

# Community Electronic Recycling Day

Saturday, October 27, 2018

12 pm to 2 pm

166 Plaistow Road, Plaistow, NH (Rte 125)

**RMON Networks** and **Bytefixx** are teaming up to provide a secure way for you to dispose of your electronic equipment! Security is at the forefront of everything we do, and properly disposing of your electronics is one way to reduce your risk of identity theft. PLUS, there is no charge to bring your electronic equipment. Your equipment will be taken back to Bytefixx's state of the art facility where they will ensure your data is destroyed properly and every single nut and bolt is recycled! Nothing will see a landfill!
