SCAM ALERT!!

Please be aware that some residents have been receiving telephone calls from alleged relatives asking for money. This is a scam that will generally involve a person stating that they are a relative such as a son, daughter, or grandchild. The caller will say that they have been in a car accident or have been arrested. They will state that the call is from far away so their voice may sound different. The caller will ask the victim to send a specified amount of money to them through Western Union.

These calls are very realistic and prey on the emotions of the victim. If you receive a call such as this, **DO NOT SEND ANY MONEY**. Ask the caller questions such as their location, where they were arrested, where the accident occurred, where they are hospitalized, etc. Tell them that you will not send any money until you can independently confirm the information. Do not accept any telephone numbers that they may give you as the hospital or the police station as they have other callers who will purport to be the police or hospital staff.

If you receive a telephone call such as this, please report it to the Plaistow Police Department and your telephone company as soon as possible.

PROTECTING YOURSELF

When purchasing tools keep a log of serial numbers and carve your initials or name into the tools in a hidden area. This may assist law enforcement should the tools turn up missing.

PAWN SHOP/SECOND HAND DEALER EDUCATION

Many people do not know what rules govern the local Pawn Shops or "Second Hand Dealers." In plain language: By Town Ordinance the Pawn Shops are required to take photo identification from the sellers. The identification is copied onto a "Second Hand Dealer Report" with the property description and price paid. These Second Hand Dealer Reports are turned over to the Police and logged by seller name, property sold, date, and Pawn Shop.
