TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Plaistow in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Plaistow on Tuesday, the eleventh of March, next at nine of the clock in the forenoon, to act on the following articles:

Article 1 To choose all necessary Town Officers for the year ensuing.

Article 2 To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

Article 3 To see if the Town will vote to raise and appropriate a sum not to exceed \$150.00 to acquire Broad Form Money and Securities Insurance for one year indemnifying the Town and its Officers against the loss of Town funds due to Hold-up, Burglary, Damage or Destruction caused by Fire, Flood and/or other manner of loss not covered under present Town Officers' performance Bonds.

Article 4 To see if the Town will vote to continue the sidewalk construction program and to raise \$1,000.00 for same.

Article 5 To see if the Town will vote to raise and appropriate a sum not to exceed \$150.00 for the printing in pamphlet form (a) the Building Zone Ordinance and (b) the Zoning Ordinance proposed by the Zoning Commission and as voted by the Town.

Article 6 To see if the Town will vote to raise and appropriate the sum of \$250.00 for the control of Dutch Elm Disease.

Article 7 To see if the Town will vote to raise and appropriate a sum of money not to exceed \$500.00 for the repair or removal of damaged or diseased town-owned trees and the replacement of same wherever possible.

Article 8 To see if the Town will vote to accept Pine View Avenue off Kimball Avenue. (By Petition.)

Article 9 To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for the use of the Industrial Commission in carrying out the purpose of that Commission.

Article 10 To see if the Town will vote to raise and appropriate the sum of \$455.00 for the use of the Civil Defense.

Article 11 To see if the Town will vote to authorize a fund of \$1,000.00 to be set up in the Road Machinery Account.

Article 12 To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

Article 13 Shall the provisions of Chapter 171-A of the Revised Laws relative to playing games of Beano be adopted in this Town.

Article 14 To see if the Town will vote to raise and appropriate the sum of three hundred dollars (\$300.00) to resurface lower hall floor in Town Hall.

Article 15 To see if the Town will vote to raise the salary of the Town Clerk from \$200.00 to \$400.00.

Article 16 To see if the Town will vote to appoint a Committee of three, to review and revamp the present Building Codes, to conform to present day standards. Said Committee to be appointed by the Moderator and Selectmen acting in concert.

Article 17 To see if the Town will vote to authorize the Selectmen to execute and deliver appropriate deeds to the owners of the adjoining premises of all the abandoned portions of Danville Road.

Article 18 To see if the Town will vote to authorize the Fire Engineers to install a telephone fire-call system and to appropriate the sum of one thousand dollars (\$1,000.00) to install and maintain the same.

Article 19 To see if the Town will vote to authorize the Fire Engineers to hire a permanent man to be at the Fire House at night and to raise the sum of Twenty-five hundred dollars (\$2,500.00) to defray the cost.

Article 20 To see if the Town will vote to raise and appropriate the sum of three hundred-twenty five dollars (\$325.00) for cast iron wheels for 1 - Historic Cannon located in Pollard Park, said wheels to be purchased from Federal Penitentiary.

Article 21 To see if the Town will vote to amend Article 16 of the 1955 Warrant to read as follows: to allow a (1%) one percent discount for payment of taxes, expiration date of discount, each year, November 1st following issuance of tax bills.

Article 22 To see if the Town will vote to raise and appropriate the sum of forty-eight hundred dollars (\$4,800.00) to widen the approaches and bridge on Westville Road over Pollard Brook. This sum to be supplemented by State Bridge Aid.

Article 23 To see if the Town will vote to accept as submitted the reports of Agents, Auditors and other Officers and Committees heretofore appointed.

Given under our hands and seal, this 24th day of February, in the year of our Lord, nineteen hundred and fifty-eight.

LEROY S. DUBE

REPORT OF THE BOARD OF SELECTMEN YEAR OF 1957

Statement of Condition

The Town of Plaistow closed the year 1957 with an unexpended balance of \$5,771.77 against the 1957 appropriations.

The town surplus on December 31, 1956, amounted to \$8,321.81. The total surplus on December 31, 1957, was \$14,909.10. This surplus consisted of unexpended funds, \$6,165.36 and unredeemed taxes in the amount of \$6,715.13, with uncollected taxes of \$2,028.61.

The net increase in the town surplus amounted to \$6,587.29. The property valuation increase was \$211,163.00. This kept the tax rate from increasing \$2.62 more a thousand.

The following table details the increase or (decrease) in the various types of taxable property located in Plaistow, 1957 as compared with 1956.

Type of Property	1957	1956	Increase or (Decrease)
Land & Buildings	\$3,950,903.00	\$3,720,210.00	\$ 230,963.00
Electric Plants	135,900.00	131,800.00	4,100.00
Horses & Mules	2,050.00	1,525.00	525.00
Cows	19,080.00	14,525.00	4,555.00
Sheep & Goats	120.00	30.00	90.00
Fowls	5,700.00	6,575.00	(875.00)
Vehicles, Boats & Launches	5,675.00	3,700.00	1,975.00
Portable Mills	2,375.00	2,600.00	(225.00)
Mills, Machinery, Road Building & Well Drilling Mach.	68,550.00	78,600.00	(10,050.00)
Gas Transmission Line	7,100.00	7,100.00	
Gasoline Pumps & Tanks	1,575.00	4,975.00	(3,400.00)
Stock - In - Trade	97,481.00	115,401.00	(17,929.00)
Wood & Lumber		296.00	(296.00)
House Trailers	2,200.00	200.00	2,000.00
	\$4,298,709.00	\$4,087,546.00	\$ 211,163.00

The summer of 1957 being a dry season, it was necessary that the board supply hardship cases with water. This was done through the cooperation of the City of Haverhill, which furnished the town with water, which was delivered by our fire department tank truck. Fred C. Rand drove the truck and took charge of the cases. He was responsible for delivering 69,000 gallons.

The board was also faced with the problem of relocating the town dump. Numerous complaints from citizens regarding the unsanitary and unsightly conditions of the location, plus the proximity of the heavily-traveled Route 125, forced this major move.

Several local areas were considered and reviewed. A decision to relocate was reached after public meetings were held. After sanction from the State Health Department and the State Fire Warden, the dump was moved to Greenough Road.

During the past year we were fortunate in obtaining the services of Fred C. Rand as Town Hall Custodian, following the resignation of William Steer. Mr. Rand immediately began making many repairs to general physical properties of the building, which had been neglected over the years. Evidence of his work is visible in the downstairs hall, which is in process of being redecorated.

An ordinance was enacted in the year 1957 prohibiting parking on the Town Hall side of Elm street and Main street. This was enacted because of a hazardous condition caused by the increased traffic at this location.

It behooves all taxpayers to make an effort to attend both school and town meetings. Appropriations voted at these meetings form a major part of the tax rate. The last vestige of democracy rests in the town meeting form of government.

Respectfully submitted,

LeROY S. DUBE, Chairman

WILLIAM C. BRAMLEY

CHARLES H. GOODWIN

REPORT OF THE ROAD AGENT FOR 1957

I have endeavored to keep the roads open in the winter to make possible the passage of ambulances and fire equipment in case of emergencies. This includes sanding to insure the safety of children riding in school buses to and from school.

Over one - third of the summer's appropriation (\$3,520) was spent on patching holes in our roads (approximately 40 miles). This of course is just a temporary measure.

The sides of the roads were mowed and brush was cut. Some of the heavy materials had to be cut by axe and saw. (\$1,400)

The following roads were given a two-coat new surface consisting of a penetration and a seal coat: Kelleher Ave., Laurel Ave., Kimball Ave., Kingshaw Ave., Cifre Lane, Congressional Ave. and Morton Ave. Roads were tarred with MC3 (\$1,250). Truck hire amounted to \$382.50.

Grading and cleaning up cost \$1,200 for work on the following streets: Pollard Rd., cutting down the banks; corner was taken off Forest St.; corner was taken off Westville Rd.; Wentworth Ave. was graded and widened where possible. All roads which were tarred had to be graded in preparation.

Money was spent to cover the tar with sand, putting up traffic signs, cedar posts at culverts, fence rail at bridge on Clay Swamp Hill Rd. Fence rail on bridge at Crane Crossing Rd. Cleaning culverts, gravel on Cifre Lane, Kingshaw Avenue, Rose Avenue, Morton Avenue and numerous other small projects.

In the winter season we had several bad snowstorms. Since we have been forced by the state to take over old Route 125, it has cost \$1,000 more for salt. The rest has been spent for plowing, sanding, repair of plows and work on A frames.

I want to thank the townspeople for their cooperation in keeping their automobiles parked off the streets at night in the winter. My crews can plow our town without being hampered by parked cars.

Respectfully submitted,
ELLSWORTH REED,
Road Agent

REPORT OF THE PLAISTOW FIRE DEPARTMENT

The department answered sixty-two alarms. Five were building fires, 2 chimney fires, one tar-pot, one motorcycle, six at the dump, three were emergency calls, four calls out of town, and the rest were for grass and brush.

The estimated total fire loss was five thousand dollars.

I regret to state that for the first time in 25 years of being chief of the department that our appropriation was over expended. This was brought about because of the extreme drought during the summer and late fall. It became necessary to clean-out and dig a new water hole to have some water for fire protection.

Another reason for the overexpenditure was because of the number of fires fought and man hours involved.

It was apparent in the summer of 1956 that something would have to be done in regard to the housing of the new fire truck which was to be delivered in November. After much discussion and thinking on the part of the engineers and the members of the association, it was decided to build a cement-block addition on the rear of the old Fire House.

The Association contributed the sum of nineteen hundred forty seven dollars and eighty cents towards material. All labor has been contributed by members of the department and association.

An addition 36 feet by 28 feet was added to the rear of the building. It was discovered at that time the old building was unsafe. At the vote of the Town Meeting of

March 1957, an appropriation of thirty five hundred dollars was voted for the razing of the old building and construction of a new one.

The old building was razed about the first of April. The three pumpers were housed at Gordon Merrick's Garage, Donald Davis' Garage and at Charles Jenne's. The other two trucks were put into the addition which had been built the previous fall.

The firemen have donated their time in rebuilding the structure. The building completed is 74 feet by 28 feet. All labor has been donated. The lower part of the building is of cement block and fire-proof construction. The upper floor consists of a kitchen, a meeting hall, a bedroom and office space.

A new forced-air heating system was installed. A fire pole was donated to the department.

A new fire sign for the outside of the building was given by Mrs. Carrie Merrick in memory of her late husband, Gordon F. Merrick.

The paint for the inside walls of the building downstairs was contributed by Mr. Walter G. Leathe and his father.

Mr. Henry Mann, a member of the association, painted the interior of the building absolutely free of charge.

The material that could be salvaged from the old building including the overhead doors and the boiler, were sold and the money used in the construction of the new building.

Not enough praise and thanks can be given to those faithful men who have given two nights a week and many Saturdays in the making of this firehouse possible.

The total amount of money spent has been six thousand eight hundred and sixty eight dollars and fifty nine cents. Two thousand six hundred forty one dollars and fifty two cents was contributed by the Firemen's Association. The rest from the appropriations at Town Meetings.

The value of the building as it now stands would be at least twenty five thousand dollars.

Respectfully submitted,
JOHN A. PALMER, Chief

REPORT OF LIBRARIAN FOR 1957

To better accommodate the bus children of the Pollard School and to relieve congestion, the library now has visitations by the bus children on the basis of three grades each Monday, Wednesday and Friday instead of the entire group coming on Friday as formerly.

The Bookmobile visited the Plaistow Library four times during the year; and the local library had constant exchange of books with the State Library. This service was greatly appreciated.

Special exhibits were displayed Book Week and during the Thanksgiving and Christmas holidays.

The Librarian is deeply appreciative of her staff assistants and also for the splendid cooperation of the principal and teachers of the Pollard School.

As the year ends, the library is endeavoring to supply its readers with science books and technological material to answer the demands of the "Space Age".

REPORT OF THE BOARD OF HEALTH 1957

Thruout the year it has been the duty of the Board of Health to report to the State Board of Health the following number of communicable diseases, Chicken Pox 28; Septic sore throat or Scarlet Fever 4; German Measles 7; Mumps 4; Measles 3; Dog Bite 5. In all there were 51 such cases reported to me either by telephone or by mail.

There were no Asiatic Flu, Influenza, Polio or Pneumonia cases reported in our town during the entire year despite the wide spread respiratory conditions early in the Fall which required the closure of the school for a period of about a week due to the great number of school children so afflicted.

There were many complaints of a great variety of infractions of the town sanitary code as well as complaints of nuisances due to a number of causes; the greatest cause, of these, was due to the extreme dryness of the Summer which dried up many water holes and brooks with the resulting odors of stagnation and stench of rotting vegetation. These complaints were promptly examined and were in some cases rectified and in other the landowners were notified to remedy same wherever possible. In some cases it required many visits and in some, the use of a lawyer to bring results.

It has been a busy year for the health board but with the constant help of all members of this town, we will try to maintain as clean a place to live as is possible.

We wish, again, to appeal to all householders that it is their duty, by law, to notify this board whenever there is a case of communicable diseases in any home. The name of the patient, age, sex and disease must be given. We have brought this matter, by letter, to the attention of the Parent Teacher Asso. and hope with their help to increase the number of cases which in the past have been overlooked and have not been brought to our attention.

Respectfully submitted,
FRANCIS S. HARRIS, M. D.
LEROY S. DUBE
CHARLES H. GOODWIN
WILLIAM C. BRAMLEY

REPORT OF WAR MEMORIAL COMMITTEE

Completion and acceptance of a formal plan for development, and the clearing of brush and timber from the recreational site, were the two accomplishments of this committee during 1957.

Clearing of the 168,000 square feet of game area was begun on a volunteer basis by local Veterans, however as work had to be restricted to Sunday afternoon it became clear that the rate of a thousand square feet per week would greatly prolong the project. Professional full time woodsmen were required and promptly hired, under supervision of the Committee Chairman.

The game areas are now all cleared of standing brush and timber, and the picnic areas have been neatly trimmed out.

The Fire Department has offered to complete burning of brush, and Lyman Hill has volunteered time and equipment to remove logs to the mill, to be cut for Field House material.

In the Spring we expect to be ready for stump removal and grading. This no doubt will be the heaviest expense.

Detail of the War Memorial Fund is as follows:

**PLANNING BOARD REPORT
FOR 1957**

During the year the Planning Board prepared Regulations covering the Subdivision of Land. The State Planning Commission assisted when advice was needed.

One public meeting has been held and another one is planned. It is expected that the regulations will be ready for distribution about April 1, 1958.

Respectfully submitted by,

NELSON M. SCHWANER

Clerk to the Planning Board

CIVIL DEFENSE

During the past year your Civil Defense department established itself in a very realistic and concrete way. We conducted and supervised two safety drills at the Pollard School, responded to one ambulance call and was instrumental in locating a nurse when one was urgently needed for one of our townspeople. Our police force has put in many man hours during the summer, both on traffic duty and also on week end cruising duty, all of which means more and better police protection for the people of Plaistow.

We now have the benefit of two rooms in the Town Hall which are used as our headquarters and this spells advancement for you and us. There is also a telephone connection there for your use if you need us. Our communications equipment, while slow in coming, is on the way and with the help of this radio hook up we hope to be of greater service to you than ever before.

Our wardens are completing a town wide census which will give us accurate and up to date information regarding our population and who would need help first in time of trouble. We are all constantly studying and training in order that we may make the people of Plaistow proud of the Civil Defense Department.

Sincerely,
KENNETH D. STAKPOLE
ARTHUR M. HADLEY

REPORT OF INDUSTRIAL COMMISSION YEAR OF 1957

After a slow start due to organization difficulties, the commission has a feeling of a bright industrial future for Plaistow. Several potential firms have been contacted and have shown an interest in locating in town. One has an option to buy a local building.

Lack of buildings seems to be the major problem facing this commission. With good industrial sites available and the transportation facilities being excellent, with some work, we expect good news for townspeople in the future.

CARLETON K. MARSHALL
Chairman

ELWOOD M. CURRIER

TREE WARDEN'S REPORT FOR 1957

The Tree Warden did a fine job in caring for the trees of the town as usual.

The exact number of trees cut down is not known due to his decease. However, we toured the town several times with Louis Dion, Tree Warden, and found that he was doing a great job.

He worked in cooperation with the Exeter & Hampton Electric Co. and the New England Tel. & Tel. Co. in tree trimming and as a result there are but a few trees that require felling.

His last detail was that of transplanting a blue spruce from the property of Mr. and Mrs. Alden Jacques, North Avenue to the Town Hall Park. This tree was donated by the aforesaid mentioned.

With the very dry year which has just passed, we were one of the few towns in southern New Hampshire that had green foliage all summer.

To the survivors of Louis Dion we say "hats off" to Louis for a job well done.

The town will miss him.

The Board of Selectmen

SUPPLEMENTARY REPORT ON ACTIVITIES OF PUBLIC HEALTH

The 3rd polio clinic of a series of three was held at the Pollard School on February 25, 1957.

518 attended
26 received first shots
58 received second shots
434 received third shots

We hope that all have completed their third shots by now.

We have been in your town on several occasions and have taken care of health problems as they arose. Defects found were referred to private physicians or to the proper agencies for correction.

It has been customary to conduct child health conferences every other year. This is the year. Your school nurse and we will make plans for this.

Respectfully submitted,
JEANNETTE B. BERNIER, R. N.

	\$ 1,333.76

Expended During 1957

Care of lots Plaistow Cemetery	\$ 432.14
Town of Plaistow	30.00
Rev. Oscar Giguere for Holy Angels Cemetery	184.00
Nat Barrows for North Parish Cemetery	208.00
	\$ 854.14
Balance on hand December 31, 1957	\$ 479.62
	\$ 1,333.76

January 1, 1957 the Cemetery Trustees had in Trust Funds \$22,000.00 invested with Plaistow Co-operative Bank, plus \$50.00 on interest a total of \$22,050.00.

During the year six (6) additional Funds were started a total of \$1,150.00.

January 1, 1958 Total of invested funds \$23,200.00.

We received this year $3\frac{1}{2}\%$ the first six months of the year and 4% for the second half due to the fact that some of the certificates were misplaced.

The Trustees have on order perpetual care markers which will be placed on all lots in the Spring. The cost of these to come from the balance of December 31, 1957.

During the year loam has been spread on graves where needed.

The Cemetery for Memorial Day Service was in fine condition and was kept neat during the summer.

Respectfully submitted,

Cemetery Trustees

CATHERINE L. FOSTER, Clerk

REPORT OF THE TRUST FUNDS OF THE TOWN OF PLAISTOW, N. H., DECEMBER 31, 1957

TRUSTEES' REPORT

The trustees of the Plaistow Public Library are very happy that so many people are making use of the facilities that their tax money provides for them.

We were very sorry that Mrs. Helen Colcord, who has been librarian since 1951, felt that because of her health she should resign. Mrs. Colcord, vitally interested in the service that our library could give, helped to make it a better library in many ways. We are very grateful to her for the many services rendered and her interest in the library.

Mrs. Virginia Robinson, assistant librarian, rendered invaluable service by taking charge of the library during the time of Mrs. Colcord's illness until the trustees appointed Mrs. Vivian Crockett as librarian in September 1957.

Mrs. Crockett, who has lived in Plaistow all her life, is a graduate of the University of New Hampshire, and has had teaching experience. She is very interested and has been doing some fine work in our library with Mrs. Virginia Robinson as her assistant and Miss Patricia Gilman as helper.

Why don't you visit your library and see how much there is available to you and your family?

PAUL D. PALMER

REPORT OF SUMMER PLAYGROUND

This year the attendance of the Plaistow Summer Playground increased by 1,000 children over the 1956 total.

First Week	509
Second Week	515
Third Week	586
Fourth Week	480
Total	2,090 Children

Two additional mornings were given to the Red Cross Swimming Instruction Program. Total attendance 626.

Four cook outs — Attendance 445
Forty Craft Classes — Attendance 1,600

For the first time this year milk was provided at cost through the Government milk program. 2,875 bottles of milk were consumed by the children.

Respectfully submitted,

ROBERT DOLPH

SCHOOL WARRANT
THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Plaistow qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the eighth day of March 1958, at six o'clock in the afternoon, to act upon the following subjects:

Article 1. To choose a Moderator for the coming year.

Article 2. To choose a Clerk for the ensuing year.

Article 3. To choose a Member of the School Board for the ensuing three years.

Article 4. To choose a Treasurer for the ensuing year.

Article 5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

Article 6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

Article 7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

Article 8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

Article 9. To see if the district will vote to construct and equip an addition to the Pollard School; to authorize the school board to execute any and all contracts or agreements necessary and proper or advisable

in connection with the construction and equipping of an addition, and authorize the school board to issue bonds or notes in an amount not to exceed sixty thousand dollars (\$60,000) payable from funds to be raised by taxation for the purpose of financing such construction.

Article 10. To see if the district will vote to raise and appropriate \$2,250 to pay the first interest payment on the bond issue for the addition.

Article 11. To see what action the district will take relative to the location of the new addition.

Article 12. To see if the school district will adopt as its school check-list the Town check-list, as provided in RSA 197:12a, as inserted by Laws of 1957, chapter 57; this provision to be effective for the 1959 and subsequent annual district meetings.

Article 13. To see what sum the district will vote to raise and appropriate to provide and operate additional classrooms during the 1958-59 school year.

Article 14. By petition -- to see if the district will vote to set the voting hours for officers in the Plaistow School District from 12:00 o'clock noon to 8:00 p. m.

Article 15. To transact any further business that may legally come before the meeting.

Given under our hands at said Plaistow this 15th day of February 1958.

BUDGET WORK SHEET

This is a presentation of the budget work sheet upon which your School Board is operating during 1957 - 58 and their proposed expenses for the year 1958 - 1959. It must be taken into consideration that monies appropriated in the month of March, to be used the following year do not necessarily correspond in individual items, because of the impossibility of projecting the rising price indexes twelve months hence.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

January 20, 1958

To the School Board and Citizens of Plaistow:

I am presenting herewith my Second Annual Report as Superintendent of Schools in Plaistow. This report deals briefly with the following subjects: Personnel; Housing; Bonded Indebtedness and Borrowing Capacity; Curriculum and Community Organizations. Reports of the Principal, School Nurse-Teacher, Music Supervisor and statistical reports are also included.

Personnel

Last September four teachers were new to their respective positions. They were: Mrs. Marilyn Johnston, a graduate of London Teachers College with three years experience - grade 5; Mrs. Helen Raymond, a graduate of Keene Teachers College with seven years experience - grade 6; Miss Sheila Sullivan, a graduate of Merrimack College - grade 7; Miss Inge Wolff, a graduate of Keene Teachers College - grade 3.

All teachers have continued membership in local, state and national professional teachers' organizations and have attempted to keep abreast of modern practices by attendance at local and state teachers' meetings, and by

taking courses when possible. Six of them have recently completed taking a course entitled Language Arts under the auspices of the University of New Hampshire. Two other teachers took courses this summer at Salem Teachers College.

Although teachers salaries have increased noticeably in Plaistow, we are under the state average for elementary teachers and New Hampshire, as a whole, is under the national average. New Hampshire increased teachers salaries last year the highest ever over any preceding year, but still fell behind the overall increase in the nation. I believe we must have adequate salaries to attract the more qualified teachers and to keep our present very competent staff.

Housing

Your School Board has continued to maintain and improve the physical condition of the Pollard School. Important improvements made since the last annual report have included: exterior and interior painting of the school building; the removal of all outmoded desks attached to the floor; tiling the ceilings and floors most needed and completion of toilet rooms.

The kitchen has been enlarged and new posts installed in the cafeteria. Screens and casing were placed on cafeteria windows and the second basement room was made more attractive.

Proposed Addition To The Pollard School

As the townspeople know we are faced with a need for more classrooms. Double grades which now reach the first six grades will reach grade seven next year and we will have fifty-one listed for grade seven. This means two rooms and we do not have the space. Grade seven this year has thirty-eight pupils and with any increases could be split into two rooms more effectively.

For a school the size of Pollard an all-purpose room is advocated. My recommendation would be an addition of approximately four rooms; two rooms finished and two rooms unfinished without partitions which could be used as an all-purpose room and eventually, if needed, could be made into two classrooms.

The School Building Committee has held several meetings with an architect, and has presented different plans to the townspeople. It is hoped that all your questions have been answered and you will approve the plan as presented by the School Building Committee. Appreciation is extended to the Committee for their work.

Bonded Indebtedness and Borrowing Capacity

According to New Hampshire State Law, a school district may borrow up to 4% of the assessed valuation as equalized; by special permission the district may borrow up to 6%. The Plaistow School District has an assessed valuation as equalized of \$7,531,283.00. The present indebtedness is \$63,000.00 which means that the present net borrowing capacity of the district, as of March 1958 is \$238,251.32 at the 4% rate and \$388,876.98 at the 6% rate.

The 1957 State Legislature increased state contributions toward costs of construction from 20% to 30% of a district's annual payment toward capital expenditures. It is expected that Plaistow will continue to be eligible for Federal funds for Public Law 874 which refers to federal assistance when an adequate number of parents work on federal leased property. It is expected that Plaistow will be eligible for State Aid this year because of its increased number of pupils.

Curriculum

The Plaistow children are equipped with textbooks as good as are available. Basal series have been instigated in all subjects and completed in most grades. Emphasis has been placed on reading and a complete testing program is in operation. Evaluation of all achievement tests has helped materially with proper grouping.

Robert Dolph, Helping Teacher, and Walter Leathe, Principal, have been instrumental in furthering the high standards of the Pollard School.

Mr. Dolph, the Helping Teacher, is available to give helpful advice, counsel and assistance to teachers, pupils and parents as a constructive means of improving the educational growth and development of children. His work includes: solving pupil problems of retardation and

maladjustment; adopting the programs of studies to meet the needs of the children and the community; bringing resources outside of the school to classroom teachers, pupils, parents and community; and in general acting as a consultant to the entire staff and community in the fields of curriculum, testing, in-service training of teachers and grade placement.

Mr. Dolph and your Superintendent have met each month with the principals and head teachers in the Union to stress important trends in education and to give all an opportunity to exchange valuable ideas and techniques.

It is the opinion of your Superintendent that we should continue to stress the basic fundamentals that lead to a balanced liberal education and not be unduly alarmed over what other countries are doing in certain fields. Overspecialization can be as harmful as neglect of specialization. The problem is how to strike a balance between the two.

Educational Television is becoming more of a reality. Daytime programs for participating schools will start this spring from Channel 2 in Boston. Next fall a fuller program will be in effect. All school districts should investigate the feasibility of installing television sets in the schools.

Remedial reading instruction is being carried on in certain districts to help remove reading difficulties. There is talk in some areas of running a four-weeks summer session for pupils, on a voluntary basis. It is our responsibility to keep abreast of all major educational trends.

Mr. Walter Leathe, Principal of the Pollard School, has made the following comments:

Pollard School, Grade 7 and 8 boys participated in the Lawrence Central Basketball League during January and February. Transportation was provided by Coach, Richard Hillner and parents.

Ovens were placed in the Pollard School galley and all the bread at the school is baked on the premises. Hot bread et al are made with surplus government commodities.

A very successful summer playground was enjoyed this summer and new swings were put up in the school-yard, both projects sponsored by our fine Parent-Teachers Association.

Close to 500 community leaders were inoculated against Asian Flu at the Pollard School this fall. School Doctor, H. Q. Horne and a staff of competent nurses directed the program.

A fire alarm system was installed in the Pollard School.

Report of the School Nurse-Teacher

Mrs. Gwendolyn Curtis Banks, Nurse-Teacher reports that health exams were completed in grades 1-4-7 by Dr. Herbert Horne and Mrs. Banks, R. N. Defects found were referred to parents and taken care of through the family doctor, clinics or nurse.

The Nurse-Teacher's yearly program consists of testing each child's vision and hearing; taking and recording heights and weights; doing color perception; giving periodic cursory examinations; health talks; helping with pre-school registration and clinical visits; showing health films and taking part in many conferences. The School-Nurse also accompanies the pupils occasionally on field trips, to be available in case of accidents.

Report of the Music Supervisor - Warren S. Freeman

I have the honor to submit a special report for the music program from September, 1957 through December, 1957 for the public school of Plaistow, New Hampshire.

This fall it has been our aim to develop the best possible music program for Plaistow in both the vocal and instrumental fields. We have offered vocal instruction for all pupils and instrumental music for pupils from grade 4 through grade 8. We have conducted instrumental music demonstrations this fall and have contacted parents in regard to the instrumental program.

Our instrumental music in Plaistow is being handled by Mr. Calvin Schraga and Mr. Calvin Torrey. Both of these men have had wide experience in the field of music and music education. Mr. Schraga is a former professor

of instrumental music at Boston University and has had twenty years experience in various communities in New York state and in Massachusetts. His work with the Plaistow group has been outstanding this fall, and this group promises to be one of the finest elementary school instrumental groups in the state. Mr. Torrey works with Mr. Schraga in giving individual and small group instruction to each of the players in the band.

The vocal music is handled by Miss Ann Treadway, who has had her training in the Middle West. Miss Treadway is doing excellent work, and in addition, Mr. Schraga is handling music classes at the junior high school level in grades 7 and 8. It is our feeling that Mr. Schraga could handle this phase of the program in a very effective way. In addition, Mr. Leathe has given a considerable amount of his time to the development of the music program.

In the overall picture the Plaistow program is moving ahead very rapidly and the year 1957-58 should mark the high point in the musical growth and development of the boys and girls of the town.

A start has been made this year in the purchase of necessary background instruments for the band, in order to improve this phase of our program. It is expected that this purchase program will continue until the band has complete and full instrumentation.

At this time, I would like to express my deep appreciation to the School Committee, Superintendent of Schools and to the Principal for their unfailing cooperation in making possible an effective program of instrumental music in the Pollard School.

Community Organizations

Appreciation is expressed for the continued support and cooperation of the Plaistow Parent-Teachers Association, the American Legion Auxiliary and all other local organizations.

I wish to extend my appreciation to the School Board, Principal, teachers and pupils who helped me to make this past year a success.

Respectfully submitted,
WENDELL V. DAVIS
Superintendent of Schools

ENROLLMENT IN HIGH SCHOOLS

The following tabulation shows the number of high school pupils by grades, attending various high schools and the high school tuition rates for the school year 1957 - 1958.

Grades	Haverhill High	Haverhill Trade	Sanborn Seminary
9	24	6	12
10	8	3	8
11	8	5	12
12	6	6	15
Totals	46	20	47
Rates	\$285	\$300	\$350

ENROLLMENT IN POLLARD SCHOOL

The following tabulations shows the number of pupils enrolled in each grade, together with the name of the teacher assigned, as of January 2, 1958.

	1	2	3	4	5	6	7	8
Edna French	32							
Beatrice Reynolds	32
