Plaistow Firemen's Association Annual Rabies Clinic

PLAISTOW, NH - The Plaistow Firemen's Association is pleased to announce the return of their annual rabies & microchip clinic on **SATURDAY, APRIL 24th from 9a-1p**. This will be a drive-thru event. Residents of Plaistow and surrounding communities are welcome to bring their pets, large or small (dogs, cats, ferrets, etc.).

The clinic will be held at the Plaistow Fire Department located at 27 Elm St. in Plaistow, NH. We are pleased to have Dr. Sarah Grossman from Mitchell Animal Hospital/All Creatures Mobile Vet on hand to administer your pet's vaccination. 3-year vaccinations will be administered with **proof** (not a receipt) of vaccination within the last year.

Low-cost microchipping through Petlink (lifetime enrollment) available as well for \$35.

Animal Control Officer Maura Putney Wentworth will be on hand to meet you with any questions and/or concerns you may have regarding Pet/Dog laws and safety.

The Town Clerk will not be onsite this year for pet registration.

****Please enter the facility from the entrance closest to Palmer Ave. Two lines will be formed wrapping around the building, entry and exit will be through the rear of the building. Staff will be onsite to direct you. **Please remain in your vehicle until instructed otherwise.******

Please check Plaistow Fire Department social media pages for updates and any potential changes to the event.

All social distancing guidelines and mask usage will be adhered to based upon CDC guidelines.

Rabies Vaccination \$18 / Microchipping \$35
