reimburses compliant communities for emergency and disaster relief funds spent. Again our Hazard Mitigation Plan must be reviewed and updated for Plaistow to be eligible for reimbursement. Updating this important document is critical to the emergency response potential of Plaistow.

Each year, in this report, Bill and I always speak to being ready for an emergency. Many hours are spent by many people at the Federal, State and Local level to ensure that we are as prepared as we can be for any emergency. An example would be prior to and during the H1N1 situation our Health Officer, Dennise Horrocks and others worked I don't know how many hours to get us all vaccinated and to keep us informed.

In 2010 many town employees took WebEOC training which enables us to access a secured web site and acquire information and/or supplies needed by Our Community in time of an emergency.

The Fire Department; Police Department; Emergency Management Team; and many Town Officials are also National Incident Management System (NIMS) certified by FEMA to provide a better and more coordinated level of service in a disaster.

Our Community is ahead of many others in the State of New Hampshire as being one of the first to develop both the Emergency Operations Plan (EOP) and The Town's Hazard Mitigation Plan.

You may need to survive on your own during and after an emergency. This means having food, water, and other supplies in sufficient quantity to last at least three days. While local officials and relief workers will be on scene after a disaster but they cannot reach everyone immediately. Help may arrive in a few hours or it may take days. Basic services such as electricity, gas water, and telephones may be cut off for extended periods of time.

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE EMERGENCY MANAGEMENT OFFICE (Continued)

Much like Our Community prepares a community emergency response, each of us should prepare a response to take care of our own family in a time of need. The Town's webpage www.plaistow.com has many recommendations on how you can be your own Emergency Management team and make a big difference in an emergency.

As always we invite the Our Community to become involved. Learn about how the Town prepares for disaster relief; assist fellow citizens during times of emergency; watch out for your neighbors; help out those in need if you can. If you have any questions you can contact the Town Hall or email me directly at mdorman@plaistow.com

2010 ANNUAL REPORT

REPORT OF FAMILY MEDIATION AND JUVENILE SERVICES

Family Mediation & Juvenile Services is a non-profit agency dedicated to serving the towns of Atkinson, Danville, Hampstead, Kingston, Newton, Plaistow and Salem, NH. Our mission is to provide quality resources to youth and families in order to reduce delinquency and out of home placements, and to empower them as individuals, family members, and citizens of the community. Please visit us at www.fmjs.org to learn more about the programs and services we have to offer, at low or no cost, to residents and their families.

This past year has been a year of change and growth. To ensure we are providing the most appropriate services for the residents of the towns we have been reviewing our programs and approaches. We are excited about introducing some new ideas and programs to the local communities in the upcoming year.

In addition to the existing staff, the agency now has the added layer an executive director. The position of Executive Director was created to ensure that there was an individual at FMJS on a regular basis that is responsible for overseeing daily operations, screening clients to make certain FMJS is operating within the scope of practice for the agency, to refer clients to appropriate resources when their needs exceed the services we are qualified to provide, and to support staff in the event of challenging situations that may arise with clients.

Roclyn Porter joined the staff in September, 2010 bringing 10 years of clinical experience working with families, particularly families with children who are involved in the juvenile justice system in one form or another. This work has included working with schools, medical facilities, law enforcement, and state and local agencies. She is a licensed marriage and family therapist, and she has experience in working with families in conflict and parental discord.

FMJS continues to offer the same services that have historically been offered. We continue to provide tobacco and substance abuse education classes, anger management, community service placement, and family mediation.

In considering the future, we are also looking forward to expanding our programming to include parenting classes, as well as education for a broader range of ages around substance abuse and anger management.

The members of the Board of Directors want to thank you in advance for your continued support as we grow and further develop our services, and please know you can continue count on FMJS to continue to provide the familiar support and programming we have in the past.

Respectfully Submitted,
Debra DeSimone, Chairman of the Board of Directors

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE FIRE DEPARTMENT

This year, your Town Report is focused on Our Community. As we think about , many things come to mind. When the members of your fire department think about Our Community, they think about giving of their time and talents to make a better place to live and work. We take great pride in what we do for the community whether it be helping with Old Home Day, assisting the Recreation Department with their activities or actually answering emergency calls. Our focus is on how we can help our Town move forward.

Becoming a member of the Fire Department is a significant commitment for an individual as well as their families. It's not an easy path to get onto and still harder to keep the high level of commitment that is required to do this job well. In any given year, we will lose members due to various reasons, be it increasing demands of the family or job or some members simply get burned out and need to take leave of absence. Over the last two years, we have had 3 members retire after serving Our Community for over 30 years. Bob Lang, Jr. retired in 2009 after 32 years of service to the town. Bob was one of the first Emergency Medical Technicians on the department

and was one of very few firefighters in the state to obtain the advanced certification of Firefighter Level III. He accomplished this at a time when the majority of Firefighters who had attained that certification were employed fulltime in the fire service, not volunteers. In 2010, Bill Scully and Bob Chooljian retired after 39 and 50 years, respectively, with the department. Bill was also one of the first EMTs with the department but didn't let that get in the way of heading up the Office of Emergency Management. For nearly 20 years Bill maintained our Civil Defense/Emergency Management program to ensure our readiness in the event of major catastrophe, while maintaining his very active duties with the Fire Department and holding the financial responsibilities of the Firemens' Association as their Treasurer. His tireless efforts during the 2008 Ice Storm were a clear demonstration of his commitment to . For anyone who has had the pleasure of meeting him, you know what we mean when we say Bob Chooljian is one of the most civic minded residents in town. Over his 50 years of service with the Fire Department, he answered thousands of fire calls as well as finding time to serve with both the Lions and the Fish and Game Clubs. As a member of the Fire Department, he held every position beginning with firefighter up to Deputy Chief, always with a smile and words of encouragement for newer members. The willingness of these members to put the needs of Our Community ahead of the needs of themselves (and their families) is part of the fabric that makes this town a special place to live and work. If you know these men, please take a moment to thank them for their unselfish years of service to Our Community.

Over the last couple of years, we have lived through some difficult economic circumstances. The members of your fire department have felt the same tightening of the purse strings and in some situations, loss of employment and homes. We are fortunate that our members have persevered and

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE FIRE DEPARTMENT (Continued)

continue to offer their time to the community. Throughout this period, we have looked for better ways to maintain the exemplary level of service you expect to receive and what we are prepared to provide, while keeping the cost of delivering those services well within our established budget. In that respect, we are thankful that you have supported our efforts by voting to approve those budgets. Recognizing that we are still facing a slow economic recovery, your continued support for our activities, particularly warrant articles for capital reserve (vehicle replacement program), will be greatly appreciated.

This year one of our more significant accomplishments involves increasing the services provided by our contracted transporting ambulance service, Trinity Ambulance. Working with the other communities served by Trinity, we were able to add an additional paramedic ambulance to our contract without incurring any cost for the service. This would not have been possible without the assistance of both Atkinson and Hampstead Fire Departments who allow Trinity to use their stations as a base a base of operations thereby minimizing their operational costs.

Your fire department is made up of three fulltime employees and up to forty on-call members. Each member, regardless of whether they are a fulltime employee or on-call member, values the opportunity to serve Our Community and is committed to meeting the ever increasing demands of the fire and rescue profession.

One of the more difficult aspects of being a member of a volunteer organization is the amount of time one must commit to maintain a high level of skill and proficiency, while also answering nearly 1,000 calls for service. The spirit of giving back to Our Community is based in the pride each member carries in the job they do and the service they provide to their neighbor. Although this can be one of the most demanding services that one can volunteer for, it is also the most rewarding. On those occasions when we either save a life or property (or both), there is nothing that can replace that particular sense of accomplishment. It is appropriate to take great pride and admiration in the members of your Fire Department. In the service they provide, we easily find not only a high degree of professionalism and great value, but also the acknowledgment that we have significant responsibilities to Our Community.

Please take a moment to **CHECK YOUR HOUSE NUMBERS**. We are finding more residences that are not clearly marked or ***do not have identification that is visible from the roadway***. Remember, if you call 9-1-1, we may not know exactly where you live. Help yourself before an emergency. Take the time to see how easy it is to spot your house in the daytime and at night. See if your neighbors' homes are clearly marked. We will use their numbering to locate your house and vice versa.

If you have a teenager who might be interested in the fire or emergency medical services, we are a proud sponsor of a Fire Explorers post. This group of young men and women, from the surrounding towns, meet weekly to study and train to become firefighters and EMTs. Plaistow has had a highly successful Explorer Program going back nearly twenty years and establishing the foundation for

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE FIRE DEPARTMENT (Continued)

many who have chosen this rewarding profession as their career of choice. Besides getting hands on experience with our fire department, our Explorers are required to maintain high academic standards at school, thereby acting as an incentive to a maintaining a successful high school education. For more information on the Fire Explorer program, contact any member of the Department or stop by the Public Safety Complex.

It is my goal to continue to develop and advance your Fire Department to meet the continually changing needs of the Town, in a fiscally responsible manner. We are constantly looking at ways to improve how we deliver our services to the Town, gaining efficiencies in our day-to-day operations and maximizing our resources at the Public Safety Complex to meet the demands of the community. If you feel you might be interested in joining the department, or would like more information regarding our activities, please feel free to contact us at the Safety Complex or call 382-5012.

Finally, the Town is extremely fortunate to have a group of citizens that are focused on giving so much back to Our Community. Without their dedication and sacrifice, the department would cease to exist as we know it. The hours spent responding to alarms is only the tip of the iceberg as it relates to participating in this organization. I am publicly thanking them for their continued service and dedication.

Thank you, the citizens of Our Community, for your continued support of your Fire Department. Without this support, we cannot do the job you expect of us. From the financial needs of operating the department to the compassion and respect you demonstrate to us when we are responding to calls, your interaction helps us to keep in focus as to why we exist as a vital part of .

REPORT OF THE FOREST FIRE WARDEN AND STATE FOREST RANGER

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands, work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the Plaistow Fire Department at 382-5012 or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. Information regarding outside burning within the Town of Plaistow can be found on the Fire Department's website www.plaistow.com. If you need more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdf.org.

This past fire season had a slightly lower number of fires, as well as lower number of acres burned than the 5 year average. What made this fire season somewhat unusual was that it lasted most of the summer. New Hampshire typically has a fairly active spring fire season and then the summer rains tend to dampen fire activity later in the season. This year virtually all areas of the state had fires throughout the summer due to the periodic dry spells throughout the season. As has been the case over the last few years, state budget constraints have limited the staffing of our statewide system of 16 fire lookout towers to Class III or higher fire danger days. Despite the reduction in the number of days staffed, our fire lookouts are credited with keeping most fires small and saving several structures due to their quick and accurate spotting capabilities. The towers fire spotting was supplemented by contracted aircraft and the NH Civil Air Patrol when the fire danger was especially high. The largest fire for the season was 10.3 acre fire in Charlestown. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2010 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

REMEMBER - ONLY YOU CAN PREVENT WILDLAND FIRES!

2010 ANNUAL REPORT

REPORT OF THE HAZARDOUS MATERIALS DISTRICT OF SOUTHEASTERN NEW HAMPSHIRE

Richard Hartung
Selectman, Hampstead
Chairman, Board of Directors

Chief Thomas McPherson, Jr.
Windham Fire Department
Chairman, Operations Committee

About the District

The District's membership is made up of 15 communities of approximately 360 square miles with a population of over 180,000 people within the Route 93 corridor. Essentially the District is bordered in the east by Route 125 and the Merrimack River to the west. North and south borders are defined by Manchester, Route 101 and the Massachusetts state line. The District was formed in 1993 to develop a regional approach in dealing with the increasing amounts of hazardous materials being used and transported within these communities. This District is recognized by the State of New Hampshire as the Regional Emergency Planning Committee (REPC) for the member communities. The REPC which consists of representatives from local government, industry, and the general public is working with industry to comply with federal regulations for the reporting of chemicals used within and traveling through the District.

The District draws its funding from an annual assessment from each community as well as from grants and donations. In 2010 the District applied for and received federal grants for equipment, training, and operational expenses totaling \$151,707.00. The Fire Chiefs from each of the member communities' make-up the Operations Committee of the District. This Operations Committee is overseen by a Board of Directors consisting of elected representatives from each community, who approve the budget and any changes to the bylaws. The Executive Board of the Operations Committee, which consists of the Chairman, Vice-Chairman, Treasurer, Technician Team Liaison, and one Member at Large, manages the operations of the District within the approved budget. The District employs a part-time REPC Director to manage the administration functions of the District, including grants management, financial management, and emergency planning.

The Emergency Response Team

The District operates a technical emergency response team. This response team is overseen by one of the member community's Chief Fire Officer who serves in the Technical Team Liaison position. The team maintains a four level readiness response posture to permit it to immediately deploy an appropriate response to a District's community's request for help involving an unplanned release of potentially dangerous chemicals within their jurisdiction. While the team primarily prepares for response to unplanned accidental chemical releases it is equipped and trained to deal with a variety of weapons of mass destruction (WMD) scenarios. The team maintains a host of specialized response equipment to deal with chemical and environmental emergencies.

The Emergency Response Team is made up of 39 members drawn from the ranks of the fire departments within the District. The team consists of 6 Technician Team Leaders, 28 Technician Level members, 5 Communication Specialists, and 3 Information Technology Specialists. In addition to members drawn from member fire departments, the team also includes members from

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE HAZARDOUS MATERIALS DISTRICT OF SOUTHEASTERN NEW HAMPSHIRE (Continued)

various backgrounds that act as advisors to the team in their specific areas of expertise. These advisors include an industrial chemist, and several police officers.

The Team maintains a fleet of vehicles and specialized equipment with a value of close to \$1,000,000. The vehicles consist of a mobile Command Support Unit, 2 Response Trucks, 2 Spill Trailers, an Entry/Intervention Trailer and a Mobile Decontamination Trailer. This mobile apparatus carries the team's equipment which includes chemical detection

and identification instruments, containment supplies, plugging, patching and intervention supplies, communication equipment, computer based and other chemical reference guides as well as chemical protective equipment. The team equipment is stored at various locations within the District, allowing for rapid deployment when the team is activated. Activation of the team is made by the request of the local incident commander through the Derry Fire Department Dispatch Center.

Response Team Training

In 2010 the Emergency response team completed 1808 hours of training, during monthly training drills and specialized classes attended by team members. This training included confined space entry, hazardous materials operations, Level A entry drills, radiation detection equipment operations, chemical identification, facility familiarization, transportation emergencies, Incident Command. Additionally training was provided by the Domestic Preparedness Equipment Training Assistance Program on various chemical detection equipment, Weapons of Mass Destruction, Personnel Protective Equipment, and "Hot Area Operations".

The Team also provided 88 hours of instruction to member fire departments, in various Hazardous Materials subjects, including on-scene operations and decontamination. The District in conjunction with the International Association of Firefighters provided a 80 hour Hazardous Materials Technician Class to 27 members of member fire departments.

Emergency Responses

In 2010 the Team responded to 19 incidents within the District. These incidents included requests for technical assistance for member departments where a Response Team Leader provides consultation to the fire department on the handling of an incident. Additional responses included incidents involving the identification of spills of unknown substances, hydrocarbon spills, large propane and natural gas leaks and response of the mobile command post to support departments during large scale incident. For further information about the Southeastern New Hampshire Hazardous Materials District please visit our website at www.senhazmat.org.

Respectfully Submitted,
Board of Directors, Southeastern NH Hazardous Materials District

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE HEALTH DEPARTMENT

Public Health Emergency Preparedness and Response

Following the very successful H1N1 clinic at Timberlane Regional High School in December 2009 and due to numerous requests from individuals for free, local H1N1 vaccination opportunities, the Plaistow Health Department, in partnership with the Greater Derry All Health Hazards Region held an H1N1 clinic on February 22, 2010 at the Plaistow Town Hall. This was a free, walk-in clinic offering vaccinations for individuals ages 6 months and older and booster doses for ages 6 months to 9 years. The clinic was advertised with the assistance of the Timberlane Regional School District's AlertNow Rapid Communication Service and area businesses who advertised the clinic on outdoor signs in high traffic locations. A total of 114 doses were distributed in three hours.

Public Health Activities and Initiatives

Take a Bite Out of Lyme

This spring, the First Annual Lyme Disease Poker Run Motorcycle Ride was held, starting at the Carl G. Davis American Legion Post 34 on Main Street. This event, supported by the Plaistow Lion's Club, the American Legion Post 34 and Master-Cycles of Plaistow was a Lyme Disease Awareness and fundraising opportunity. Approximately 150 bikes and 209 people enjoyed the 80 mile ride, food, live entertainment, raffles and prizes and helped in the fight against Lyme Disease. The Health Department participated in this event by displaying and providing educational materials on tick identification and removal, prevention, symptoms, treatment, and landscape management to reduce tick population.

Red Ribbon Week

Red Ribbon Week is a time when people across the State of NH and the Country promise to stay drug-free and affirm their commitment to drug prevention and education by wearing red ribbons, red t-shirts, or anything red. The Plaistow Health Department celebrated this event with a display in the Town Hall lobby offering free red ribbon pins, red bracelets with the "living drug free" pledge, and numerous educational materials on drug prevention.

Free Health Screening

Each fall, the Friends of the Plaistow Public Library sponsor a Holiday Fair at the library with numerous vendors selling a variety of specialty items and holiday gift. New this year, the Plaistow Health Department participated in this event by offering free health screenings and health information to attendees. A special thank you to Parkland Medical Center for assisting with this event!

Public Protection from Food-borne Illness and Disease

Plaistow is one of only 16 towns or cities in the State that has the authority to license and inspect all food service establishments and retail food stores located in Our Community. This is an important benefit for our town, allowing rapid local response and action to ensure that food is prepared under safe and sanitary conditions. This is accomplished through routine inspections, follow-up inspections, complaint investigations, food-borne illness investigations, plan reviews of new or remodeled establishments, and training in safe food handling.

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE HEALTH DEPARTMENT (Continued)

Because of credible terror threats aimed at food establishments, guidance documents to improve suspicious activity awareness and food security preventive measures were distributed to food establishments in Plaistow. These guidance documents are intended to be posted in work areas within food service and retail food establishments to make employees aware of what they should be looking for each day and what actions they should take if they observe something suspicious. This effort is part of the "If You see Something, Say Something" Campaign.

Comprehensive Mosquito Surveillance and Control Plan

Mosquito surveillance and control are fundamental components of any response plan aimed at preventing mosquito-borne diseases, such as Eastern Equine Encephalitis (EEE) and West Nile virus (WNV). Mosquito surveillance includes targeted mosquito trapping, species identification, and testing of mosquitoes for EEE and WNV. Mosquito control includes source reduction of habitats where mosquito breed (e.g., draining standing water) and chemical control through the appropriate use of larvicides and adulticides (chemicals aimed at killing mosquito larvae and adults). Adulticiding may be performed as "spot spraying", targeting specific high-activity areas. Plaistow has a mosquito surveillance and control plan that has been approved by the Commissioner of the Department of Health and Human Services. In 2009, the Commissioner of DHHS declared a public health threat (from mosquito-borne viruses) declaration in Plaistow, and this continued into 2010. This enabled Plaistow to apply for financial assistance for specific mosquito control activities.

During 2010, there was one positive human case of WNV identified. The State of New Hampshire also reported that 1 mosquito group tested positive for WNV and 1 animal (horse) tested positive for EEE.

Resource for Public Health Concerns and Information

The Plaistow Health Department works collaboratively with State and local partners to provide the public with accurate information on emerging public health concerns for Our Community. Food and product recalls, EEE, and disaster preparedness are just some of the recent concerns in the news.

Questions on these and many other topics can be found on our town website, www.plaistow.com or by contacting the health department at 382-2494 ext.21.

Respectfully Submitted,
Dennise Horrocks, Plaistow Health Officer

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE HIGHWAY DEPARTMENT

The Plaistow Highway Department personnel in 2010 included Dana Rabito, Foreman, Aaron Shea, Laborer, Andy Jones, Laborer, one temporary summer hire, Mike Gaft, and me, Daniel Garlington, Highway Supervisor. With assistance from outside contractors, the Highway Department was able to complete other public works projects and responsibilities as highlighted in this report.

The winter of 2010 was average, which gave the budget a reprieve regarding winter weather related issues. As we all know, severe winter weather really takes its toll on Highway Department personnel, outside contractors, Town equipment, and of course, the budget. Each spring, with the assistance of F.B. Hale of Hudson, NH, the Highway Department has all of the streets swept to remove any leftover debris from the past winter season.

In a continued effort keep costs down, the Highway Department, which started maintaining the recreation fields on Old County Road in 2009, took over the maintenance of *all* Town owned facilities. In addition to the lease/purchase of two commercial size mowers, the Highway Department purchased a trailer and several pieces of landscaping equipment, all which is stored in the Highway Garage.

Other important work conducted by the Highway Department in 2010 included brush cutting, numerous street sign installations and repairs, and the repair of 13 catch basins. In order to facilitate the critical need to clear roadsides, the Highway Department proposed the purchase of a roadside brush cutter in the Town's Capital Improvement Program (CIP) and as a 2011 Town Warrant.

The Highway Department, working closely with contractors, assisted with various tasks associated with the reconstruction of the Garden Road Bridge, and the widening of a portion of Westville Road required as part of the construction of the new Rite Aid. The Highway Department also began working with the New Hampshire Department of Transportation (NHDOT) on the next segment of the Route 125 widening project which includes the section from Walton Road to Old Road.

Another significant responsibility that the Highway Department has is maintaining the requirements of the Environmental Protection Agency's (EPA's) MS-4 Stormwater Permit requirements. 2010 activities included the identification and mapping of all outfalls in Plaistow with the use of a Global Positioning System (GPS). Following the identification of the outfalls, Highway Department staff had to conduct "Dry Weather" and "Wet Weather" water testing at each outfall, testing for various EPA required criteria. Additionally, in the fall, the Highway Department hired the company N.E. Storm water Management of Nashua, NH to clean 270 of the Town maintained catch basins. This process removes a year's worth of debris from the basin and also gives the Highway Department one last chance to inspect it before winter.

In closing, I wish to once again express my sincere thanks to all the residents, hired contractors, the Board of Selectmen, Town Manager, and most of all, to my staff for their continued support.

Respectfully Submitted,
Daniel Garlington, Highway Supervisor

Highway Supervisor Dan Garlington

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE HIGHWAY SAFETY COMMITTEE

During 2010, the Highway Safety Committee, advisory to the Board of Selectmen, met monthly to discuss agenda items of importance to the Town's public safety. Of particular note, is an on-going Main Street Calming/Corridor Study by the Rockingham Planning Commission tasked to find ways to lower speed on Main Street and encourage trucks to seek an alternate route. The Committee also approved the Police Department's application for various enforcement grants during the year.

The Committee, during the year, met monthly and discussed general sidewalk improvements, the sidewalk grant for Greenough Road, inclusion of the Committee into the Town's Master Plan, speed limits as posted on Town roads, raised crosswalks at various locations in Town, and "No Thru Trucking" on Wentworth Avenue.

We would like to acknowledge our citizen volunteers for their time commitment to the Committee; Ernie Sheltry, Lisa Withee, and Richard Latham.

Respectfully Submitted,
Stephen C. Savage, Chief of Police, Chairman

2010 ANNUAL REPORT

REPORT OF THE HISTORICAL SOCIETY

Noted archaeologist, David Stewart-Smith visited the museum, to view the Paul Holmes collection of Prehistoric Native American artifacts, as well as colonial period artifacts. Mr. Stewart-Smith's visit to the museum concluded his wonderful presentation, at Town Hall, on the local area after the last ice age.

After a hiatus of six years, the tradition of presenting the Boston Post Cane to Plaistow's most senior citizen, was reinstated. At 97 years old, Dena DiPietro Carbone is now officially recognized as the oldest resident in town and the new recipient of the gold headed, ebony Cane. All the credit for the extensive research goes to Diann Robinson.

We were visited by Bob Gray, of the Plaistow First Committee. We discussed serious issues

with the water, septic and HVAC systems. Old Home Day went well and we were very grateful to Daryl Briton for volunteering a flight for two, to Bar Harbor, as a raffle item.

Members of the Historical Society with the Board of Selectmen and Town Manager

Alden Palmer gave an interesting presentation on a local service club that existed in Plaistow, called the Deodorized Order of the Skunk. We were saddened to lose a stalwart member and former officer, Charlie Crockett. Charlie was also a member of the Lions and a veteran. Roy Jeffrey took on the task of identifying all of the WWII veterans in Plaistow. His research culminated with a special Memorial Day program, honoring all WWII veterans. Diane Robinson, Bob Hobbs and Jeanne Smith moved part of our WWII uniform exhibit, to the Sargent Hall in Town Hall, to form a special display.

We were pleased to support a grant to repair the old town clock and we thank Don Sargent for his generous gift, as well. We were pleased to have J. Dennis Robinson, of Portsmouth, Come and present "John Paul Jones, America's First Action Hero". It was a very unique and amusing way to look at the naval hero. Professor Richard A. Hesse gave us a similarly insightful presentation on "Daniel Webster, NH's First Favorite Son."

We were pleased to participate in the Recreation Department's Toddler Trick or Treat and we were saddened to lose town icon and PHS charter member, Ruth Jenne.

We held a work day to help us to better organize the artifacts of Our Community. Volunteers go to the museum on most Thursday mornings, between 10 am and Noon. We would like to have more members. Dues are only \$10. Some people find that the Society fits in very well with some of their wider ranging interests and hobbies. Meetings are held on the third Tuesday of the month at 7 pm, except for Jan. & Feb. The public is always welcome to our meetings and other events. Our Dec. meeting is an annual dinner. This year it was at Rick's Restaurant.

Respectfully Submitted,
Robert J. Carolan, President

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE HUMAN SERVICES DEPARTMENT

The basic responsibilities of the Human Services Department are outlined in RSA 165:1 and states that “Whenever a person in any town is poor and unable to support himself, he shall be relieved and maintained by the overseers of public welfare of such town, whether or not he has a residence there”. Unlike State and Federal Assistance that have limited responsibilities and more time to process applications, the Town has greater short term responsibilities. A majority of residents that approach the Town for assistance are in an emergency situation and need shelter, heat, power or food that day.

RSA 165 provides a set of minimum standards that must be met to assist a resident. The local Human Services Department is often the only assistance that will help residents out of an emergency situation. The Town of Plaistow focuses on assisting residents in rebuilding their lives. Through case management, the Town is able to aid residents in restoring themselves to an independent status, often renewing their outlook on life and rejuvenating their desire to begin the rebuilding process.

The duties that are outlined in RSA 165 are considerable but are not boundless. A person applying for assistance must meet a set of guidelines for assistance. The Board of Selectmen approves the guidelines each year. Clear guidelines can avoid misunderstanding in decisions rendered. The guidelines exist to prevent arbitrary decisions, yet remain flexible so that special needs, such as medical or unforeseen situations, are considered. The Board of Selectmen also approves allowable levels each year. Allowable levels are reviewed yearly to insure that the needs of the applicant are met and the numbers used are not artificially low.

The basic formula that Human Services Coordinators use is: *basic need minus income/available assets = the amount of assistance*. The need formula is applied to a household as a whole. When a household is approved for assistance, a voucher is used to pay for rent, heat, electric or food. Cash is never given from the Town to an applicant. Local assistance involves looking at the whole picture. It is designed to assist a household through a difficult circumstance and return the household to self sufficiency. It is the Human Services Coordinator who leads the applicants on a path to personal and financial renewal.

Many people are not aware that the assistance the Town provides to residents is not an outright grant. Under RSA 165:20-b, a resident is expected to repay the assistance they received when they return to an income status that allows this to be possible without creating a financial hardship. If the resident owns property in Town, a lien is placed on the property until the funds are returned to the Town.

It has been another busy year for the Human Services Department assisting residents. Requests for financial assistance continue to remain steady, with support provided for rent, heat, electric, food and other basic maintenance needs. In 2010, 201 residents made contact with the Human Services Department, 53 were granted assistance and 201 were provided with a list of or referred to additional public and private agencies for assistance.

Requests for financial assistance continue to increase, with support provided for rent, heat, electric, food and other basic maintenance needs. In 2010, the Town of Plaistow budgeted \$53,350 and spent \$30,023 in direct assistance.

Town of Plaistow, New Hampshire
2010 ANNUAL REPORT

REPORT OF THE HUMAN SERVICES DEPARTMENT (Continued)

In addition to administering the general assistance budget, the Human Services Department oversees annual Town contributions to area non-profit organizations. These organizations are a valuable asset to all residents in Our Community. Many of these organizations offer free or income-based services. Each agency is asked to submit an application for review in the fall. Through this multi-question application and personal interaction, a determination is made to continue, increase or decrease funding. The services provided by these organizations are available to all residents. For more information please see The Human Services Department page on www.plaistow.com.

With gratitude and admiration we thank the many individual citizens and organized groups who continue to serve Our Community. Because of your unselfish efforts you bring joy to many families. "A generous heart, kind speech, and a life of service and compassion are the things which renew humanity."

Respectfully Submitted,
Human Services Department

2010 ANNUAL REPORT

REPORT OF THE LIBRARY

After 30 years as the Plaistow Public Library Director, Laurie Houlihan retired on November 30, 2010. Laurie's dedication and passion for the library are evident throughout the library building, with the library customers and within the entire Plaistow community. Her accomplishments during her tenure both in the "old" library and here in this beautiful new facility are too numerous to mention. It is due to her strong leadership skills, unique organizational skills and wonderful personality traits that I was so easily able to take over this position of Library Director. I thank Laurie on behalf of myself, the Board of Trustees, the library staff and the library patrons for her many years of service to the Plaistow Library. I look forward to continuing the traditions of excellent customer service, quality children and adult programming, providing up-to-date technology and a wide variety of materials for all of the residents of Plaistow. We are always looking for ways to provide the services that our customers need and deserve.

A few other staffing changes took place during 2010. Judith Muenier, Cataloger, also retired in August. Rand Hall, a recent graduate of the University of Pittsburgh, took over from Judith as the library's cataloger. Noelle Giragosian, Student Aide, also left the library in August and was replaced by Annie Averill. The rest of the staff include LuAnn Blair, Assistant Director/Head of Youth Services, Marjorie Knowles, Interlibrary Loan, Anita Micale, Head of Circulation, Florence Rullo, Circulation Desk, Kelli Lennon, Circulation Desk and Amanda Plante, Student Aide. We are fortunate to have Gerry Marchand as our part time maintenance person. Gerry's dedication and interest in this building serve us very well. We are also very fortunate to have Rick Blair as our IT professional. Rick is always there to answer our questions, give us technical advice and solve computer problems for us. Our staff is always given the opportunity for training, both in house and away from the building. We have also been closing the building for a few hours a couple of times a year in order to have all staff meetings for continuing education and long range planning.

Diane Arrato Gavrish, Newly Appointed Library Director, and Retiring Library Director, Laurie Houlihan

Thanks to the Friends of the Library who sponsored a Vendor Fair in November. With the proceeds from this event the group was able to provide library patrons with passes to various museums in the local and Boston area. The Plaistow Friends of Rec also donated a pass to Imajine That, a nearby children's museum. All of these passes offer reduced admission to card holders and are available to be reserved in the library as well as online.

Volunteer opportunities are available at the library in many different areas. If anyone is interested in learning more about this please come in and check with anyone in the library. Our Summer Reading Program, Make a Splash at your Library, was successful, in part, due to Tina Shaw who spread the word to local merchants about the benefits of donating raffle prizes. Over 1,700 adults and children entered to win raffle prizes! Over 100 people signed up at Old Home Day to participate in the summer programs and came to opening day activities. We cooperated with the Town Recreation Department on a weekly basis to provide programming for Our Community.

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE LIBRARY (Continued)

Additional thanks go to all those who have donated to the library in the form of money, books, computers, etc during the past year. We appreciate your support! We are happy to be able to provide meeting rooms for non-profit groups both during the day and at night. These rooms are used almost every day for some program or group. Check with us if your organization is looking for a place to meet.

As we venture into 2011, it is my hope that the Library will continue to be a vital part of Our Community. Now you can check out our interactive website, www.plaistowlibrary.com, friend us on Facebook and follow us on Twitter! I am looking forward to us loaning electronic readers, offering more databases that can be used both in the library and remotely, having information, educational and entertaining programs for citizens of all ages and books, magazines and newspapers that are of interest to the wide variety of users that come through our doors. We will also be embarking on implementing a new automated circulation system which will enable both the staff and the card holders to have many more options as they use their library. Our neighboring communities of Sandown, Danville and Atkinson are also investigating a new system that would allow us to better share our collections since we all serve the families who attend Timberlane Regional High School.

I wish to thank the staff of the library, the Board of Library Trustees and the Town Officials, as well as the wonderful patrons who have made me feel so much at home here in Plaistow. It is with your support, interest and friendship that the Plaistow Public Library will continue to move forward and thrive.

The following is a summary of statistics about the Library from 2010:

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT ON MOSQUITO CONTROL

The 2010 mosquito season was quiet and rather uneventful but I'm not complaining. It was nice to have a season where Eastern Equine Encephalitis (EEE) wasn't ruining the summer. Dry conditions helped to keep the mosquito population down. New Hampshire didn't escape the year without some arboviral activity. There was one EEE horse in Freedom, one West Nile Virus (WNV) mosquito sample in Manchester and a human case of WNV in Mason, NH. Over the border, Massachusetts was experiencing record levels of disease activity prompting the State to conduct aerial spraying in some counties.

Dragon has identified 115 larval mosquito habitats in the Town of Plaistow. Crews checked freshwater sites 316 times throughout the season. There were 55 sites treated to eliminate mosquito larvae. In addition, 1135 catch basin treatments were made to combat disease carrying mosquitoes. Adult mosquitoes were monitored at four locations throughout town. The mosquitoes were collected in light traps, identified to species, and sent to the State Lab to be tested for diseases. None of the mosquitoes collected in town tested positive for disease. Spraying to control adult mosquitoes was not conducted last season since no EEE or WNV was found in Plaistow.

The proposed 2011 Mosquito Control plan for Plaistow includes trapping mosquitoes for disease testing, sampling wetlands for larval mosquito activity, larviciding where mosquito larvae are found, efficacy monitoring and emergency spraying when a public health threat exists. The control program begins in April when mosquito larvae are located in stagnant water such as swamps, marshes, ditches, and woodland pools. Trapping adult mosquitoes begins in July. The mosquito control program ends in late September or early October when temperatures drop and daylight diminishes.

Dragon will be introducing an organic larvicide to our arsenal of products for the municipal control program. Natular™ will be the first organic larvicide used to control mosquitoes for municipalities in NH. Natular™ is listed by the Organic Material Review Institute (OMRI) for use in and around organic agriculture.

Homeowners can reduce the number of mosquitoes in their yard by emptying any outdoor containers that hold standing water such as buckets, trash barrels, and boats. Tires collect enough water for mosquitoes to survive. It is also a good idea to change the water in bird baths every two or three days.

If you're new to Our Community and do not want your property treated for mosquitoes, then a written request is needed. Please send a letter to Dragon Mosquito Control, P.O. Box 46, Stratham, NH 03885. Be sure to include your name, physical address, phone number, and a description of your property with boundaries. Otherwise, your property may be treated. Anyone who sent a written request in 2010 may call the office to reaffirm your request. Our phone number is 964-8400. You may call our office for assistance regarding mosquitoes, the insecticides we use, spray dates, or questions about EEE or WNV.

Respectfully submitted,
Sarah MacGregor, President of Dragon Mosquito Control, Inc.

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE OLD HOME DAY COMMITTEE

Old Home Day is a true symbol of New Hampshire's enduring traditions. In 1899, Governor Frank West Rollins designed a week of agricultural events, known then as Old Home Week. One hundred and five years later communities throughout the country have adopted this New Hampshire based tradition by celebrating Old Home Day. This special day is designed to reunite current and past neighbors, while celebrating the uniqueness of individual towns.

The Town of Plaistow has successfully preserved the traditions of the past, while infusing an element of current customs into the Town's Old Home Day event. The Town holds Old Home Day on the last Saturday of June each year with the goal of the event to provide fun, food and festivities to residents and visitors alike. It is a special day to socialize and enjoy the cultural benefits of living in a New England community like Plaistow.

The Old Home Day Committee once again battled the budget restraints in 2010. The committee tried a couple of fundraisers to help raise money for fireworks. There two fundraisers held at Applebee's and one at Uno's. Northern Sky Aviation generously donated two tickets for a plane ride to Boothbay Harbor Maine. The committee sold raffle tickets with the proceeds going to the Fireworks Fund. We also had a couple of sponsors this year. Ashley MacLeod's Dance Dreams sponsored the Baby Contest and Rick Johnston Electric sponsored the softball game. The committee was able to raise \$2,144.87 for fireworks. Unfortunately it was not enough for this year but was earmarked for fireworks in 2011.

The parade went off without a hitch. The car show was moved over to the Pollard School to be close to other festivities. We also had a rock climbing wall and other children's events over at Pollard. There were plenty of vendors and activities going on around the Town Green including a Caricaturist and bouncy houses. There were also classical performances throughout the day by Heartstrings.

The Friends of Plaistow Recreation sponsored a Cow Patty Bingo and JR Olympics at P.A.R.C on Sunday again with great success. The Plaistow All Star Team stole the trophy from the Plaistow Fire Dept. this year at the "Hero's on the Diamond" softball game.

This year the committee was fortunate enough to have plenty of volunteers. We were able to get volunteers again from the Historical Honor Society from the high school to help out during the day while fulfilling their community service requirements. We also had many family members and friends of the committee dedicate their time to Old Home Day. Without all our volunteers the day would not run as smooth as it does. The Committee meets once a month beginning in January through June at the Plaistow Town Hall. The public is always welcome and volunteers are always needed.

Respectfully Submitted,
Tami Smith, Chairman

Town of Plaistow, New Hampshire

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE PLAISTOW AREA TRANSIT ADVISORY COMMITTEE

The Plaistow Area Transit Advisory Committee (PATAC) was formed as a grass roots organization in 1990 with charter members from Plaistow and all surrounding towns as well as representatives from Rockingham Planning Commission, NH State transportation officials, and local transit companies. A 3-phase goal was established to 1- create a Park and Ride lot at Westville Rd and Route 125, 2- establish Plaistow to Boston express commuter bus service and 3- extend the MBTA service from Haverhill to Plaistow. The 1st 2 goals were obtained in the mid 1990s and the 3rd goal is being actively worked; more progress was made in 2010 than in the last 10 years.

Nothing contributes more to a community's quality of life more than its infrastructure and transportation infrastructure is a significant piece of the community-wide infrastructure.

The completion of the Rt. 125 construction along with implementation of traffic calming techniques along Main St. will enhance the quality of life in the Village Center District of the town and should provide a more efficient flow of traffic on Rt. 125. Of any infrastructure improvement that a community makes, few have a bigger impact than the addition of a rail station. It not only improves the transportation options but also serves as a large economic driver for the Town's economy.

Town Officials meet with State leaders to discuss Plaistow's future

Plaistow Rail Station Status:

A Congestion Mitigation Air Quality (CMAQ) grant (\$976,000) was obtained by PATAC in 2001 to help fund the MBTA station. This grant of federal money was later modified such that it could be used to fund a Plaistow train station for either an MBTA stop or an Amtrak Downeaster stop. The expenditure of these funds was also placed on hold until 3 key issues were resolved: 1) source of 20% local matching funds, 2) trackage rights for MBTA to use Pan Am Railways' tracks in Plaistow, and 3) source of long term subsidies.

The MBTA has been under pressure for several years to move their layover station (where the Haverhill line commuter trains are parked at night) out of Bradford. This project was well underway until the Massachusetts budget crunch and the reorganization of various transportation agencies into a single Massachusetts Department of Transportation took center stage and put all projects on hold. This reorganization was completed on November 1, 2009 and the MBTA now has renewed interest in getting the layover facility relocation completed. The preferred site for the layover facility is at the former location of Westville Homes which is very close to the proposed location of the Plaistow rail station. As part of a required environmental assessment, an alternate site analysis must be undertaken to see if there is another site that could meet the facility requirements with less impact. Note that the assessment includes not only the obvious impacts to wetlands and natural resources but also includes historical, cultural, and social impacts such as fumes and noise. All must be mitigated to US Environmental Protection Agency (EPA) standards.

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE PLAISTOW AREA TRANSIT ADVISORY COMMITTEE ***(Continued)***

A project team was put together to advance the project when a new round of CMAQ funding became available in 2010. The team included the Plaistow Town Manager (Sean Fitzgerald), the Plaistow Town Planner (Leigh Komornick), the Plaistow Building Inspector and Code Enforcement Officer (Mike Dorman), a Senior Transportation Planner from the Rockingham Planning Commission (Scott Bogle), the Executive Director of the Rockingham Planning Commission (Cliff Sinnott), the Deputy Commissioner of the NH Department of Transportation (NHDOT) (Mike Pillsbury), the Administrator of the NHDOT Bureau of Aeronautics, Rail, and Transit (Kit

Morgan) and Tim Moore. A technical assistance grant (\$30,000) was received from RPC and required a 20% local match which was provided by the Town of Plaistow. This grant was used to hire consultants Kris Erickson and Scott Bosworth both of whom have rail project experience as well as being former members of the MBTA staff providing an in depth knowledge of the MBTA personnel and policies/procedures.

The new round of CMAQ funding required a letter of intent [to apply for the grant] that was due in January, 2010. The letter of intent also required a general scope of what the project would be and an approximate cost estimate. The final application was due on April 1, 2010 and a final presentation to the NH CMAQ committee was made on December 10, 2010. The Town of Plaistow submitted a request to amend the scope of the previously awarded CMAQ grant to include additional funds the following:

- 1) Preliminary engineering and environmental assessment,
- 2) Construction enclosed rail station at the Park and Ride lot,
- 3) Construction of a rail siding and associated switching so the station is not on the main line tracks,
- 4) Purchase land/easement for the rail siding adjacent to the existing Park and Ride Lot,
- 5) Purchase of land for the layover facility,
- 6) Funds to mitigate any environmental impacts, and
- 7) Purchase of bi-level rail cars to provide seating capacity for NH riders and to offset any operating costs not covered by fare box revenues.

The revised CMAQ application requested an additional \$7.4 million to complete the above 7 items for a combined (2001 & 2010) total of \$8.4 million.

We did it!!! On Friday, January 28, 2011, the NH CMAQ Committee informed us that our project has been selected and fully funded. A great job by a very knowledgeable and dedicated team made this happen. Thanks to all! The project team has worked and continues to work closely with the MBTA to remove all the barriers that have prevented this project from moving forward. Pan Am Railways and the MBTA now have a trackage rights agreement in place that will allow the MBTA to provide commuter rail service to Plaistow. The MBTA has agreed to provide the 20% local match for any federal funds, such as CMAQ, received for this project. The MBTA will fund the engineering and construction costs of the layover facility. The NHDOT, Town of Plaistow, and the MBTA are working on the details of the Pentucket Partnership that will specify capital equipment purchases for the MBTA in exchange for the rail service.

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE PLAISTOW AREA TRANSIT ADVISORY COMMITTEE (Continued)

Goals for 2011:

1) Completion of the Pentucket Partnership, 2) Completion of the environmental assessment, 3) State and Local approvals required for start of service, and 4) Completion of the preliminary engineering required for the project.

Downeaster Update:

The Northern New England Passenger Rail Authority (NNEPRA), operator of the Downeaster service, received a \$35 million federal grant to complete the expansion of the service from Portland to Brunswick. The State of Maine will also contribute \$3 million to the project. Two of the 5 current Downeaster trains will travel to Brunswick where Maine Eastern Railroad will provide connecting service to Rockland, Maine. The Brunswick service is expected to start in 2012. The project is on schedule with 22 of 30 miles of track upgraded.

New Hampshire Rail Transit Authority (NHRTA) Update: NNEPRA was not alone in obtaining federal funds for rail improvements; Vermont and Massachusetts both received significant funding to improve rail service for their residents. The NHRTA was also successful in obtaining \$1.9 million from the Federal Transit Administration (FTA) and \$2.4 million from the Federal Railroad Administration (FRA) for planning and preliminary design work on the New Hampshire Capitol Corridor rail service. These grants cover the area from Concord, NH to Boston, MA via the existing MBTA Lowell line (Lowell to Boston). The ultimate goal of the NH Capitol Corridor service is to be part of a Boston, MA to Montreal, QC high speed (defined as 110 mph or more) rail service.

Route 125 Update:

Construction resumed in 2010 for the next phase of improvements – the Danville Rd, Old Rd, Jesse George Rd, and Main St intersections as well as the jug handle on the east side of Rt. 125 across from the intersection at Walton Rd. It is expected the construction will take 2 construction seasons with a final completion date of late 2012 or early 2013.

The following phase of improvements is expected to begin in 2013 and will include the widening of Rt. 125 from East Rd. to Old Rd. with a signalized intersection constructed at the entrance to Brickyard Square plaza.

The final phase of construction will begin in 2015 and will include the widening of Rt. 125 from Old County Rd. to match the widening already completed for the intersection of Newton Junction/Hunt Rd. in Kingston. It will also include reconstruction of the Kingston Rd. intersection in Plaistow along with the reconstruction of Granite St. in Kingston to a signalized intersection at Roadstone Drive in Kingston. This is scheduled to be completed in 2017, more than 30 years since reconstruction efforts on Rt. 125 began at the Haverhill, MA line.

Respectfully Submitted,
Timothy Moore, Chairman

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE PLAISTOW FIRST COMMITTEE

The Board of Selectmen established the Plaistow First Committee consisting of 10 citizens in an effort to provide effective tools to be used by management to determine and meet the long term needs of Our Community.

The Plaistow First Committee is made up of three (3) subcommittees as follows:

The Needs Subcommittee includes Bob Harb, Bob Gray and George Melvin. Their purpose is to create a needs list of property and buildings after reviewing the Master Plan and interviewing the Board of Selectmen, Town Manager, Town Department Heads, Fire, Police, and any else the Subcommittee deems they wish to interview. This discussion should include water and conservation issues (to be more particular defined by the Selectmen shortly in response to a request from this Committee.

Plaistow First Committee Members

The Use (Usage) Subcommittee includes John Sherman, Dick Latham and Charlie Lanza. Their purpose is to review how Town property is presently being used and to recommend properties that should be used differently.

The Disposition Subcommittee includes Tim Moore, Dave Hansbury and Paul Sickel. Their purpose is to report on suggested properties that should be disposed of /sold by the Town;

The Acquisition Subcommittee includes all members of the Plaistow First Committee. The purpose of this subcommittee is to report on properties the Town should consider acquiring and/or a plan for future Town acquisition of properties.

As staff support to all of the subcommittees, resource assignments will be carried out by Leigh Komornick, Mike Dorman and Sean Fitzgerald.

Upon completion of the work of the above three sub-committees, the Plaistow First Committee will collectively review and present recommendations to the Board of Selectmen. These recommendations will include the disposition, acquisition, and usage of land and easements in order to best use the Town's resources for the future of Our Community.

Respectfully Submitted,
Bob Harb, Chairman

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE PLANNING DEPARTMENT

The Plaistow Planning Board is an important elected municipal board comprised of five members – four elected citizens and one Selectmen’s representative appointed by the Board of Selectmen. In addition to elected members, the Planning Board is often joined by citizens who volunteer to serve as an alternate. The Planning Board meets the first and third Wednesdays of the month.

While Our Community remains a desirable place to live and work, there has been a slowdown in building activity. Residential and commercial growth continued to be “sluggish”. However, the number of vacancies in existing plazas and buildings did not increase.

Each year, the Planning Board prepares amendments to the Town's zoning and land use regulations which help guide land use and development activity. The Planning Board is also responsible for maintaining the town's Capital Improvement Program and Master Plan. In the fall, the Planning Board heard a presentation by Steven Lewis, of Steven Lewis Inc., on low impact development techniques utilized in his projects. These techniques are being evaluated and will be considered for amendments prepared in 2011.

During 2010, the Planning Board proposed several Zoning Amendments including:

- ❖ Rezoning of a few parcels to be entirely within the residential district.
- ❖ Clarification of requirements for mixed uses in the Village Center District.
- ❖ A New Post Construction Stormwater Ordinance

A major role of the Planning Board is to review and approve subdivision and site plan applications for residential and commercial development. Also throughout 2010, the Planning Board reviewed and approved numerous subdivision, site plans and minor site plan applications. Highlights include:

- A site plan for the construction of a new 3,200 square foot building to be used as an auto body shop at 38 Westville Road.
- A site plan for a 35 unit Elderly Housing Project. Access to this project will be through an extension of Hillcrest Avenue in Plaistow and will be located on 23.11 acres.
- A subdivision and site plan for property located at 166 Plaistow Road for additional parking and septic system.
- A minor site plan for ProBark to sell mulch, soil, pellets, firewood and related landscape materials at 96 Plaistow Road.
- A site plan amendment for 8 additional exam rooms, the reduction of bedrooms, and more parking spaces at an existing dental office and four-bedroom residence located at 159 Main Street. The plan included a one-way internal travel aisle and improved entrances off of Main Street.

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE PLANNING DEPARTMENT (Continued)

- An “As-Built” plan for the removal of 409 square feet of bituminous concrete pavement located within a wetlands buffer for property located at 116 Main Street.
- A site plan amendment to the building located at 63-65 Plaistow Road for 800 square feet of additional building to be used for coolers for the existing “Signal Variety Store”.
- A site plan amendment to create a display area for the sale of one car at 117 Newton Road.
- Review of a proposed new use at 95 Plaistow Road (Most of the site is in Haverhill) to include the construction of a “Sonic” restaurant.
- A site plan amendment at 144 Main Street for a new tenant named “Rebars and Mesh, Inc., whose primary activity is the fabrication of rebar structures from rebar material shipped to the site.
- A lot line adjustment between 14 and 16 Nicholas Road.
- The approval of numerous Special Business Events" throughout Town and the relocation of various businesses.
- A lot line adjustment and Subdivision for property located at 243 and 245 Main Street. The lot line adjustment involves the transfer of .60 acres from one parcel to another and the subdivision of one lot into two.
- A site plan by MetroPCS Massachusetts, LLC for a Wireless Telecommunications Facility (“WCF”) to be constructed inside the cupola of the existing Mortgage Specialists Building located at 2 Main Street.

As a part of updating the Master Plan, the Planning Board held a public forum in June to provide an overview of the contents of the 2004 Master Plan and to review and solicit input on updating the Goals and Objectives.

The text associated with the Capital Improvement Program (CIP) was also significantly updated this year to include complete description and pictures of the projects. Each year, this process involves months of meetings of the CIP Committee which is made up of representatives of the Budget Committee, Board of Selectmen, and Planning Board, with staff assistance from the Town Manager and Town Planner.

Increased traffic along Main Street continues to be an important planning issue and will continue to be addressed in the coming year. In 2009, the Rockingham Planning Commission was hired to conduct a study of Main Street from Hazeltine Street through the northern connection with NH Route 125 to its intersection with NH Route 121A at Kelly Road. Main Street provides a parallel route to NH Route 125 that bypasses many of the traffic signals and congestion, making it a popular

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE PLANNING DEPARTMENT (Continued)

alternative for drivers. Because of this, more traffic travelling at high speeds and truck traffic continues to increase on Main Street. A draft of the study has been presented to the Town, with its goal to develop a plan of improvements for Main Street to reduce the traffic impacts and to slow the traffic down. Main Street hosts Plaistow's historic town center which is an area that is envisioned to become more of a "Village Center."

The possible extension of rail service into Plaistow by the Massachusetts Bay Transit Authority (MBTA) also continues to be investigated and studied. In 2010, the Town applied for two separate grants, one through a program called the Congestion Mitigation Air Quality (CMAQ) funding program, the other through a U.S. transportation grant. Much work has and must continue to be done to determine the feasibility of this public transportation option.

If you are interested in becoming an alternate, please feel free to contact Leigh Komornick, Town Planner, in the Planning Office at 382-7371, Ext. 14 between 8:30 a.m. and 4:30 p.m., Monday through Friday. Or, visit her upstairs on the third floor of the Town Hall!

The following citizens served on the Planning Board in 2010:

Timothy E. Moore, Chairman
Peter Bealo, Vice Chairman
Charles Lanza
Larry Gil (*Appointed, resigned*)
Steven Ranlett (*Appointed*)
Robert Gray, Selectman Ex-Officio

Respectfully Submitted,
Leigh G. Komornick, Town Planner

**Town Planner Leigh Komornick and
Planning Board Chairman Tim Moore**

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE POLICE DEPARTMENT

2010 presented the Department with significant challenges through the year, mostly financial. The biggest challenge was meeting our law enforcement and community policing responsibilities in the same manner as expected while recognizing that financial efficiencies needed to be met as well. We were successful in that regard by coming in well under budget at year end. Our prior reports emphasize the need for a partnership between department members and the community we serve, which is reflected in our mission statement and core values. This report is no different.

Mission Statement

The mission of the Plaistow Police is to protect our residents and all those who pass through our town.

This goal will be accomplished by forming and maintaining positive and informative relationships with the community to improve the quality of life and safety for future generations through establishing high standards of impartial and professional law enforcement.

Core Values

PROFESSIONALISM

Dedication
Serving with Pride
Fairness to All

TEAMWORK

Peers
Community
Positive Approach

VISION

Learn from the Past
Meet the Present Challenge
Plan for the Future

We undertook a very large construction project this year with permission of the Board of Selectmen; that was to build an animal kennel/shelter through donations that could assist residents with their pets during an emergency. With Building Inspector, Mike Dorman's expert guidance, we have completed a two-room kennel/shelter attached to the Highway Garage at an estimated value of \$40,000. The project was completed without using any tax dollars. A tremendous amount of in-kind donations and money from businesses and residents was raised for the project. We intend to publicly thank all donors at a later date.

We were also able to complete a training facility building at our Firing Range through local donations, a project that took approximately two years. The building is generator-equipped and will be used for storage and classroom training for officers.

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE POLICE DEPARTMENT (Continued)

The New Animal Shelter/Kennel

The Special Investigations Unit (S.I.U.) of which we are very proud, continued to conduct serious felony investigations through the year as evidenced below.

Special Investigation Unit Cases from January 1, 2010 – December 31, 2010			
Assaults/Sexual Assault	21	Secondhand Dealer Licenses	10
Burglary/Robbery	13	Pawn Transactions	16,000
Theft/Receiving Stolen Property	79	Sex Offender Registrations	39
Fraud	32	Calls for Service	1,095
Drug	115		

Our drug investigations have soared as there is a direct correlation to property crimes and, often, crimes against persons. The Unit was responsible for clearing a local bank robbery, and in doing so, cleared six additional bank robberies in Massachusetts. Also, they are responsible for the seizure of seven (7) motor vehicles and \$478,000 worth of real property. Many drug cases are still ongoing and often take months and years to resolve!

This past year, the Town Clerk’s Office, assisted by our Animal Control Officer, Dave Sargent, licensed 1,244 dogs with 9 residents being summoned to Court. The Animal Control Officer handled a total of 468 calls for service during the year ranging from raccoons to dog complaints. These kinds of calls, although seemingly minor in nature, are those that are very upsetting to callers.

The Regional Prosecution team processed a total of 1,581 complaints during the year, of which 561 were from Plaistow. The team, consisting of Assistant County Attorney Jill Cook and Legal Assistant, Paula Quigley, performs a valuable function in the administration of justice in our District Court catchment. Working in tandem with Prosecution is our Victim Witness Advocate, April Aucoin who serviced a total client base of 431 in the catchment area of which 121 were in Plaistow. She was also able to collect a total of \$15,909.52 in victim restitution.

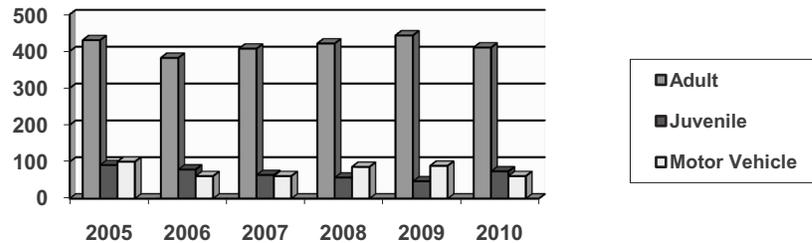

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

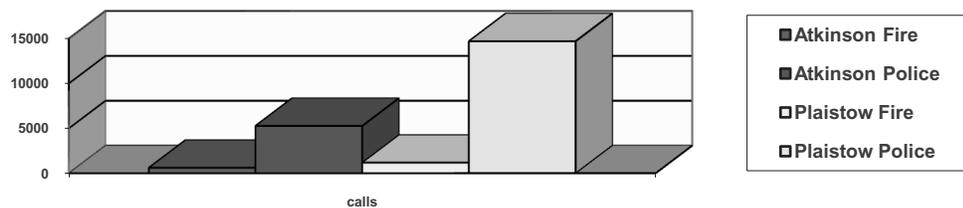

REPORT OF THE POLICE DEPARTMENT (Continued)

SIX YEAR ARREST COMPARISON

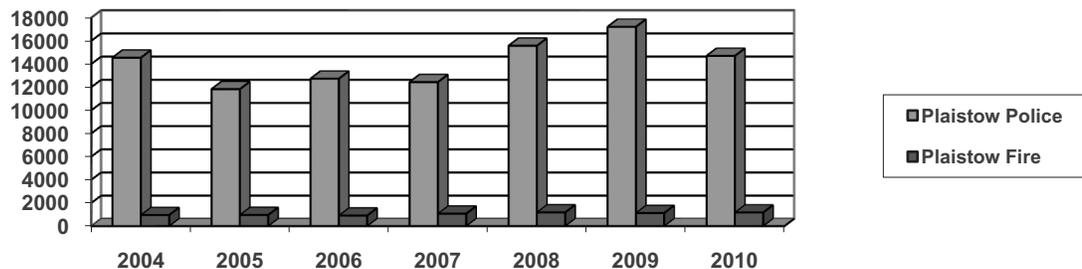

Our Communications Center continues to excel in their emergency services duties to citizens and represents a solid foundation of experience based on the six (6) dispatchers' longevity with the Town.

2010 POLICE AND FIRE CALLS FOR SERVICE - PLAISTOW AND ATKINSON

The calls for service over the past seven years are:

2004 - 2010 POLICE AND FIRE CALLS FOR SERVICE - PLAISTOW

Our superlative support staff of Sarah Gibbs, Jennifer Page, and Wendy Ventura continues to field a myriad of citizen requests for information, maintain the administrative case flow data, and liaise with the Prosecutor on District/Superior Court cases.

Our training unit scheduled approximately 1,544 training hours for all employees this past year, a significant drop in hours over FY2009. We chose to balance training needs with the limited resources available while still providing quality training for employees.

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE POLICE DEPARTMENT (Continued)

Crime Statistics for 2010			
Murder/Manslaughter	0	Alarms (Police)	715
Burglary	38	Assaults	73
Theft/Robbery	308	Sexual Assaults	50
Motor Vehicle Theft	24	Traffic Citations	273
Criminal Mischief	120	Motor Vehicle Stops	5,508
DWI	17	Domestic Calls	118
Motor Vehicle Accidents	413		

In preparation for this Town Report, we reflected on our accomplishments over the past year. Our two building projects were pretty much completed; we maintained our work force in a stressful economic time thereby promoting stability inside; none of our officers were injured on the job; we sought and received a \$231,502 COPS Grant over a 3-year period for one entry-level officer; and we began to replace all of our static building surveillance cameras and monitors with drug asset/forfeiture money.

We are thrilled that our police facility planning appears to be back on track, by consideration being given for acquisition of an abutting piece of property to the present facility and renewed meetings with HKT Architects of Somerville, Massachusetts. All of us look forward to the day when we can move into a new facility without overcrowded conditions and serious safety deficiencies.

Respectfully submitted,
Stephen C. Savage, Chief of Police

“Heroes are the people who do what has to be done when it needs to be done regardless of consequences.”

**Police/School Resource Officer
 Joan Marsilia at Old Home Day**

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE PUBLIC SAFETY COMPLEX BUILDING COMMITTEE

During the year, the Committee continued to discuss options as to siting a new police station. The general consensus of the Committee, however, was to focus energy and resources on the current site and to separate the police/fire functions. A new stand-alone police facility at the rear of the current site was recommended. The Fire Department and perhaps other Departments would expand into the current Police side of the Public Safety Complex. The Committee also recommended to the Board of Selectmen to commence discussions with a neighboring property owner about the possibility of acquiring a small piece of land to assist in siting. The Committee also suggested renewal discussions with HKT Architects of Somerville, Massachusetts, the firm previously retained by the Town for the Space Needs Assessment.

We are excited that the process of building a new station is back on track and hope to be ready for presentation to tax payers when the economy warrants such a presentation.

Our current facility was designed in 1981 when the Department consisted of seven (7) employees. Today, our staffing level is at 32 and the footprint for the Police function remains the same at 5,000 square feet. The serious deficiencies with the facility compel us to plan for relocation. Some of them include: handicap accessibility, critical safety issues for officers, staff, and prisoners, lack of confidentiality, lack of conference rooms, lack of juvenile/gender sound and separation in cells, suicide risks in cell block, lack of an Investigative Unit facility, and lack of ample parking.

For further information about Committee meetings, please visit the Town's website, click on Police Department, and follow the prompts.

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE RECREATION DEPARTMENT

2010 was a year of great community involvement for Recreation. We value all our partners in recreation to make many recreational opportunities happen for all ages.

The Plaistow Area Recreation Complex (PARC) facility received a new flagpole and flag in front of the concession stand. This was donated by the American Legion Carl G. Davis (Post #34) in Plaistow. At

Recreation Director Carli Malette holding a kangaroo during "Around the World Animal Tour" show at the Library

our baseball/softball opening day World War II Veteran Thomas Cullen threw out the first baseball pitch while Greg Mason retired Recreation Commission Chair threw out the first softball pitch.

The fields at PARC were used every night during the spring by our own Plaistow Recreation baseball and softball teams and the Timberlane Youth Lacrosse League. In the fall, the Timberlane Tornados Youth Football Organization utilized the fields at PARC. Area Town's baseball and softball leagues play on the fields during their seasons. Partnering with the surrounding towns brings

numerous opportunities to the players and their teams. An all star game, play offs, spring tournaments and summer ball are all made possible by playing with the Little League and Babe Ruth organizations.

Our Senior activities continue to grow. Plaistow Recreation working with the Plaistow Lions Club was able to organize a cookout for area seniors at the Vic Geary Center. The Lions Club organized the cooking and Plaistow Recreation organized the set up and serving. We partnered with the Towns of Danville, Atkinson and Sandown to make this happen. A nice time was had by all. Our seniors at the center working with donations of yarn from the Plaistow Exchange Club and Wal Mart, were able to

Vic Geary Craft Fair

knit and donate over 75 pairs of mittens and hats to Mealey's Meals at the Timberlane High School and 20 lap robes and afghans to the Veterans Home in Tilton NH. Another partnership between the Timberlane Middle School Student Senate and Plaistow Recreation made it possible to bring many events to the seniors at the Vic Geary.

The Student Senate helped set up and serve the seniors at our special socials along with helping out with raffle prizes. At Christmas time a special cookie swap was held for the seniors. The seniors were treated to homemade cookies made by the Student Senate and numerous wonderful other

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE RECREATION DEPARTMENT (Continued)

Plaistow bakers who donated cookies for the seniors pleasure. This will now become an annual tradition for Our Community.

Another new experience for the seniors was the addition of a painting class by partnering with Michelle's Creative Expressions. This has been a great experience where the seniors are shining. A new addition to our calendar is Senior Coffee for Plaistow Seniors on the 1st Wednesday of the month at the Town Hall. We had our first Plaistow Senior Luncheon held in the Sargent Hall, this event was attended by 43 seniors. It was a great first luncheon.

The Recreation Department and the Plaistow Library worked together to bring Plaistow numerous vacation activities and entertainer's, including our first April Vacation Carnival. Over 250 children and their parents had a great time with the games, pony rides, popcorn and prizes. The weather was great, watch for 2011's carnival. Christmas week we had Animal Encounters Zoo entertain a packed room with the kangaroo, snake, birds, and hedgehog along with many other animals taking us around the world. Plaistow Recreation and the Plaistow Library will be working together to bring Our Community many more exciting opportunities.

Another partnership that brings us a great time is our Pumpkin Lighting on the Town Green with the Pollard PTA. Games, carved pumpkins, cider, donuts, a DJ, face painting along with much more is made available by working together. We had over 300 carved pumpkins that were lit, with too many families participating to count. Thank you families for such a great turn out.

2010 Summer Recreation Program Goes to Canobie Lake Park

In 2010 we moved our Summer Recreation program to the PARC Facility at Old County Road. This move provided us much more room for activities, indoor bathroom facilities, a concession area and storage and a much better drop off, pick up and parking situation. We worked with the Plaistow Highway Department, the Fire Department and Maintenance Department to make this happen. This was accomplished in a short period of time by working together. Thank you. This year we had a new addition to our Summer Staff -Officer Joan Marsilia, Plaistow Police Resource Officer. Officer Marsilia was a great addition for our campers and staff. She provided education on safety, drug awareness and bullying along with day to day assistance to the campers in our program. We appreciate working with the Police Department and look forward to next summer.

Our first town wide yard sale was held in April. We worked with the Planning Department to use the Town's Geographic Information System to provide maps of Our Community to everybody who

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE RECREATION DEPARTMENT (Continued)

attended which was a big help. We are working together on improvements to the maps for our 2011 yard sale.

The Friends of Plaistow Recreation purchased and donated to the Town a new playscape which has been delivered and is being stored until installation in early spring at PARC. The ground is all prepped and ready. We installed an ice rink which we hope to have ready in mid January. The Plaistow Fire Department has been flooding that area for us. We are at the mercy of Mother Nature with snow, warm weather, rain and other conditions.

Christmas time in Plaistow shows what community stands for in Plaistow. Recreation is proud to work with Our Community to provide a nice holiday to those less fortunate - both seniors and children. The partnership with the Plaistow Lions Club and Vic Geary is priceless. The Plaistow Fire Department along with WalMart work with us to hold an ambulance drive for toys and clothes at WalMart, we continue on with Giving Trees at the Town Hall, First Baptist Church, TD Bank, Stillwells Ice Cream, Recesso Physical Therapy, The Plaistow Library, Pollard School and Wal Mart. The Ladies Fish and Game, the American Legion in Plaistow along with numerous other businesses donated to this wonderful cause making it a reality. By working together with the help and support of Our Community, we were able to put many smiles on many faces. Thank you, Plaistow for your support.

This is the one time of the year we can reach out in the Town Report to say thank you to our great community for support. We value our partnerships within Our Community and will be working to expand them in 2011. Thank you to everyone at the Town Hall, Fire Department, Highway Department, Police Department and Library for your support of Recreation and all we provide to Our Community. Working together is the only way we can accomplish this.

For Recreation news, downloadable forms, links and calendar check the Plaistow Web site www.plaistow.com.

REPORT ON RECYCLING

(RECYCLING, TRASH AND LANDFILL INFORMATION)

CURBSIDE TRASH: is picked up on a weekly basis. All curbside trash must be bagged and placed on the curb by 7:00 AM.

CURBSIDE RECYCLING: is easy, economical, and environmentally necessary. Your efforts save natural resources. Recycling containers are collected every other week on your regular trash collection weekday.

DUAL STREAM RECYCLING SERVICE RECYCLABLE ITEMS:

Acceptable Paper: (Placed In Separate Paper Bag or Bin Next To Commingled Container)

- ✓ Newspapers and inserts
- ✓ All cardboard, with the exception of waxed cardboard
- ✓ Envelopes, including window envelopes
- ✓ Telephone books
- ✓ Cereal, cake and gift boxes
- ✓ Magazines
- ✓ Paperback books
- ✓ Office paper, computer paper, fax paper, notebook paper and covers (no metal rings/clips)

Unacceptable Paper:

- No napkins, tissues, toilet paper, or soiled food wrappers

Acceptable Commingled Materials: (Placed in Recycle Bin/Barrel w/Recycling Stickers*)

Acceptable Plastics:

- ✓ All plastics #1 - #7, excluding #6 (Styrofoam)
- ✓ Butter/margarine tubs, desert/yogurt cups and plastic condiment containers
- ✓ Six and twelve pack rings

Unacceptable Plastics:

- No plastic bags, styrofoam or packaging peanuts
- No plastic wrap, newspaper sleeves or plastic film

Acceptable Glass:

- ✓ Glass bottles, jars, food containers and beverage containers

Unacceptable Glass:

- No window glass or mirrors
- No light bulbs
- No ceramics

Acceptable Cans and Foil:

- ✓ Clean aluminum cans and foil
- ✓ Tins and steel cans
- ✓ Lids from jars
- ✓ Empty and non-hazardous aerosol cans

***Recycling Stickers (Commingled & Paper) for barrels can be obtained at Plaistow Town Hall**

“THINK GREEN PLAISTOW”!

Why Recycle?

“I am only one; but still I am one. I cannot do everything, but I still can do something; I will not refuse to do the something I can do.” Helen Keller

(From www.oberlin.edu/recycle/facts)

Did you know?

- The average American individual consumes 120 pounds of natural resources every day, and throws away 3 and 1/2 pounds of trash per day.
- About 75 percent of the water we use in our homes is used in the bathroom. (California Energy Commission, 2006)
- Improperly sealed/caulked windows can account for up to 25% of total heat loss from a house. (Environment Canada, 2007)
- Compact fluorescent light bulbs (CFLs) are an energy-saving alternative to incandescent bulbs
- Each of us uses approximately one 100-foot-tall Douglas fir tree in paper and wood products
- Recycling paper instead of making it from new material generates 74 percent less air pollution and uses 50 percent less water. (EPA, 2008)
- Recycling aluminum saves 95% of the energy needed to produce new aluminum
- Recycling one aluminum can saves enough energy to run a 100-watt bulb for 20 hours, a computer for 3 hours, or a TV for 2 hours
- Most bottles and jars contain at least 25% recycled glass.
- Every year we make enough plastic film to shrink-wrap Texas
- If every American household recycled just one out of every ten HDPE bottles they used, we'd keep 200 million pounds of the plastic out of landfills every year.
- The junk mail Americans receive in one day could produce enough energy to heat 250,000 homes.
- The average baby generates a ton of garbage every year. (Mostly in plastic diapers)
- \$1 out of every \$11 Americans spend for food goes for packaging

2010 ANNUAL REPORT

REPORT OF THE ROCKINGHAM COUNTY CONSERVATION DISTRICT

Our Mission is to Conserve and Sustain the Natural Environment for Present and Future Generations by working to make Wise Land Use Decisions. The RCCD was formed in 1946 as a legal sub-division of the State of New Hampshire and is directed by a Board of Supervisors, a state appointed governing body made up of five residents of the county. The position of District Supervisor is a public office and as such the Board of Supervisors has a legal and moral responsibility to the people of the District, its constituents.

The Rockingham County Conservation District (RCCD) delivers soil and water conservation at the local level. We get a small portion of our funding from the County, but rely heavily on funds generated from our services to keep us operating.

The Conservation District offers numerous services to both towns and individuals including the following:

Conservation Partnerships With Municipalities and Organizations

- ❖ Conservation Grant Application Assistance
- ❖ Non-Point Source Pollution Control
- ❖ Watershed Management
- ❖ Natural Resource Evaluation
- ❖ Ecological Restoration
- ❖ Invasive Species Control
- ❖ Sustainable Agriculture Promotion
- ❖ Green Energy and Conservation
- ❖ Conservation Easements/Open Space
- ❖ Education & Outreach

Landowner Assistance Landowner Initiated Conservation

- Guidance on Best Management Practices
- Current Use Application Assistance
- Soil Potential Index Calculation
- Soil Interpretation
- Conservation Easements
- Sustainable Agriculture

Municipal Review Assistance Plan Reviews, Impact Assessment, Monitoring

- Stormwater Management Plan Review
- Erosion and Sediment Control Plan Review
- Wastewater Disposal Test Pit Witnessing
- Wastewater Disposal System Reviews
- Natural Resource Impact Evaluation
- Wetland Impact Permit Reviews
- Compensatory Wetland Mitigation Compliance
- Construction Monitoring & Compliance
- Conservation & Agriculture Zoning Assistance

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE ROCKINGHAM COUNTY CONSERVATION DISTRICT (Continued)

The Rockingham County Conservation District also offers several sales programs as follows:

- ❖ ***Conservation Plant Sale*** - A spring bare-root transplant sale includes deciduous and coniferous trees, landscape shrubs, fruit trees, berry bushes, and other plant material. The tree and shrub sales starts in early February. Orders for the plant sales close in March with delivery in early May. (***Look for updates on our website!***) We try to add some new varieties each year, keep some old favorites and offer miscellaneous items associated with your gardening needs.
- ❖ ***Trout Stocking*** - Trout stocking for ponds every spring. Rainbow and Brook Trout size 6-8" ordered in multiples of 25 already for pick up or large 10-12", minimum order of 50, are delivered directly to pond. The sales program for trout begins in early March with delivery normally in late April. We have stocked tens-of-thousands over the years to happy pond owners and fishing derby sponsors.
- ❖ ***Barley Straw to Control Pond Algae*** - Excess algae growth is one of the most common problems occurring in ponds. In recent years, the use of barley straw has become more common in other parts of the country as an alternative method for controlling excessive algae growth. When applied at the proper time and rate, barley straw has been a very successful algae control technique in ponds.

The Rockingham County Conservation District has an office staff of 4 people and another 4 professionals who are contracted to carry out the work of the Conservation District.

Through their work with conservation easements the district now manages more than 95 different easements protecting over 4,500 acres of land, which includes the Cox Farm in Plaistow. Their efforts have been hugely successful in helping to maintain Rockingham County's rural characteristics.

The Conservation Commission has been in contact with the Conservation District many times over the past years for advice on current use, best management practices, and soils information. More information about the services available to all of us from the conservation district can be found on their web site, <http://rockinghamccd.org>.

Respectfully Submitted by the Rockingham County Conservation District,
Leonard A. Lord, PhD , District Manager

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

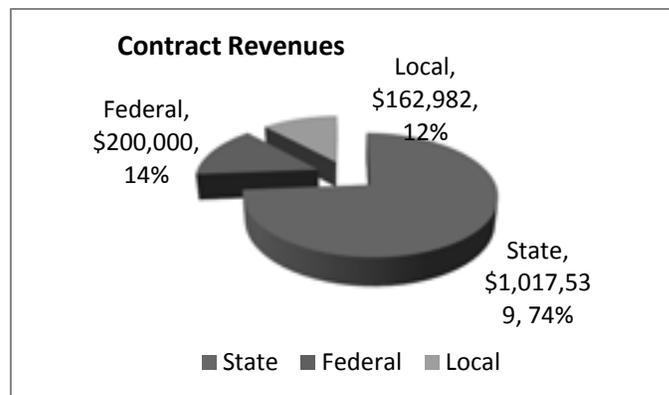

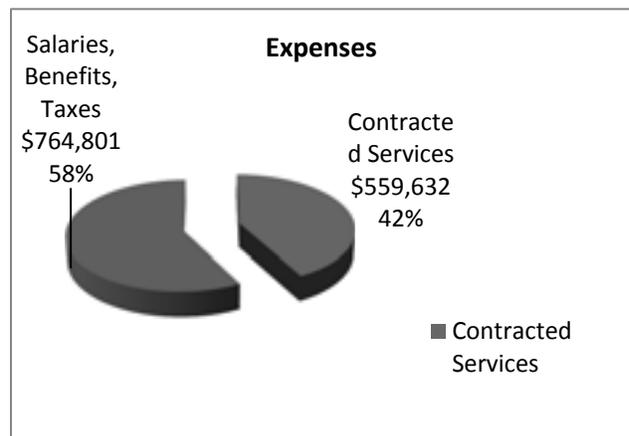

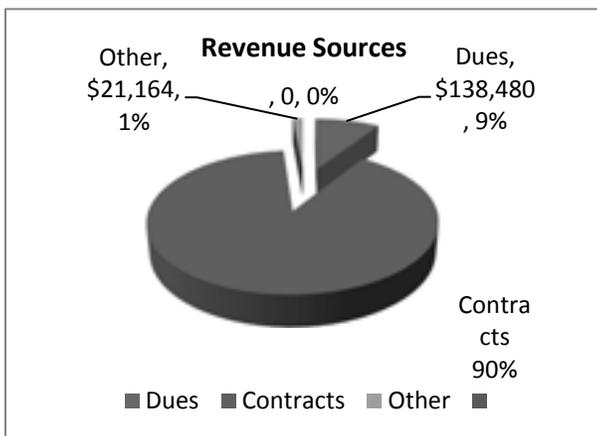

REPORT OF THE ROCKINGHAM PLANNING COMMISSION

The Rockingham Planning Commission (RPC) is a voluntary local public regional planning commission established under state law (RSA 36). It exists in an advisory capacity to provide professional planning assistance to local governments and to coordinate local and regional planning in the areas of land use, transportation, natural resource protection, and housing and economic development. The Commission, which is not affiliated with Rockingham County, serves a state-defined

planning region that includes 27 municipalities in southern and seacoast Rockingham County with a population of approximately 180,000. Commission membership is voluntary and is maintained through the payment of annual dues from each of the 27 municipalities based on their respective population. The 2011 dues are based on a per capita rate of \$0.93 or \$7,079 for Plaistow.

The number of commissioners from each municipality is also based on population; Plaistow is entitled to 2 commissioners who serve 4-year terms. Alternates may also be named. Generally planning boards make recommendations to boards of selectmen who then appoint a person as a commissioner. The RPC is controlled by a Board of Commissioners (appointed from each municipality), who set policy, oversee the budget and decide what work the Commission will undertake. The Commission has a very modest budget of approximately \$1.5 million. The following charts show the sources of revenues and expenses.

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE ROCKINGHAM PLANNING COMMISSION (Continued)

The Commission holds monthly meetings on the 2nd Wednesday of the month. The meetings rotate each month among the member towns. The meeting in Plaistow is typically held in April.

The Commission undertakes many ***land use activities***; typical activities include the following:

- ❖ Provides Developments of Regional Impact (DRI) Committee support.
- ❖ Provides Geographic Information System (GIS) support for use in local and regional planning.
- ❖ Updates RPC web site and continues to make commonly requested planning documents available for download. We can be found at: www.rpc-nh.org.
- ❖ Fulfills numerous inquiries and requests for statistical information regarding the region regarding demographic and related information and maintained the RPC's role as State Data Center Affiliate for Census and other data.
- ❖ Provided technical assistance to the NH Office and Energy and Planning in administering the FEMA Flood Insurance Program.

The Commission is involved in the ***activities that promote regional water quality***.

The Commission is involved in ***economic development planning*** and provides assistance to the Rockingham Economic Development Council.

The Commission provides ***educational programs*** for its members including the following:

- ❖ Organized and sponsored the 20th Annual Planning Board Training. The RPC and the Workforce Housing Coalition of the Greater Seacoast held two workshops; a Workforce Housing Forum for Planning Boards and a Training Workshop for Planners to assist communities respond to requirements of SB 342. We also offered a training workshop for new planning board members.
- ❖ Organized and held the ***Annual Legislative Forum***, where RPC legislative priorities were presented and local officials and legislators were invited to discuss current bills before the Legislature.

The Commission undertakes many transportation planning activities; typical activities include the following:

- ❖ ***Traffic Counting:*** In cooperation with NHDOT, the RPC maintains a robust traffic counting program in the region. This data is used by NHDOT, communities and RPC to monitor traffic growth and flow, to update and calibrate the regional traffic model and to identify congestion mitigation projects.

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE ROCKINGHAM PLANNING COMMISSION (Continued)

- ❖ ***Safe Routes to School:*** Staff worked with several member communities in the development of Safe Routes to School (SRTS) initiatives, including Rye, Hampton, Plaistow, Newfields and Portsmouth. Staff also completed SRTS Travel Plan for the Town of Rye under contract.
- ❖ ***2009-2035 Long Range Transportation Plan:*** A new Long Range Transportation Plan was developed for the region to ensure that it reflects current long range transportation needs in the region and that it complies with current requirements of Federal Planning regulations. New TIP and Plan project lists, financial estimates, and air quality conformity analysis were completed based on project solicitations to communities.
- ❖ ***Regional Transportation Project Priority List; 10 Year Plan Update:*** In winter/spring of 2009, staff worked with the Technical Advisory Committee and Policy Committee to develop a prioritized list of projects to submit to NHDOT for the most recent update of the 10 Year Plan. Communities were solicited for projects to be added to the MPO Long Range Plan and these projects were then prioritized by the MPO based on evaluation criteria developed by Staff and the Technical Advisory Committee. A prioritized list of projects was submitted to NH DOT in June 2009 that represents the most comprehensive identification of transportation system needs in the region developed to date.
- ❖ ***MPO Technical Advisory Committee and Policy Committee Meetings:*** Prepared for, supported and attended MPO Technical Advisory Committee meetings during July and September of 2008 and February, March, April, May, and June of 2009. Prepared for and attended MPO Policy Committee meetings during September of 2008 and January, March (TIP Amendment only), April of 2009 and October 2009.
- ❖ ***CMAQ & TE Project Monitoring & Implementation Assistance:*** Staff provided technical assistance to several communities working to implement funded TE and CMAQ initiatives, including the Town of New Castle and its SAFEPATH initiative, the Town of Windham on its depot restoration/trailhead project, the Town of Newfields in negotiations with Newmarket, SRPC and NHDOT regarding the Newmarket-Newfields NH108 bicycle shoulder project. Worked with the Town of Exeter in revising train station parking expansion project. Participated in State CMAQ Advisory Committee. Provided input to NHDOT on revisions to TE project selection process, and worked with applicants on Letters of Intent for 2010 funding round.
- ❖ ***General Support for Regional Rail and Bus Transit Development:*** Met with development team regarding revitalization of passenger rail service between Portsmouth and Rockingham Junction (the Portsmouth Branch), tying in with Downeaster service. Developed proposal for State Planning and Research funding to contribute to feasibility study of rail service on the Portsmouth Branch. Provided input to start-up transit organization in Souhegan Valley regarding transit coordination and demand estimation. Responded to requests for letters of support for FTA 5310 vehicle application.

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE ROCKINGHAM PLANNING COMMISSION (Continued)

- ❖ ***New Hampshire Transit Association:*** Participated in the NH Transit Association (NHTA) and NHTA Legislative Committee. Provided input to state policymakers on state funding for public transportation in New Hampshire in comparison to other states.
- ❖ ***Stormwater Management:*** RPC planning staff met to discuss the new Phase II NPDES permit requirements and its affect on MS4 communities in the region. Over the course of two meetings, RPC planning staff discussed the status of stormwater regulations in the region, including strategies to provide outreach to those communities who lack regulations or need to improve existing regulations, with particular emphasis on providing water quality and Low Impact Development implementation and design. Coordinated with UNH Stormwater Center staff to organize a stormwater work group to develop stormwater and water quality standards for redevelopment in the region, as well as addressing the technical and regulatory gaps in stormwater management at the local level. Members were identified and a workgroup was formed, with the first meeting held in August 2009.
- ❖ ***Share the Road/Bicycle Safety Initiative:*** Staff began work with Seacoast Area Bicycle Routes (SABR) and the Bike/Walk Alliance of NH (BWANH) on a regional share the road initiative in the wake of several serious crashes. Initial work included a forum for group ride leaders on ensuring lawful and respectful riding with large groups. Follow-up work with local police departments and a public education initiative are being planned for FY2010.

During 2010, the Rockingham Planning Commission worked specifically with Plaistow on the following:

- ❖ ***Park and Ride Usage Study:*** Developed initial scope of work to conduct region wide P&R usage surveys during the winter of 2009-2010. The objective of this project is to gather current data on use of regional park and ride facilities, with an emphasis on the Portsmouth Transportation Center (PTC), but also the new lot at Exit 2 in Salem, existing lots in Hampton, Hampstead, Plaistow and the second lot in Portsmouth. Of particular interest is assessing multi-day use of the lots vs. daily use by commuters.
- ❖ ***Plaistow MBTA Extension:*** Met with Town of Plaistow, MBTA, and NHDOT regarding extension of MBTA service to Plaistow, and relocation of MBRA Haverhill layover facility to Plaistow. Assisted town planner with letter to MBTA indicating Town's interest in evaluating station and layover facility locations per MBTA's offer. Attended many meetings and conference calls with State, Town, and MBTA officials regarding the MBTA project. The Scott Bogle and Cliff Sinnott of the Commission provided countless hours of assistance with the preparation and submittal of CMAQ request and a federal TIGER II request to help fund the MBTA extension to Plaistow. Provided a \$30,000 technical assistance grant to enable the Town to hire consultants to help move the MBTA extension project forward. The grant required a 20% or \$6,000 match from the Town.

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE ROCKINGHAM PLANNING COMMISSION (Continued)

- ❖ **Plaistow Main Street Traffic Corridor/Traffic Calming Study:** The scope of this project is being finalized and is expected to include an analysis of the Main Street corridor and potential traffic control changes and the impacts of growth on traffic on the roadway. Developing a micro-scale model to simulate traffic movement and gauge the impact of changes.

Respectfully Submitted,

2010 ANNUAL REPORT

REPORT OF THE SUPERVISORS OF THE CHECK LIST

Election records are kept at the Town Hall for reference by anyone who is authorized and in need of that information. Voting checklist is retained for a period of 6 years and can be referenced as proof of voting in any given election if needed.

Residents may change their voting record any time that the Town Clerk's Office is open, at an Election or during any work session of the Supervisors of the Check List.

REGISTERING TO VOTE: New residents may register to vote during regular office hours in the Town Clerk's office; during any session of the Supervisors of the Check List; or on Election Day at the polls. The Supervisor's sessions are posted on the Cable TV station (Channel 17) and also in the local newspapers. The session is held about 10 days prior to any election. A person cannot register to vote in the Town Clerks' office 10 days prior to any election. New Hampshire has a same day registration policy, so they can register at the polls on Election Day and still vote. Residents may not register at the Deliberative Session.

To register as a voter a resident must prove that he/she is a resident of Plaistow. To do this we require a mortgage statement or notarized letter from your landlord, plus a current utility bill showing that they are indeed living there. An ID is also required, this can be in the form of a current NH driver's license, certified birth certificate or a current passport. If a person's name has changed and it doesn't reflect the new name on their documents, we will need to see the document that confirms the name change. Anyone that has become a citizen after moving to the USA will need to show his or her naturalization papers as well. Should a resident not have any of the above documentation during an Election Day Registration, they will be allowed to sign an affidavit as proof.

PLEASE TAKE PRIDE IN OUR COMMUNITY – GET OUT AND VOTE!

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE TAX COLLECTOR

If you are a "New Resident," WELCOME TO OUR COMMUNITY!

In New Hampshire, the Tax Collector is an elected position with the Tax Collector's Office responsible for maintaining the detailed accounting of the taxes due, collected, and abated; and all of the property sold for nonpayment of taxes (NH RSA 41:35). This office strives to provide accurate, courteous and efficient services while collecting monies to the citizens of Our Community. The folks who come through our doors are not just residents to us; we get to know them and their families, and we try to steer them in the right direction to receive help, whatever it may be.

Plaistow issues two tax bills per year (semi-annually). The tax year runs from April 1st –March 31st (NH RSA 76:15-a). The first tax bill is an estimated bill, *approximately* the entire previous year's bill amounts divided by two. The second bill is determined by the new tax rate set by the State of New Hampshire Department of Revenue Administration (the "DRA"). The DRA usually sets the tax rates for the towns in the late fall. Once the rate is set, the second bill is then

calculated by multiplying the new tax rate by the assessed value of the property minus any payments made on the first bill.

Tax Collector Rose Bayek

Plaistow mails two tax bills per year, and payment is due in July and December and the office has expanded hours for month prior to the due dates. During these periods, the Tax Office is open Monday, 8:30 a.m. until 7:00 p.m., and Tuesday, Wednesday, Thursday from 8:30 a.m. to 4:30 p.m., and Friday's from 8:30a.m. to 3:00 p.m.. Our regular schedule is Monday, Tuesday, and Wednesday from 8:30 a.m. until 4:30 p.m.

State Law requires that tax bills be mailed to the owner of record. If your taxes are escrowed by a mortgage company, and they request that you send them the bills, please provide them with a copy, as our office does not do so. Most mortgage companies do request tax bill amounts, however, it is not guaranteed. Feel free to call us at any time to check status on tax payments! Per the state laws, tax records are public records and fall under the Right to Know law. Taxpayers that have questions and/or concerns about their assessment, exemptions, and credits, should contact the Assessing Department.

Our office is currently investigating the use of electronic payment, including E-Checks, and debit and credit cards for all payments. However, while trying to look into, and keep up with the new technology of the world to provide better service, we enjoy the personal one on one contact with the residents of Our Community who come in to pay their taxes in person.

Respectfully Submitted,
Rosemarie L. Bayek, Tax Collector

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE TOWN CLERK

The Town Clerk's Office had a very busy 2010. At the end of March, we instituted the use of credit cards for payments in our office as well as on-line. We are seeing the most use of them on line, but have done many transactions at the counters also. The biggest drawback is the fact that Visa will not allow us to charge the credit card fee of 2.75% back to the customer at the counter. Those customers who need to use their cards seem pleased that they have that option.

Adding credit cards brought another change for the residents of Our Community. We now collect only 1 check for payment of vehicle registrations. We find collecting only one check is a big time saver and the electronic transfer of state funds is quick and easy too.

In the coming year we will be losing our Assistant Clerk, Nancy Bolduc, as she will be retiring. She will be missed by the rest of the office staff. We will be training a new face and ask that the residents be patient while that person is training.

We have added e-mail notification for our dog owners. If any resident has not signed up and would like to, please come in or call us with you e-mail address. As a reminder, residents can process their dog licenses on line if they choose.

We look forward to another year of service to Our Community and we are always open to suggestions.

Respectively Submitted,
Maryellen Pelletier, Town Clerk

Town Clerk Maryellen Pelletier with Deputy Town Clerk Joyce Thurston "Live it Up" at the Town Hall Christmas Party

Please Note the Town Clerk's Office Hours Are As Follows:

Mon. 8am-7pm / Tue., Wed, & Thur. 8am-4:30pm / Fri. 7am-12 noon

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

NEW RESIDENTS INFORMATION

1. **Establish Residency:** We will need either a notarized letter from the landlord stating that you live at their property or a copy of your mortgage statement showing both your name and the Plaistow address. **Plus** you will need a current utility bill or at least recent mail showing a recent postmark and your name with the Plaistow address.

2. **Register your vehicles:** We will need your titles to each vehicle, if you hold them, to register and issue plates to you. If you have a bank loan on the vehicle, bring in the following: your current registration and the name and address of the bank that is holding the title. We will also need to know the date you bought the vehicle and the mileage at the time of the sale. We will then get the title application ready and have you mail it to the Title Bureau; they will contact your lien holder and have your title swapped for a NH title. When this is finished, Concord will mail you a letter explaining that you should bring the letter to us along with your blue copy of the title application, and we can issue the plates. You will be charged a state fee and a town tax, which is an excise tax.

3. **Change your license:** You will need to bring 1 Primary, 1 Secondary and 1 Residency document or 2 Primary and 1 Residency document.

** You have 60 days after moving into the State of NH to change your vehicle title and registration, and drivers license.*

Primary Documents	Secondary Document	Residency
Birth Certificate	Photo image driver's License	Valid NH Title
Valid Passport	Non-driver ID	Blue copy of a Title App.
Valid Military ID	State of NH employee ID	Valid NH Registration
Valid Photo Drivers Lic.	Marriage of Civil Union Cert.	Notarized letter from landlord
	Divorce Decree for name change	Mortgage Statement
	Social Security Card	Current utility bill
	Current student Photo ID	Property Tax bill
	Military discharge papers	Government check or doc.
	!	Issued by an official in place of residency
		Payroll check or document
		Verification by a parent
<i>Please Note: All Documents Must Be In English</i>		

4. **If you have a dog, obtain a dog license:** Dog licenses need to be obtained for all dogs over 3 months old. We will need a current rabies certificate. The cost is \$10.00 or \$7.50 for a fixed animal. Senior's, over 65, get one dog for a fee of \$2.00.

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

INFORMATION FROM THE TOWN CLERK'S OFFICE: HOW TO AND WHAT YOU NEED!

AUTO REGISTRATIONS: Renewals can be done in person, by mail, with a mail notice or by e-reg www.plaistow.com (cost is \$2.50 each vehicle plus a \$.35 per transaction fee). To do a new vehicle, you will need to present a certificate of origin, a title or title application prepared by a NH dealer for 1997 and newer vehicles. For 1996 and older vehicles, a bill of sale is required along with a previously issued NH registration, or a copy of a previous title or a TDMV 19A form (available at the Town Clerk's Office). With all transactions, you will need to show proof of residency and proof of identification. Fees for the town tax are based on value of the vehicle. State fees are based on weight. There are also fees for the title, plates, special plates, mail notices and e-reg fees. The State also adds a surcharge to all pass plates for August 2009 –July 2011. This is to balance the State Budget and will be revisited in July 2011.

DOG LICENSES: All dogs three months or older must be licensed annually on or before April 30th. Late fees and fines will be assessed on all unlicensed dogs after June 20th. A valid rabies certificate is needed for all dogs. Plaistow holds an annual Rabies Clinic in late March at the Fire Station. At this time, you may also license your Plaistow dogs.

BOATS: You may register your boats at the Town Clerk's office even if you are not a resident of Plaistow. We only accept cash for boat registrations.

VITAL RECORDS: You may obtain certified copies of Divorce, Birth, Death and Marriage records that occurred anywhere in NH from 1990 to the present from any NH Town Clerk's Office. Qualified individuals that demonstrate a "direct and tangible" interest may request the records by showing IDS and filling out the required form/s. The cost is \$15.00 each for a first copy and subsequent copies (at the same time) are only \$10.00. Marriage licenses cost \$50.00 and are available to anyone who is at least 18 years old and wants to be joined in NH. ID is required as well as the certified document ending any prior marriage or civil union (if applicable).

REPORT OF THE TRUSTEES OF THE TRUST FUNDS

The Trustee's decided to return all the accounts to one investment house showing the best rate until the market stabilizes. As directed by the 2010 Town meeting - warrant article P-07-08, the Building Capital Reserve fund was established with a beginning balance of \$20,000. No other new accounts were created. The Trustees currently oversee twelve (12) accounts with a total balance of \$760,661.08.

The accounts are invested and managed by New Hampshire Public Pool (NH PDIP). The Trustees are under strict laws that govern how the Trustees are able to invest Our Community's funds. At all times, the Trustees must protect the principal of each account and distribute the funds in accordance with the intent of each individual warrant article that created it. As always the Trustee will continue to manage the Trust Funds entrusted to the Board to the best of our abilities in accordance with the laws of the State of New Hampshire.

2010 ANNUAL REPORT

REPORT OF THE WATER DEPARTMENT

2010 was a relatively quiet year for the Water Department. In addition to our primary responsibility of maintaining the fire suppression system for Our Community, we engaged in the planning efforts for the soon to be completed NHDOT widening project of Route 125. As this project moves forward, we will be installing water mains from Old Road north to Walton Road, tying into the system that was installed in 2009, thereby bringing that portion of the system on-line. When this project is finished, we will have completed a major expansion of the fire suppression system at a reduced cost due to the ability to coordinate with NHDOT and using the construction crews in place to install our water lines.

We are also converting the former pump facility located at the Testa site to accommodate some limited storage of town equipment. This conversion has entailed removal of two large boilers and associated equipment. The next phase will be to remove the out-of-service fire pump. Hopefully, we will complete this during 2011.

The Town began a long-term maintenance project for the former water tower, which has been converted to a cell tower. Last year the town voted to establish a maintenance reserve account to allow us to put funds away in order to support long-term maintenance of the tower. We estimate the life expectancy of the tower to be approximately 30 years. During that period, we will need to ensure it remains a stable platform to continue to generate approximately \$125,000 annually. This past year, we engaged the services of a masonry contractor to effect repairs to the concrete anchor pads for the tower. If these were left unattended, the tower could become unstable over time and require more involved repairs.

I thank the Town for their continued support of our efforts to maintain and upgrade this segment of our infrastructure. Our system is unique in that this is one of very few systems in the country that is used solely for fire protection and suppression. By expanding the system into the areas of greatest potential for commercial development, we can attract a greater variety of businesses to Our Community and provide them with fire suppression capabilities that make Plaistow a viable option for them. As they benefit, so benefits Our Community due to the added revenue of not only their tax base, but from the anticipated user's fee assessed when connected to the water system.

Respectfully Submitted,
John H. McArdle, Water Superintendent

Fire Chief John McArdle

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment (ZBA) is a quasi-judicial board that has authority under the NHRsAs (State Laws) to grant certain relief when there is a proposal that is in conflict with Our Community's Zoning Ordinances.

The five (5) member board hears requests on a monthly basis and averages about twenty to twenty-five applications a year. Applicants are generally sent to the ZBA by a town board, committee or department, as in the case of a variance request, or by specific requirement of an ordinance, as in the case of an in-law apartment or home occupation request. The Board also hears appeals in the case where a decision or another board, committee or department is challenged.

This board is in place to give persons who have hardships in their property, relief from the one-size-fits-all concept of a zoning ordinance. Just imagine if Plaistow tried to write the ordinances to fit every individual circumstance, there would be thousands of them. The ZBA appeal process is the avenue that allows those with special circumstances to level the field and make improvements to their property that otherwise might not be allowed under the strictest interpretation of the ordinances.

The ZBA also reviews special exception applications for in-law apartments and home occupations to insure that all the minimum requirements are in place and can be monitored so as to protect our neighborhoods and resources.

The types of applications that are heard by the ZBA can be an indication as to when a certain ordinance may be in need of review or updating. Times and needs of Our Community are ever-changing and the ZBA appeal process is a valuable tool in showing where change needs to be considered. If the Board should see an increase in a particular type of relief request, they can then alert the Planning Board that review of that ordinance may be warranted.

The volunteers who sit as members of the board are thoughtful people, who live in Our Community. They take seriously their responsibilities to interpret the Zoning Ordinances and fairly consider relief requests with an open mind and in the best interests of the Town of Plaistow. It's a tough job, the ordinances aren't always black and white; the stories of the applicants and abutters can be compelling; the RSAs can be restrictive and the very nature of the decision making process can mean that not everyone is always going to walk away happy. But someone has to do the job and these people have stepped up.

The current members of the Board are: Julie Matthews, Vice-Chair; Robert Loeffler, Member; Roderic Cole, Member; Paul Boniface, Member, Joyce Ingerson, Alternate Member, James Allen, Alternate Member, and Kim Crapo, Alternate Member. Each of them has shown a level of dedication to Our Community that we as residents can be proud of. Their understanding that even the smallest decision can have larger implications shows me that they always have the best interests of Our Community foremost in their minds. I am honored to continue to serve with this fine group of people.

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

REPORT OF THE ZONING BOARD OF ADJUSTMENT (Continued)

In 2010 we welcomed Laurie Pagnottaro as our new minute-taker. Our in-house staff is Dee Voss, who has been with the Board for ten years as our Administrative Assistant. She, along with Code Enforcement Officer, Mike Dorman, provide full-time resources for the public on zoning matters as well as procedures for seeking relief.

If you're looking to have a real impact, the ZBA is always looking for community-minded residents to step up and volunteer to serve as members or alternates to the board. Please direct any letters of interest to the ZBA at the Town Hall.

The Solution to Stormwater Pollution

A homeowner's guide to healthy habits for clean water.

As stormwater flows over driveways, lawns, and sidewalks, it picks up debris, chemicals, dirt, and other pollutants. Stormwater can flow into a storm sewer system or directly to a lake, stream, river, wetland, or coastal water. Anything that enters a storm sewer system is discharged untreated into the waterbodies we use for swimming, fishing, and providing drinking water.

Polluted runoff is the nation's greatest threat to clean water. By practicing healthy household habits, homeowners can keep common pollutants like pesticides, pet waste, grass clippings, and automotive fluids off the ground and out of stormwater.

Adopt these healthy household habits and help protect lakes, streams, rivers, wetlands, and coastal waters. Remember to share the habits with your neighbors!

Healthy Household Habits for Clean Water

Vehicle and Garage

- Use a commercial car wash or wash your car on a lawn or other unpaved surface to **minimize** the amount of dirty, soapy water flowing into the storm drain and eventually into your local water body.
- Check your car, boat, motorcycle, and other machinery and equipment for leaks and spills. Clean up **spilled fluids** with an absorbent material like kitty litter or sand, and don't rinse the spills into a nearby storm drain.
- **Recycle** used oil and other automotive fluids at participating service stations.

Lawn and Garden

- Use pesticides and fertilizers **sparingly**. When use is necessary, use these chemicals in the recommended amounts.
- Select **native** plants and grasses that are drought- and pest resistant.
- **Sweep up** yard debris, rather than hosing down areas. Compost or recycle yard waste when possible.
- Don't over water your lawn. Water during the **cool** times of the day, and don't let water run

off into the storm drain.

- Cover piles of dirt and mulch being used in landscaping projects to prevent these pollutants from blowing or washing off your yard and into local waterbodies.

Home Repair and Improvement

- Before beginning an outdoor project, locate the nearest storm drains and **protect** them from debris and other materials.
- **Sweep up** and properly dispose of construction debris such as concrete and mortar.
- Use hazardous substances like paints, solvents, and cleaners in the **smallest amounts possible**, and follow the directions on the label.
- Purchase and use **non-toxic, biodegradable, recycled, and recyclable** products whenever possible.
- **Clean** paint brushes in a sink, not outdoors. Filter and reuse paint thinner when using oil-based paints. Properly dispose of excess paints through a household hazardous waste collection program, or donate unused paint to local organizations.
- **Reduce** the amount of paved area and increase the amount of vegetated area in your yard.

10 Things You Can Do to Prevent Stormwater Runoff Pollution

- Use fertilizers sparingly and sweep up driveways, sidewalks, and roads
- Never dump anything down storm drains
- Vegetate bare spots in your yard
- Compost your yard waste
- Avoid pesticides; learn about Integrated Pest Management (IPM)
- Direct downspouts away from paved surfaces
- Take your car to the car wash instead of washing it in the driveway
- Check car for leaks, and recycle motor oil
- Pick up after your pet
- Have your septic tank pumped and system inspected regularly

2011 Plaistow Town Warrant State of New Hampshire

To the inhabitants of the Town of Plaistow, New Hampshire, in the County of Rockingham in said state, qualified to vote in Town affairs.

You are hereby notified to meet for the first session of the annual town meeting at the Plaistow Town Hall, 145 Main Street in said Plaistow on Saturday, February 5, 2011 at 10:00 AM in the forenoon to explain, discuss and amend each Article and to determine the form for the questions on the ballot, except those Warrant Articles where wording is prescribed by law. The snow date will be at the Plaistow Town Hall on Saturday, February 12, 2011 starting at 10:00 AM.

The final voting on all Warrant Articles will take place by official ballot at the second session. Therefore, you are hereby notified to meet for this second session of the annual town meeting at Pollard School, Main Street, in said Plaistow on Tuesday, March 8, 2011, from 7:00 AM in the forenoon until 8:00 PM in the afternoon to elect officers and to act on the following Articles by official ballot voting.

The articles begin with "P" to differentiate these town articles from the school district article numbers.

Article P-11-01: To elect all necessary Town Officers for ensuing year.

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

OPERATING BUDGET

Article P-11-02: Shall the Town raise and appropriate as an operating budget, not including appropriations by special warrant article and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling seven million, five hundred forty-four thousand, four hundred forty-eight dollars (**\$7,544,448**)?

Should this article be defeated, the operating budget shall be seven million, three hundred forty-eight thousand, five hundred forty-eight dollars (**\$7,348,548**) which is the same as last year, with certain adjustments required by previous action of the town or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

Recommended by the Board of Selectmen (5-0-0) and Budget Committee (13-0-0).

HIGHWAY DEPARTMENT EQUIPMENT CAPITAL RESERVE FUND DEPOSIT

Article P-11-03: Shall the Town vote to raise and appropriate the sum of \$74,000 to be added to the existing Highway Department Equipment Capital Reserve Fund?

*Recommended by the Board of Selectmen (5-0-0) and Budget Committee (13-0-0)
and this funding is in the Capital Improvement Program as approved by the Planning Board.*

[Intent: To continue to set aside money for future purchases of Highway Department vehicles. Putting funds aside each year will allow for the orderly replacement of highway vehicles by leveling the yearly tax impact. This money can only be spent by a future vote at Town Meeting. These funds will be invested in an interest bearing account.]

*** Balance of this Capital Reserve Fund is \$116,683.64 as of January 31, 2011.**

PURCHASE HIGHWAY DEPARTMENT ROAD SIDE BRUSH CUTTER

Article P-11-04: Shall the Town vote to raise and appropriate the sum of \$110,000 to purchase a Road Side Brush Cutter, a new piece of equipment for the Highway Department and to withdraw those funds from the Highway Department Equipment Capital Reserve Fund for this purpose?

Appropriation:	\$110,000
<u>Withdrawal from Capital Reserve:</u>	<u>-\$110,000</u>
Amount to be raised from 2011 taxes:	\$0

*Recommended by the Board of Selectmen (5-0-0) and Budget Committee(13-0-0)
and this funding is in the Capital Improvement Program as approved by the Planning Board.*

[Intent: This piece of equipment is being added to the inventory of the Highway Department in response to a changing work program. The Highway Department is cutting the brush along the sides of the Town's roads to keep down the growth of vegetation under power lines to prevent possible storm damage accompanied by power loss. The brush clearing also helps to keep driver's line of sight intact so they can more safely negotiate intersections as well as see pedestrian and bicycle traffic on the roads.]

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

FIRE DEPARTMENT CAPITAL RESERVE FUND DEPOSIT

Article P-11-05: Shall the Town vote to raise and appropriate the sum of \$95,000 to be added to the existing Fire Department Capital Reserve Fund?

*Recommended by the Board of Selectmen (5-0-0) and Budget Committee (13-0-0)
and this funding is in the Capital Improvement Program as approved by the Planning Board.*

[Intent: To continue to set aside money for future purchases of Fire Department vehicles. Putting funds aside each year will allow for orderly replacement of fire vehicles by leveling the yearly tax impact. This money can only be spent by a future vote at town meeting. This money is invested in an interest bearing account.]

*** Balance of this Capital Reserve Fund is \$214,930.18 as of January 31, 2011.**

PUBLIC SAFETY EXPANSION FEASIBILITY STUDY

Article P-11-06: Shall the Town vote to raise and appropriate the sum of \$25,000 for the purpose of funding a study to determine if it's in the Town's best interest to renovate, expand or relocate the Public Safety Complex; which includes the Police, Fire and Emergency Management Departments?

*Recommended by Board of Selectmen (5-0-0) and Budget Committee (13-0-0)
and this funding is in the Capital Improvement Program as approved by the Planning Board.*

[Intent: The feasibility study would provide detailed cost estimates based on the detailed space needs assessment for the current and future needs of the Police, Fire and Emergency Management Departments. The Study will also be used to provide additional justifications for facility related capital needs, including, but not limited to HVAC Systems, Power and Electrical Systems, Communication Systems, Computer Systems and Security.]

BUILDING SYSTEMS CAPITAL RESERVE FUND DEPOSIT

Article P-11-07: Shall the Town vote to raise and appropriate the sum of \$4,600 to be added to the existing Building Systems Reserve Fund?

*Recommended by the Board of Selectmen (4-1-0) and Budget Committee (13-0-0)
and this funding is in the Capital Improvement Program as approved by the Planning Board.*

[Intent: To replace funds spent in 2010 for emergency maintenance or repairs to Town-owned buildings. This reserve fund was set up for long-term building maintenance projects such as roof repair or heating/cooling system replacements. It can also be used for emergency repairs that were not predicted. This money in this Capital Reserve Fund is invested in an interest bearing account.]

*** Balance of this Capital Reserve Fund is \$15,403.26 as of January, 31, 2011.**

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

COMMUNICATIONS RADIO REPEATER ENHANCEMENT

Article P-11-08: Shall the Town vote to raise and appropriate the sum of \$62,000 for the addition of two wireless radio canopy repeaters on Route 108 as needed by the Fire and Police Departments?

Appropriation: \$62,000
Developer Contribution: -\$31,000
Amount to be raised from 2011 taxes: \$31,000

*Recommended by the Board of Selectmen (5-0-0) and Budget Committee (13-0-0)
and this funding is in the Capital Improvement Program as approved by the Planning Board.*

[Intent: This project includes the necessary improvements needed to improve radio communications on the Route 108 Corridor. This project is highly recommended by the Fire and Police Chiefs in order to maintain proper communications on all calls. A developer has agreed to pay half the cost (\$31,000).]

FIRE SUPPRESSION PUMP AND PUMP HOUSE CAPITAL RESERVE FUND

Article P-11-09: Shall the Town vote to establish a Fire Suppression Pump and Pump House Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of replacing the Fire Protection System Pumps and the Pump House they are contained in and to raise and appropriate \$70,000 for said fund.

*Recommended by the Board of Selectmen (5-0-0) and Budget Committee (13-0-0)
and this funding is in the Capital Improvement Program as approved by the Planning Board.*

[Intent: To replace the pumps for the Fire Protection System and the pump house they are located in. The building that houses the pump that distributes the water for the fire suppression/protection system must be replaced at the same time that the pumps are replaced. The replacement is scheduled for 2015 at an estimated cost of \$200,000 for the pumps and \$150,000 for the pump house, totaling \$350,000. The money in this Capital Reserve Fund will be invested in an interest bearing account.]

CELL TOWER MAINTENANCE CAPITAL RESERVE FUND DEPOSIT

Article P-11-10: Shall the Town vote to raise and appropriate the sum of \$10,000 to be added to the existing Cell Tower Maintenance Capital Reserve Fund?

*Recommended by the Board of Selectmen (5-0-0) and Budget Committee (13-0-0)
and this funding is in the Capital Improvement Program as approved by the Planning Board.*

[Intent: The 2008 SFC Engineering Partnership, Inc. Water Tower Assessment Study indicated that there is continual degradation of the concrete footing of the tower's legs, and portions of the structure are beginning to rust. With moderate maintenance, it is estimated the structure will remain useful for approximately 30 years and will generate over \$3,750,000 in revenue for the Town. Annual revenue from the Cell Tower is over \$125,000, which goes into the General Fund to offset taxes. The multi-year maintenance plan is estimated to cost between \$200,000 and \$300,000 over the next 30 years as outlined in the 2008 SFC Engineering Report. The money in this Capital Reserve Fund is invested in an interest bearing account.]

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

***Balance of this Capitol Reserve fund is \$8,201.90 as of January 31, 2011.**

CONSERVATION FUND DEPOSIT

Article P-11-11: Shall the Town vote to raise and appropriate the sum of \$5,000 to be added to the existing Conservation Fund as provided for in RSA 36-A?

*Recommended by the Board of Selectmen (5-0-0) and Budget Committee (13-0-0)
and this funding is in the Capital Improvement Program as approved by the Planning Board.*

[Intent: To add funding to the Plaistow Conservation Fund. The Conservation Commission intends to purchase land, easements and/or other land rights to preserve the natural environment. This money is invested in interest bearing accounts.]

*** Balance of this Fund is \$54,721.73 as of January 31, 2011. There is also \$28,043.41 in the Forestry Fund as of January 31, 2011.**

IMPROVEMENTS AT RECREATION FACILITIES

Article P-11-12: Shall the Town vote to raise and appropriate the sum of \$20,000 for the equipment needs at both PARC (Plaistow Area Recreation Complex) and Smith Field (on Ingalls Terrace)?

*Recommended by the Board of Selectmen (5-0-0) and Budget Committee(13-0-0)
and this funding is in the Capital Improvement Program as approved by the Planning Board.*

[Intent: This would remove the existing dilapidated tennis courts and replace them with more modern and cost effective activity zones including, Sand Volleyball Court and Skate Board Park. Additionally, PARC lacks such equipment as seating (benches and picnic tables) and a bike station. The funding of this article would allow the town to move forward with improving both facilities].

RAISE FOR THE TAX COLLECTOR

Article P-11-13: Shall the Town vote to raise and appropriate the sum of \$892.06 to increase the salary of the Tax Collector by \$802 from \$26,726 to \$27,528, effective April 1, 2011? The additional \$90.06 is to cover the Town's payment for Social Security, Retirement and Medicare.

Recommended by the Board of Selectmen (3-2-0) and Budget Committee (13-0-0).

[Intent: To increase the salary of the Tax Collector by 3%. The Tax Collector position has not had an increase in salary since 2008.]

RAISE FOR THE TOWN CLERK

Article P-11-14: Shall the Town vote to raise and appropriate the sum of \$1293.60 to increase the salary of the Town Clerk by \$1163 from \$38,753 to \$39,916, effective April 1, 2011? The additional \$130.60 is to cover the Town's payment for Social Security, Retirement and Medicare.

Recommended by the Board of Selectmen (3-2-0) and Budget Committee (13-0-0).

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

[Intent: To increase the salary of the Town Clerk by 3%. The Town Clerk position has not had an increase in salary since 2008.]

VETERAN'S TAX CREDIT

Article P-11-15: Shall the Town adopt the provisions of RSA 72:28, II for an increase of \$150 in the optional veteran's tax credit and in expanded qualifying war service for veteran's seeking the tax credit and replace the standard tax credit in its entirety? This modification would make the optional veteran's tax credit \$500 rather than \$350.

Recommended by the Board of Selectmen (5-0-0).

HUMAN SERVICES—CHILD & FAMILY SERVICES OF NH

Article P-11-16: Shall the Town vote to raise and appropriate the sum of \$1,000 for the Child and Family Services of New Hampshire whose funds primarily help low income families who are uninsured or underinsured access their services and to leverage state grants requiring matching funds and charitable dollars?

Recommended by the Board of Selectmen (5-0-0) and Budget Committee (7-6-0).

[Intent: Plaistow residents are served through the Exeter and Portsmouth offices as well as in home, school and community settings. From 7/1/09 – 6/30/10, 35 Plaistow Residents were served and 202 hours of direct service were provided for a total value of \$11,018. (If approved, money for this may appear in the operating budget in future years.)]

HUMAN SERVICES—AMERICAN RED CROSS

Article P-11-17: Shall the Town vote to raise and appropriate the sum of \$500 for the American Red Cross whose funds provide support and relief after a disaster, emergency preparedness training; courses in health and safety; blood drives; volunteer and youth leadership opportunities; and aid to military families?

*Not recommended by the Board of Selectmen (2-3-0);
Recommended by the Budget Committee (8-5-0).*

[Intent: Plaistow residents are serviced by the Great Bay Chapter, who is available to respond any time to disasters free to everyone and are not duplicated by any other agency or organization. An appropriation from Plaistow would help train and prepare citizens. The American Red Cross helped a total of 674 people from the 41 communities in the area chapter. (If approved, money for this may appear in the operating budget in future years.)]

HUMAN SERVICES—CASA (COURT APPOINTED SPECIAL ADVOCATES)

Article P-11-18: Shall the Town vote to raise and appropriate the sum of \$500 for the Court Appointed Special Advocates (CASA) whose funds provide support for the children in the court system who cannot speak for themselves?

*Recommended by the Board of Selectmen (5-0-0);
Not recommended by the Budget Committee (1-12-0).*

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

[Intent: Plaistow residents are serviced by the Court Appointed Special Advocates (CASA), who are available to respond and act on behalf of the children in the family court system. An appropriation from the Town of Plaistow would allow the persons to be trained and able to be in attendance for the children in need. (If approved, money for this may appear in the operating budget in future years.)]

ACQUISITION OF LAND AND/OR BUILDINGS FUND

Article P-11-19: Shall the Town vote to establish a Land and/or Buildings Acquisition Capital Reserve Fund under the provisions of RSA 35:1 and that the income from the disposition of any Town-owned land (not already designated as conservation land or cemetery properties) and/or buildings is deposited into this fund? Expenditures from this fund will require a vote by the Board of Selectmen.

Recommended by the Board of Selectmen (4-1-0).

[Intent: To establish a fund that would be used for the future purchase of land and/or buildings that would be of use to the Town. Per a Warrant Article approved at the 2001 Town Meeting, the Board of Selectmen would be required to have at least two public hearings before they can purchase or sell land. Should there be dissent to purchase or sale via public petition, then the purchase or sale must be voted on at a future Town Meeting. These funds will be placed in an interest bearing account.]

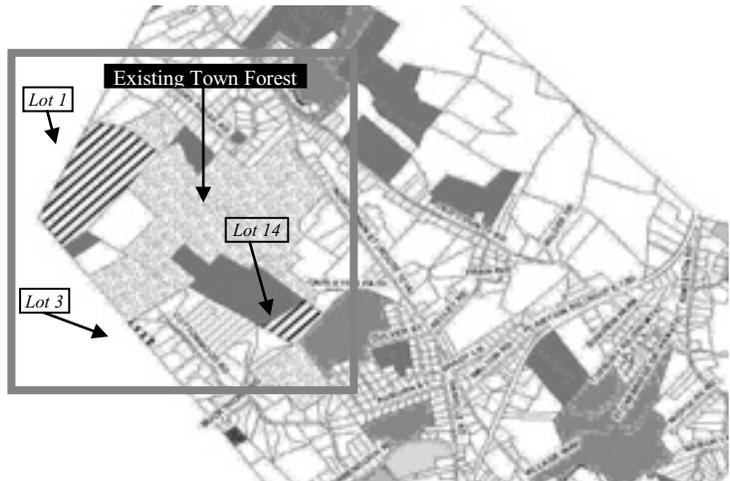

ADDITIONAL PARCELS TO BE DESIGNATED AS TOWN FOREST LAND

Article P-11-20: Shall the town vote to designate the following Town-owned parcels as Town Forest Land to be added to the existing Town Forest under the provisions of RSA 31:110, 31:111; 31:112II, and RSA 31:113?

Properties are located off North Main Street:

- **Tax Map 6, Lot 3; (1.83 Acres)**
- **Tax Map 7, Lot 1; (88 Acres) and**
- **Tax Map 18, Lot 14 (14.5 Acres)**

*Recommended by the Board of Selectmen
(5-0-0).*

[Intent: To add lands to the existing Town Forest to continue to preserve the natural environment. Any monies obtained from the management of the Town Forest are to be placed in the Forestry Fund in accordance with RSA 31:110-113]

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

ZONING AMENDMENT

Article P-11-21: Are you in favor of the adoption of an amendment as proposed by the Planning Board to the Plaistow Zoning Ordinance to amend the Plaistow Zoning Map by rezoning two lots currently located in two zones (Industrial 1 and Low Density Residential) to entirely Low Density Residential. These lots are known as Tax Map 55, Lot 12 and Tax Map 55, Lot 9, and are bounded by Crane Crossing Road and Kingston Road as shown in the crosshatched area below:

[Reason for Change: To allow the two parcels containing residential structures, currently split between the Low Density Residential District and Industrial District, to be located entirely within the Low Density Residential District.]

(RECOMMENDED BY THE PLANNING BOARD)

ZONING AMENDMENT

Article P-11-22: Are you in favor of the adoption of an amendment as proposed by the Planning Board to the Plaistow Zoning Ordinance to amend Article V – Establishment of Districts and District Regulations, Table 220-32D “VC” – Village Center, B. 11 to read as follows:
Mixed Use where the work place or the residence must be owner occupied.

[Reason for Change: To allow properties included in the Village Center District to be utilized for mixed uses (Residential and Commercial), as long as the owner of the property occupies either the residence or business.]

(RECOMMENDED BY THE PLANNING BOARD)

ZONING AMENDMENT

Article P-11-23: Are you in favor of the adoption of an amendment as proposed by the Planning Board to the Plaistow Zoning Ordinance, by adding a new Article XVIA, “Plaistow Construction/Post-Construction Stormwater Ordinance, as proposed on a separate attachment “A”?

[Reason for Change: To enhance our existing Zoning Ordinance to be in compliance with the Environmental Protection Agency’s Stormwater Permit Requirements.]

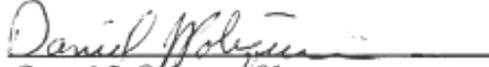

(RECOMMENDED BY THE PLANNING BOARD)

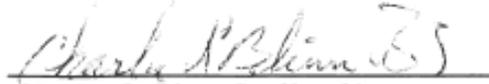

Town of Plaistow, New Hampshire
2010 ANNUAL REPORT

NOTES

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

CENSUS 2010

The results of the 2010 Census are eagerly awaited by many of us. The Census is a full count of the country taken every 10 years, at a snapshot in time. The detailed data releases began in December, 2010 and go right through to 2014 and this data will be used to report on many of the characteristics of our population.

On December 21, 2010, the U.S. Census Bureau released population totals for all states, the District of Columbia and Puerto Rico. This first release of 2010 Census data is used to determine the future apportionment of congressional seats. New Hampshire's total population at the 2010 Census was 1,321,445, with a resident population of 1,316,470. (The difference of 4,975 persons represents the overseas military and federal civilian employees and their dependents living with them for which their parent agencies have provided counts.)

According to the U.S. Census Bureau, New Hampshire's resident population grew by 80,684 from the 2000 Census, for a growth rate of 6.53%.

New Hampshire's resident population grew by 80,684 from the 2000 Census, for a growth rate of 6.53%. The state's percentage growth was the highest in New England, but the numeric growth was third, behind Massachusetts and Connecticut. Tables and maps depicting the changes in population and in congressional representation can be viewed and downloaded from the U.S. Census Bureau website. Detailed results (known as the Redistricting Data Summary File) from the 2010 Census, including populations for all political subdivisions, census tracts and blocks in the state, will become available in February or March of 2011.

Respectfully Submitted,
Leigh Komornick, Town Planner

Town of Plaistow, New Hampshire

2010 ANNUAL REPORT

ARBOR DAY CITATION

In honor of Arbor Day, Our Community planted a "Maple October Glory" and an "Ash Korean Mountain" tree on the Library Green. We urge others to join us in the planting of trees to gladden the heart and promote the well-being of this and future generations of all Plaistonians. The following citation was issued and signed by Town officials, staff and Pollard Elementary School students.

2010 Arbor Day Plaistow, NH

WHEREAS: IN 1872, STERLING MORTON PROPOSED TO THE NEBRASKA BOARD OF AGRICULTURE THAT A SPECIAL DAY BE SET ASIDE FOR THE PLANTING OF TREES, AND

WHEREAS: THIS HOLIDAY, CALLED ARBOR DAY, WAS FIRST OBSERVED WITH THE PLANTING OF MORE THAN A MILLION TREES IN NEBRASKA, AND

WHEREAS: ARBOR DAY IS NOW OBSERVED THROUGHOUT NEW HAMPSHIRE, THE NATION, AND THE WORLD, AND

WHEREAS: TREES CAN REDUCE THE EROSION OF OUR PRECIOUS TOPSOIL BY WIND AND WATER, CUT HEATING AND COOLING COSTS, MODERATE THE TEMPERATURE, CLEAN THE AIR, PRODUCE LIFE-GIVING OXYGEN, AND PROVIDE HABITAT FOR WILDLIFE, AND

WHEREAS: TREES ARE A RENEWABLE RESOURCE GIVING US PAPER, WOOD FOR OUR HOMES, FUEL FOR OUR FIRES AND COUNTLESS OTHER WOOD PRODUCTS, AND

WHEREAS: TREES IN OUR TOWN INCREASE PROPERTY VALUES, ENHANCE THE ECONOMIC VITALITY OF BUSINESS AREAS, AND BEAUTIFY OUR COMMUNITY, AND

WHEREAS: TREES WHEREVER THEY ARE PLANTED, ARE A SOURCE OF JOY AND SPIRITUAL RENEWAL

NOW THEREFORE: IN HONOR OF ARBOR DAY, THE TOWN OF PLAISTOW HAS PLANTED A MAPLE OCTOBER GLORY AND AN ASH KOREAN MOUNTAIN ON THE LIBRARY GREEN AND WE WILL URGE OTHERS TO JOIN US IN THE PLANTING OF TREES TO GLADDEN THE HEART AND PROMOTE THE WELL-BEING OF THIS AND FUTURE GENERATIONS FOR ALL PLAISTONIANS.

IN WITNESS WHEREOF, WE HAVE HERETO CAUSED TO BE AFFIXED THE GREAT SEAL OF THE TOWN OF PLAISTOW, THIS 21ST DAY OF APRIL, 2010.

2010 ANNUAL REPORT

APPLICATION FOR COMMITTEE APPOINTMENT

One of the advantages of living in a small town is the ability to participate in and contribute to the activities and programs, which are offered by the Town to its residents. Plaistow is fortunate to have a history of strong volunteerism and offers the opportunity to all residents of the town to continue this tradition.

Boards, Commissions, and Committees are made up of volunteers. Recreation programs, public access TV, parades, celebrations, and beautification projects are successful due to the efforts of the Plaistow residents.

If you are a registered voter of Plaistow and would like to serve as a member on one of the following, please note your area of interest and return this form to the Selectmen's Office.

PREPARING A FAMILY EMERGENCY PLAN

Make sure your family has a plan in case of an emergency. Before an emergency happens, sit down together and decide how you will get in contact with each other, where you will go and what you will do in an emergency. Keep a copy of this plan in your emergency supply kit or another safe place where you can access it in the event of a disaster.
