Subject: meeting with PrideStar/Trinity

Good morning, everyone - There is a meeting scheduled to meet with PrideStar/Trinity to review the RFP that we all went over a few weeks ago. This is informational only as Chief Knutsen and I think we should all meet with Trinity to get some feedback on the overall scope of the RFP, specifically the accountability component.

The meeting is next Wednesday, May 3, 2023 at 11:00 AM in Plaistow.

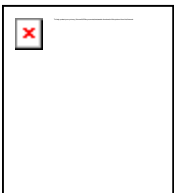

If you have any questions, please let me know.

Hopefully, we can all make it.

Based on the stats I sent, the percentages amounts are as follows (based on transports not responses and numbers are rounded):

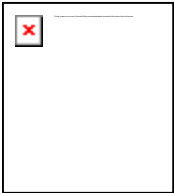

Atkinson: 14.39% = \$43,170
Danville: 10.54% = \$31,620
Hampstead: 24.24% = \$72,720
Newton: 7.9% = \$23,700
Plaistow: 31.03% = \$93,090
Sandown: 11.84% = \$35,520

If you have any other questions, please let me know.

What is the cost for the six towns to do EMS? Would it be the same \$33,500 for Newton
