

**Town of Plaistow  
Energy Committee**  
145 Main Street, Plaistow, NH 03865

**ENERGY COMMITTEE MINUTES**

**MEETING DATE:** Wednesday, April 19, 2017 @ 5:00 pm

**PRESENT:** Selectman, Julian Kiszka; Tim Moore, Planning Board; Geoffrey Adams, Planning Board; Greg Jones, Town Planner, Jake Kennedy

**GUESTS:** Tim Noonis, Unitol

Meeting called to order: 5:00 PM

**Energy Committee Charter – Update**

Town Planner, Greg Jones, presented the Committee with the Final version of the Energy Committee Charter to be presented to the Board of Selectmen for Approval. Said final comments were made to the revised Energy Committee Charter, which revolved around the fact that the committee works on all types of energy efficient projects, not just those involving renewable energy sources. This resulted in some minor changes in the document's text, as well as the name of the Committee.

Upon review, all members of the Committee were satisfied with the changes and agreed to bring the updated charter to the Board of Selectmen for their review.

**Unitil Street Light Tariff – Update**

Town Planner, Greg Jones, informed the Committee that the recently approved LED tariff that came out of the Unitil rate case, as well as potential funding for municipal energy efficiency projects through RGGI and possibly other energy efficiency lighting programs, will be up for discussion in the coming weeks. Jones informed the Committee that he will be reaching out to Tim Noonis with Unitil to set-up a meeting to be help with the Energy Committee to discuss the program and possibilities that exist for the Town to convert the existing 460+/- municipal street lights.

**OTHER BUSINESS**

There was no other business.

**ADJOURNMENT:** J. Kiszka adjourned the meeting at 5:45 pm

Respectfully submitted,

Gregory M. Jones  
Plaistow Town Planner
