PROPOSAL TO ACQUIRE/SELL LAND (RSA 41:14-A) – METHUEN CONSTRUCTION
PUBLIC HEARING

S. Fitzgerald reviews the power point presentation detailing the proposed land exchange between Methuen Construction and the Town of Plaistow. In this deal the Town gains much more. It is essentially a housekeeping issue to remain consistent with recorded deeds.

S. Ranlett recommends we have the highway department cut the overgrowth near the driveway.

The old water tower is discussed. This is no longer used as a water tower, it is used as a cell tower. Perhaps this will be put on a list of negotiations for the future. To remove it and construct a more modern cell tower.

The Board will meet on Thursday September 15th at 6:30pm to vote on the land swap.

J. Sherman states that the last few land transactions have been swaps rather than a purchase or sale. It has worked well for the Town and this method should be used whenever possible.

S. Fitzgerald agrees. When cash is not involved it makes it easier.

S. Ranlett opens the meeting to the public at 6:46pm.

No one from the public is in attendance.

S. Ranlett closes the public meeting at 6:47pm.

S Ranlett adjourns the meeting at 6:47pm.

Respectfully submitted,

Beth Hossack,
Recording Secretary
