

Enter the NHACC  
Photo Contest  
for a chance  
to win \$250

## New Hampshire Association of Conservation Commissions

SERVING NEW HAMPSHIRE'S COMMUNITIES SINCE 1970

### Do you love to take photos while you are out enjoying nature?

If you like to capture nature's beauty, please share your amazing photos with NHACC as part of our *“Water, Wetlands, and Wildlife in the Natural World”* photo contest. We are primarily looking for photographs that inspire the preservation of our natural environment.

- Winners in each age group will **receive \$250**, and Honorable Mentions will **receive \$50**.
- Age groups are **Kids 12 and under, Teens 13 – 18, and Adults 19 and up**.
- You are encouraged to take photographs on conserved lands in or near your town, but they also may be made in other places such as your own backyard.
- Photos taken/made **between January 1, 2023 and September 8, 2023** can be entered into the contest. A complete list of rules can be found on the NHACC website.

### How to Enter:

We will be using an on-line platform called ArtCall to host entries into the contest.

<https://2023-nhacc-photo-contest.artcall.org/users/login>. The entry form will be open between **June 1st and September 8th**, and details about how to use this tool will be released shortly on [www.nhacc.org](http://www.nhacc.org). Contestants will be able to edit or change their entry any time before midnight on September 8. We encourage our member commissions to spread the word and invite community members to participate in the contest!
