**TOWN WARRANT**

---

**THE STATE OF NEW HAMPSHIRE**

---

To the inhabitants of the Town of Plaistow in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Plaistow on Tuesday the 14th of March, next, at eight of the clock in the forenoon, to act on the following articles:

Article 1. To choose all necessary Town Officers for the year ensuing.

Article 2. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of same.

Article 3. To see if the Town will vote to accept Trust Funds now held by the Cemetery Trustees.

Article 4. To see if the Town will vote to authorize the Selectmen to borrow in anticipation of taxes.

Article 5. Shall the provision of Chapter 171-A of the revised laws relative to playing games of Beano be adopted in this Town?

Article 6. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to be set aside in a Special Reserve Fund for the future purchase of new and improved equipment for the Fire Department.

(Recommended by Budget Committee)

Article 7. To see if the Town will vote to raise and appropriate the sum of \$500.00 for additional expansion of the Cemetery.

(Recommended by Budget Committee)

Article 8. To see if the Town will vote to raise and appropriate the sum of \$250.00 for sidewalk repair.

(Recommended by Budget Committee)

Article 9. To see if the Town will vote to raise and appropriate the sum of \$500.00 as authorized by RSA 31:4 Par. XIX for the annual budget of the Seacoast Regional Development Association.

(Recommended by Budget Committee)

Article 10. To see what sum the Town will vote to raise and appropriate for the Seacoast Regional Development Association and the Seacoast Regional Plan.

Article 11. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for additional brick pointing of the Town Hall building.

(Recommended by Budget Committee)

Article 12. To see if the Town will vote to raise and appropriate the sum of \$500.00 to take care of a bad road condition on Old Road.

(Recommended by Budget Committee)

Article 13. To see if the Town will vote to raise and appropriate the sum of \$4,000.00 to lay a 10 inch water line from the water tower to Main Street.

(Recommended by Budget Committee)

Article 14. To see if the Town will vote to request and seek the assistance of the New Hampshire Tax Commission to make a complete reappraisal of all real estate within the Town and appropriate the sum of \$17,237.50 therefore.

(By Petition)

(Without recommendation of the Budget Committee)

Article 15. To see if the Town will vote to accept as submitted the reports of Agents, Auditors and other officers and Committees heretofore appointed.

GIVEN UNDER OUR HANDS AND SEAL this 23rd day of February, in the year of our Lord, Nineteen Hundred and Sixty-Seven.

LEROY S. DUBE

THOMAS H. CULLEN

CHARLES H. SILLOWAY

Selectmen of Plaistow

A true Copy of Warrant - - Attest:

LEROY S. DUBE

THOMAS H. CULLEN

CHARLES H. SILLOWAY

Selectmen of Plaistow

---

Plaistow, N. H., February 23, 1967

We hereby certify that we gave notice to the inhabitants within named, to meet at the time and place and for the purpose within mentioned, by posting up an attached copy of the within Warrant at the place of Meeting within named, and a like attached copy at the Plaistow Post Office and Westville Post Office, being public places in said Town, on the 23rd day of February, 1967.

## REPORT OF THE SELECTMEN

---

The Town closed the year with an unexpended balance of \$5,941.02. There was no cash surplus at the close of the year as \$6,000.00 of cash surplus was used to keep the tax rate down.

The total valuation of the town increased by \$637,-479.00 before a 30% general increase across the board was affected. This increase brought our total valuation up to \$9,902,254.50 and was necessary inasmuch as the State Tax Commission insisted that the tax rate could not exceed \$80.00 per thousand. If the valuations had remained the same, a tax rate of \$96.74 would, by necessity, have been imposed. We had no alternative but to make a general increase as aforementioned and the tax rate increase was \$1.60 over the previous year. However, on the basis of the previous year's assessments, it would have been an increase of \$24.74. We must point out that 89.2 cents of our tax dollar is used for education.

We had a total of \$362,630.00 in veterans exemptions (344) an increase of \$28,680.00.

The efforts of the Board this year were bent towards the finalizing of bidding for the construction of the overhead water tower and foundation. The Town received invaluable aid from the Seacoast Regional Development Association and we wish to express our appreciation to Mr. John Pierce Batchelder, executive director, and Mr. Robert Preston of the Seacoast Regional Plan who spent many hours processing and completing forms so that the

Town might receive a \$35,000 government grant towards the cost of this water tower. Final papers for this project have gone to Washington and we have had verbal acceptance. We sincerely hope this grant will be realized in behalf of the Town. This project is numbered 01-1-00-154. We would also like to add that the Seacoast Regional Development Association gave Process Engineering Co. considerable assistance in regards to finalizing plans and effecting financing so that they could start their building program.

The Town is still involved in a court action regarding the disposal area which has been viewed by numerous out of Town and State personnel who have expressed approval of the location as being a well managed disposal area. Court action has also been instituted against the Bonding Co. regarding the failure of the developer of Mary Ann Drive to comply with Planning Board regulations in the construction of their road.

The cemetery development has progressed and there is more to be done during the coming year.

The Planning Board has approved 12 new roads in Town.

A Public Auction was held during the year for the sale of tax deeded properties which brought an amount of \$2,600.00.

The State Highway Department has completed a drainage project on Kingston Road, Elm St. and Sweet Hill Ave. to correct a serious condition in this area, also made some repairs on the bridge on No. Main St. Town Road Aid money is being used to widen and finish the Bridge on Crane Crossing Road and should be completed this year.

The Selectmen, in cooperation with the Industrial Commission, have assisted Process Engineering Co. to get established and we are gratified to see the buildings and continued growth of this new industry. It is equally encouraging to see the activity at Penn Box and we anticipate further growth of this business also. The new shopping complex to be constructed by C. Durso and Sons on Route No. 125 will be a most welcome asset to the Town and the return to the Town of the Keezer Manufacturing Co. is indeed an additional asset.

We welcome participation by all citizens in the administration of the Town and because of the varied and sundry activities of the Selectmen, communication may be a little less than complete. However, every effort will be made to improve communications between citizens and all town departments during this year.

All new residents are urged to take an active interest in Town affairs and we strongly suggest their presence at School and Town Meetings. Our problems will find solution with the fine cooperation of all of our citizens.

Respectfully submitted,

LEROY S. DUBE

**FIRE REPORT FOR 1966**

---

During the year of 1966, there were sixty-three calls for the fire department. Included in these calls are the following: thirteen building fires; eighteen grass fires; four wood fires; two automobile fires; one bomb scare; four oil burner fires; three chimney fires; seven emergency calls; three false alarms; four dump fires; four out-of-town calls (two of these were in Newton, one in Kingston, and one in Danville). The Atkinson, Newton, and Hampstead fire departments were called to assist at two fires in Plaistow.

There was a fire loss of approximately ten thousand dollars (\$10,000).

A new fire truck has been purchased; this truck holds fifteen hundred (1,500) gallons of water and has a five hundred (500) gallon per minute pump as well as general accessories. The bid for the truck was given to the Farrar Company which was the lowest of five bidders. Delivery date for the fire truck will be June 1.

I would like to call attention to the fact that no outside burning is allowed without first obtaining a permit from the Forest Fire Warden, John Palmer or from the Deputy Forest Fire Warden, Donald Davis. No permits will be issued between the hours of 9 A. M. and 5 P. M. unless the day is damp or rainy. Burning in incinerators is permissible if the incinerator has been approved by Mr. Palmer or Mr. Davis. To be approved, an incinerator must have a cover that will prevent sparks from escaping.

Respectfully submitted,

JOHN A. PALMER, Chief

Summary of Health Department Expenses:			
Francis S. Harris, M. D.		\$	300.00

## REPORT OF THE PLAISTOW BOARD OF HEALTH

---

I hereby submit the report of the Board of Health for the year 1966.

It has been a very busy year due to the increase in building and replacement of antiquated sewerage disposal systems and the installation of new and replaced water lines.

Reports to the State Board of Health are made weekly and the following list includes all cases so reported to this board. It is necessary therefor that all contagious or notifiable diseases be reported to your local board either by the attending physician or by the householder where ever such cases exist.

Scarlet Fever	9 cases
Meningitis, any type	2 cases
Mumps	23 cases
Chicken Pox	24 cases
Dog Bite	23 cases
Mouse Bite	1 case
Guinea Pig Bite	1 case
Rabbit Bite	1 case
Pediculosis	2 cases
Tuberculosis Suspects	2 cases

Reported to this board from Middlesex  
County, Mass. Sanitarium as arrested.

There has not been a single case of German measles or regular measles reported.

The State Health Nurse at Derry has been notified of 7 cases of premature birth within the town.

Children Aid Permits for the care of State Welfare Children has been granted after examination of the situation.

There has been 4 cases of Sanitary complaints received and inspected and after letters being written to each nuisance, all such were abated and results were satisfactory.

There were two cases where water lines had to be replaced due to their being too close to sewerage disposal areas.

Due to the increase in building for both homes and commercial building there has been an increase in examinations of newly or replacement sewerage systems and this condition has covered nearly all areas of the town. Seventy (70) such examinations have been made.

It is the duty of every builder or contractor to have every new or replaced sewerage system examined by this Board of Health before it is covered and must be passed as complete to the satisfaction of the Board. A plan of each such installation should be submitted at the time of the examination, showing the position of the sewerage system in relation to the lot, bounds and to the water supply of that lot and any adjacent water supply.

Respectfully submitted,

FRANCIS S. HARRIS, M. D.

Senter Brothers (Hauling Trees & Stumps)		\$	233.00
Ralston Tree Service, Inc.			1,265.00
		\$	1,498.00

---

### REPORT OF THE TREE WARDEN

The usual cutting, trimming and spraying of trees took place during the year and ten new trees were planted. These seem to be doing well and the new trees planted during 1965 seem to be surviving also.

The maples have been treated and we are hoping that there will not be further deterioration to these fine landmarks.

We again wish to express our appreciation to Exeter and Hampton Electric Co. and the New England Tel. and Tel. Co. for their Cooperation.

Respectfully submitted,

THE BOARD OF SELECTMEN

**REPORT OF THE ROAD AGENT FOR 1966**

---

This is my annual report as Road Agent. This past summer roads were widened, shoulders graveled, brush was trimmed, new signs were put up and many signs repaired, guardrails were replaced and fixed, there was a lot of patching done. The annual oiling of roads was completed.

The TRA money is being used on Crane Crossing Road. Some new culverts were added and new catch basins built.

This winter there was a lot of ice, thawing and re-freezing.

I wish to extend my thanks to the people of Plaistow for the excellent cooperation given my department.

Respectfully submitted,  
CLINTON W. SENTER, Sr.  
Road Agent

## REPORT OF LIBRARIAN FOR 1966

---

"Good Reading for Youth", an exhibit collection of over three hundred books loaned by the State Library to our library, was on display for two weeks. These books were selected by the Children's Services Division of the American Library Association in cooperation with the National Educational Chairman of The United States Junior Chamber of Commerce.

A sum of one hundred dollars for reference books was provided by the State Library to all libraries belonging to the Centralized Library System.

Two hundred and ninety-six requests for Non-Fiction books for adults were answered by the State Library and two thousand four hundred and sixty-seven Adult and Children's books were loaned by the Bookmobile during its four visits.

Your librarian and a trustee attended seven District Library book and workshop meetings held in libraries in the district during the year. New books were on display and reviewed. Library topics were discussed.

The Friends of the Library Group have been busy with activities during the year. Book and food sales with coffee and doughnuts were held on Election Days. Pupils from the Pollard School made book jackets for their favorite books for National Library Week, April 17-23. Selected book jackets were displayed during the week. Grade 1 pupils enjoyed a story hour. The Sweet Hill Kindergarten were guests of the library for a story hour during Book Week, October 31 - November 7. Pupils from Pollard School made posters from which judges chose one poster from each grade. Books were awarded the winners. The Friends Group have been very faithful in assisting me in many ways: delivering books to shut-ins; helping with Bookmobile; assisting at library; acting as Safety Patrol Leaders for school children coming to the library; beautiful seasonal displays and returning Book Collection to the State Library. Their latest project is selling trolley books, proceeds from which will benefit the Library Building Fund.

A thank you is also due to other friends and organizations for gifts too numerous to mention.

The annual Second Grade Reading Club Program was held at the Pollard School in June.

One set Dictionary of American Biography (11 volumes) and one set Dictionary of American History (7 volumes) were purchased for our reference collection. Formica was installed in front of stained glass window. Combination windows, voted by the town, were greatly appreciated.

A McKay Scholarship, given by the State Library, was awarded your Librarian to attend, for the third year, the Library Technique Course held at the University of New Hampshire for three weeks in July.

The State Library is conducting a survey of the Plaistow Public Library. This survey is expected to be completed by the First of April.

### PLAYGROUND RECREATION PROGRAM REPORT

(July 5, 1966 - July 29, 1966)

---

The Playground Recreation Program began on July 5th and ran thru July 29th - six days a week.

It was ably directed by Mr. Dave Wilson of Manchester, New Hampshire, and was assisted by Miss Fitzgerald and Miss Stone, both of Plaistow.

Included in the program this year were games, fine arts, and all kinds of recreation. The average attendance was considerably higher than that of other years, with a daily average of 70 children. The range in ages of these children extended from the 1st grade thru to the 8th grade.

Mr. Wilson and his staff can certainly be commended for a job well done.

Respectfully submitted,

DONALD F. ROBINSON

President, Pollard School P. T. A.

## PLAISTOW INDUSTRIAL COMMISSION ANNUAL REPORT

The year 1966 was a big one for Plaistow with the decision of Process Engineering, Inc. to construct a million dollar plant on the industrial property next to Pennsylvania Box Company. The first phase has been constructed and production has begun. The impact of this major firm has already been felt with an improved economy represented by:

1. Natural gas distribution line piped through a section of Plaistow
2. Increased purchasing in town
3. The old bowling alley converted into an attractive office building
4. New high voltage electric supply
5. New shopping center, auto service stations, and the approval of a new commercial bank

One of the major events of the year happened at a special town meeting held on March 29, when the town voted by 200-9 to construct a 100,000 gallon water tower. To date, all contracts have been let and construction should be well underway by Spring. This will be a prominent landmark for Plaistow.

Regular monthly meetings were held on the last Tuesday of the month, and many special meetings were held. At the fall meeting a sub-committee consisting of seven men was appointed to aid us in the preparation of an industrial brochure, publicity and other areas where needed.

Industrial zoning became an important issue at the meetings, culminating with a joint meeting with the Planning Board. At this meeting a decision to request a special town meeting in the Spring of 1967, for the purpose of rezoning certain areas, was made.

New firms were contacted and invited to view our town, including a nationally known motel firm.

In our quest for new industry, we do not want to over-look the industry we already have, which is a tremendous asset. Many of these firms have increased production during the past year, and Keezer Manufacturing Company opened a new store on Route 125.

Our recommendations last year concerned three items.

1. A water tower — we are pleased that this will be completed in 1967.
2. A Master Plan — this has not developed, however, since every indication points toward increased growth in New Hampshire, especially in the border towns, we heartily **endorse** a Master Plan and urge the officials responsible to proceed in this direction.
3. A printed brochure — much planning and discussion has been held regarding this important item and in 1967 it should become a reality.

This year the Industrial Commission has been handicapped by not having a full membership. We recommend that this commission be filled to its seven-man capacity.

Respectfully submitted,

Mr. Kenneth Bernard  
Mr. Edward A. Ingalls, Jr., Secretary  
Mr. Irving S. Gilman  
Mr. Carlton Ingalls  
Mr. William Morton  
Mr. Nelson Schwaner

## REPORT OF PLANNING BOARD

---

The Planning Board held 16 regular meetings and 3 public hearings pertaining to new subdivisions and extensions of some others were approved during the year. They also made numerous on site inspections of these developments. There were some 30 situations taken up at the different hearings held throughout the year.

On April 11, 1966 a meeting was held with the Seacoast Regional Planning director, Mr. Leonard S. Campbell. He explained how the Seacoast Plan affected Plaistow. He also advised the Board that some consideration was being given to regional plans which would include two or three or more towns giving the respective towns the advantage of planning at a reduced cost to each.

The following developments have been approved:

Wildwood Park — Donald Jollimore

Ext. of Dauntless Lane, Rustic Lane including connectors  
Little Nook Road and Brookside Road

Brentwood Seamless Flooring — Ronald Lavoie

Barker and Auburn Streets

John Pichowicz — Shady Lane.

The following streets have been approved for building permits but will not be accepted for the Town until finished:

Rustic Lane - Extension off Sweet Hill Road

Dauntless Lane - Extension off Sweet Hill Road

Little Nook Road - Connects Rustic and Dauntless

Brookside Road - Connects Rustic and Dauntless

Auburn Street - Off Danville Road

Barker Street - Off Danville Road

Shady Lane - Off North Main St.

Dundee Drive - (Partial) Off Sweet Hill Road

The Board is considering some revisions in the subdivision regulations, also some changes in zoning and zoning regulations.

Respectfully submitted,

PAUL C. STUDLEY, Sec'y

and Acting Chairman

NELSON SCHWANER

THOMAS H. CULLEN

STUART P. JEANS

GEORGE WILLMS, Jr.

---

## REPORT OF BUILDING INSPECTOR

---

To: Selectmen, Town of Plaistow, N. H.

Sirs:

I respectfully report the building permits issued by me for new buildings, additions, alterations, etc., for the year 1966.

- 54 New Dwellings
- 7 Commercial
- 1 Stable
- 1 Church
- 1 School
- 3 Swimming Pools
- 2 Sheds
- 6 Garages
- 19 Additions and Alterations
- 3 Trailers
- 1 Office

A total of 98 permits for an estimated cost of \$1,197,800.00.

Respectfully submitted,

RUDOLPH WOYVODA

Building Inspector

---

## REPORT OF THE BOARD OF ADJUSTMENT FOR 1966

---

The Board of Adjustment held their meetings on the last Wednesday of each month and public hearings as requested by application.

There were seven public hearings held, of which six were unanimously approved and one unanimously rejected.

The Board made every effort to carefully review each application as well as objectors opinions and the decisions made were deemed in the best interests of all concerned.

Respectfully submitted,

JOHN L. MARSHALL, Chairman

Plaistow, N. H. February 18, 1967

We have this day, examined the accounts of the Selectmen, Treasurer, Town Clerk, Collector of Taxes, Treasurer of the Public Library, Trustees of Trust Funds and the District Court for the year ending December 31, 1966 and find them correctly cast and proper vouchers for all expenditures.

CLIFTON E. COOK

PAUL D. PALMER

Town Auditors
