## **Status updates:**

### **Fireworks –**

- Francine Hart and Fire Chief Knutsen believe it is possible to have the fireworks in the next few months.
- Haley suggests the high school football field. Barbara notes they just had fireworks there at graduation on July 18, so it is possible with distancing.
- The discussion turned to when to have the fireworks. Various people were on vacation in August, then busy later in the fall. It was noted it was not necessary for committee members to be there.
- Discussed the criteria for when the event would be a go, vs. no-go. For example, the level of COVID illness in town.
- At this point the committee has lost steam. There is not enough enthusiasm for managing a potential on-again / off-again event. We had enough of that with the OHD event date this year.

### **Next meeting:**

- Consensus is that we will re-group on the 3<sup>rd</sup> Sunday in January next year, January 17, 2021.
- We can re-use the planning we did this year, including the theme of Decades, the trophies and prizes for the beard contest, etc.

Meeting adjourned at 7:16pm
