

ATTENTION VETERANS

A terminal diagnosis can be a lonely experience for anyone, but for a **veteran** that diagnosis can present unique issues. At a time when understanding is needed most, many **veterans** find themselves isolated even from family and friends. You can help end that isolation by becoming a **Veteran to Veteran** Hospice volunteer. Who better to support to those patients at the end of life than another **veteran**?

Veteran to Veteran Hospice Volunteer Training Fall Sessions

Rockingham VNA & Hospice is offering a comprehensive Hospice **Veteran to Veteran** volunteer training beginning on September 7 and continuing each Friday from 10am-1pm through October 26, 2018. There must be a minimum of 5 people registered for the training to be held.

Classes will be held at
Rockingham VNA & Hospice
137 Epping Road
Exeter, NH

To register or for more information: Call Martha Carlson, Hospice Volunteer Coordinator, 772-2981 or 800-540-2981 ext. 8949
