

Code Red revaluation property inspection announcement

The Town of Plaistow's Assessor's Office has begun a town wide property revaluation for the 2021 Tax Year. Data Collectors from Vision Government Solutions **will be in your area** to conduct the data collection phase of the revaluation process. Each data collector will carry a Vision photo identification badge, and a Letter of Introduction from the Assessor's Office. Residents are encouraged to ask to view this identification. We are not entering homes for inspections at this time. We will be doing interior inspections by appointment later in the year.

Vision Government Solutions employees and their vehicles are registered with the Plaistow Police Department and the Assessor's Office.

If you have questions as to the identity of a data collector, please call the Plaistow **Assessor's Office** (**603**) **382-5200x240** for further confirmation.

Thank you for your cooperation.
