

Rules for Campaigning OUTSIDE THE Public Works Facility, Plaistow NH:

No campaigning of any kind shall be conducted inside the Public Works Facility Building or on the Public Works Facility Parking Areas.

Campaigning will be limited to the corral to be set up outside the building in an area to be designated to the right of the voting entrance to the building.

All campaign signs must be held by an individual. If not being held by an individual, signs must be placed face down on the ground.

No campaign signs can be left unattended on the Public Works Facility Property.

I ask that everyone work together to comply with these rules.

Good Luck to all in the Primary.
