Agenda Item 2: Community Power – Theresa MacDowell, Standard Power

Theresa MacDowell, Standard Power, was present for the discussion.

T. MacDowell provided copies of the Community Power Survey that had been updated with the EComm's comments.

There was discussion on where to provide paper copies of the surveys. It was decided the would be distributed at the Town Hall, Town Hall Annex and the Library. The survey link will also be posted to Facebook and the Town's Website.

There was discussion regarding presentations at an Elder Affairs meeting and the Library. The Elder Affairs meeting would allow for more discussion and guidance for elderly residents who may not have an understanding of Community Power.

Dates were discussed in mid-late September for a presentation at the Library.

There was a discussion regarding the Community Power Plan that will need to be submitted to the Public Utilities Commission (PUC). It was noted to be mostly a boiler plate document that would be customized with the results of the survey, a history of Plaistow, and what makes Plaistow's electric needs unique.

P. Bealo asked if there could be a Gantt chart of the project provided. T. MacDowell will provide.
